- ❖ Speech

**Faculty members were sharing their experience and knowledge. The Principal explained the importance of Education to girl child .Also she pointed out that the**

impact of technology which affects the teenage students. Dr.T.Shanthi Professor &Head ECE insisted the students to participate in extracurricular activities. Dr.A.Abirami IQAC Coordinator and Mrs.D. Mangalambigai, AP CSE explained about Health and how to maintain good health to lead a successful life. They discussed the difficulties faced by them and how they converted them as stepping stones to success.

Dr.A.Prabha, AP EEE suggested the students to be bold to face the challenges in life. Also she stressed out that Parents play the most important role in our life. There is no basis for children to disrespect their parents because respecting them is the only way of showing gratitude. Notably, parents are the valid reasons of our existence, and we should be courteous, loyal and help them in their need.
