Logo Design Competition Report

Class : II & III MECH

Date : 01.04.2023

Venue: Mechanical Smart Class Room (205)

The Department of Mechanical Engineering, Kings College of Engineering Punalkulam, organized a “Logo Design Competition” for the students of II and III year Mechanical Engineering on 1st April 2023 at 2 p.m. There were 35 students actively participated in the competition and tried the best of their efforts. The logos were judged on different grounds such as relevance, description, appeal, uniqueness and effectiveness. Students came up with many different and unique ideas.

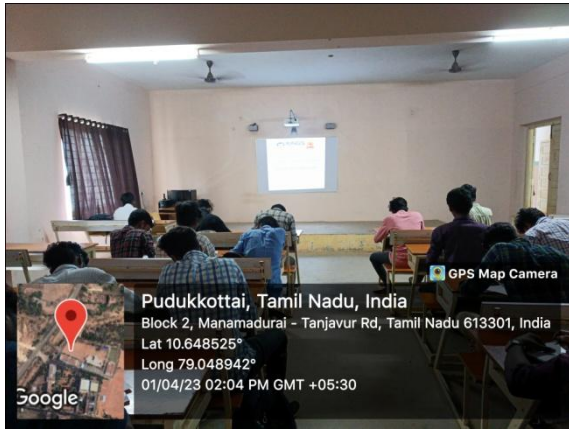

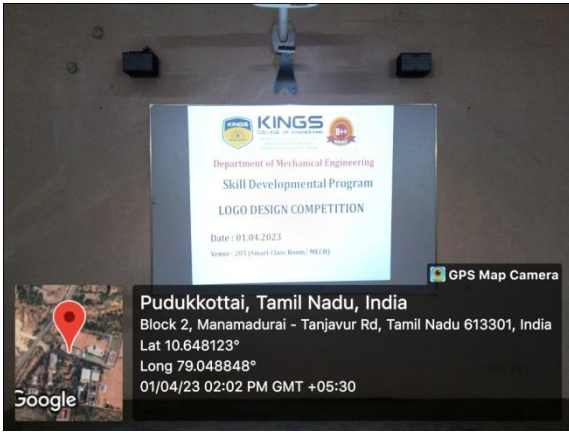

This event provided a platform to the students to showcase their talent. It also gave them an opportunity to explore and give vent to their imagination. The competition witnessed an overwhelming level of excitement, creativity, composition and tremendous skill demonstrated by the students in their performance in designing logos.

Objectives of the Event:

- To provide new and exciting design ideas.
- To give an opportunity to the students to show their creativity in designing.
- To engage the students in learning and help them to enhance their knowledge and skills.

Event Guidelines:

- The competition is open for all students from second and third year mechanical engineering students.
- The competition shall be conducted through physical mode only.
- Participants are permitted to design their logos in individually.

Glimpses of the event

Outcomes of the Event:

- It was very informative and knowledge enriching competition for the participants.
- It also increased the confidence level of the students and create the awareness in competition.
- It improved the students creative thinking and designing skills.
