Dear Sir,

Sub: Requisition for Industrial Visit/Internship/In-house Training – reg.,

Kings College of Engineering (KCE) is an institution which was formed with the single aim of providing quality education to the poor and underprivileged students. KCE is an NAAC accredited institution approved by All India Council of Technical Education, New Delhi (AICTE) and is affiliated to Anna University, Chennai. The institution was established in the year 2001 on a sprawling campus of around 48 acres on the Thanjavur-Pudukkottai Highway and run by Raj Educational Trust (RET). The institution offers five U.G and four P.G programmes and certified with ISO 9001:2008. The state of the art teaching methodologies are used to impart high quality education to the students including e-learning.

**Vision**

To produce technically competent, socially responsible Electronics and Communication Engineers with research insight.

**Mission**

Establishing learning environment and practicing advanced Electronics and Communication Engineering through effective teaching learning methodologies with ethical prospective.

In this regard, we would like to involve your esteemed organization to be a part of students skill development by:

- a) Permitting our students for industrial visit.
- b) Providing training to students during semester holidays.
- c) Permitting our students to do final year project work and give the necessary technical assistance and guidance.
- d) Permitting our faculty members to visit and update their knowledge.

Thanking you and expecting your sincere cooperation in this regard for the benefit of the student fraternity.

Dear Sir,

Sub: Requisition for Industrial Visit/**Internship**/In-house Training – *reg.*,

Kings College of Engineering (KCE) is an institution which was formed with the single aim of providing quality education to the poor and underprivileged students. KCE is an NAAC accredited institution approved by All India Council of Technical Education, New Delhi (AICTE) and is affiliated to Anna University, Chennai. The institution was established in the year 2001 on a sprawling campus of around 48 acres on the Thanjavur-Pudukkottai Highway and run by Raj Educational Trust (RET). The institution offers five U.G and four P.G programmes and certified with ISO 9001:2008. The state of the art teaching methodologies are used to impart high quality education to the students including e-learning.

**Vision**

To produce technically competent, socially responsible Electronics and Communication Engineers with research insight.

**Mission**

Establishing learning environment and practicing advanced Electronics and Communication Engineering through effective teaching learning methodologies with ethical prospective.

In this regard, we would like to involve your esteemed organization to be a part of students skill development by:

- Permitting our students for industrial visit.
- Providing training to students during semester holidays.
- Permitting our students to do final year project work and give the necessary technical assistance and guidance.
- Permitting our faculty members to visit and update their knowledge.

Thanking you and expecting your sincere cooperation in this regard for the benefit of the student fraternity.
