### "PLEDGE TAKING CEREMONY AGAINST DRUG CONSUMPTION"

Date & Time: 11.08.2023 & 10.00 a.m

Venue: I YEAR BLOCK

#### Report

Drug use affects not only human lives, but also the global economy, social dynamics, human rights, and overall security and stability of nations. The impact on children and youth is particularly significant given their vulnerabilities, but they can also play a critical role in ending the scourge of illicit drugs.

In line with the initiatives by the Department of Social Justice and Empowerment, Govt of India, with an aim to include more students and teachers for Nasha Mukta Bharat Abhiyaan (Drug Free India Campaign), a pledge-taking event was organized in our college premise on 11<sup>th</sup> August 2023 at 10 a.m. First year staff and students assembled in first year block to administer the pledge. The session was moderated by Dr.V.Suresh Kumar, HoD/S&H and Mrs.T.Gnanajaya, I Year Academic Coordinator. The event witnessed 135 active participants and the arrangements were made by the NSS programme officers Mr.G.Dinesh and Mr.S.Ambalatharasu of unit-I and unit-II.

#### **Outcome**

All the gathered members vowed to do everything possible to the best of their ability to make Tamilnadu, and ultimately India, drug-free.

### Free Eye Treatment Camp

**Date & Time: 11.08.2023 & 09.30a.m**

**Venue: Physics Lab**

### Report

A Free Eye Treatment Camp was organised in the Physics Lab on Friday, 11<sup>th</sup> August 2023 to check the eyesight of all the Teaching and Non-Teaching faculty members of Kings College of Engineering. Under the able guidance of our Principal, Dr.J.Arputha Vijaya Selvi, the camp was jointly organised by National Service Scheme of our college and Joseph Eye Hospital, Trichy. The event was facilitated by Dr.R.Rajendran, Secretary, Raj Educational Trust and Mr.Jayachandran, Amman Agencies (Pharmaceuticals distributors). The main aim behind organizing this eye camp is to provide the members various services like eye care education, full eye checkups, medical care and to prevent the people from getting major eye disorders.

The camp started at 9:30am and lasted till 2:30pm. The eye sights of 142 Teaching and Non-Teaching faculty members were tested in the presence of Dr.Shejin Sweety, Ophthalmologist and J.D.Samuel Wrinkler, optometrist and their team members. The eye tests were conducted in three stages and those who were found to have weak eyesight were advised about the importance of wearing spectacles on a regular basis to protect their precious eyes. All the arrangements of the camp were made by NSS programme officers Mr.G.Dinesh and Mr.S.Ambalatharasu.

### Outcome

The event was a fruitful one as many Teaching and Non-Teaching faculty members were benefited from the eye check-up. The event not only helped to prevent the further deterioration of the eyesight of the participants but also provided a sense of relief to them.

### "77<sup>th</sup> INDEPENDENCE DAY CELEBRATION"

Date: 15.08.2023

#### Report

National Service Scheme of our college celebrated 77<sup>th</sup> INDEPENDENCE DAY cheerfully with the adopted school children (Elementary School, Kadavarayanpatti and Middle School, Mudhukulam) on 15.08.23. Mr.G.Dinesh, NSS PO/Unit I and Mr.S.Ambalatharasu NSS PO/Unit II, visited the schools and distributed our national flags and biscuits. During the visits, the Elementary School children articulated their independence speech joyfully. Their speeches were thoroughly enjoyed by the NSS Programme Officers. They appreciated and congratulated the children as well as the staff. Later of the day, they had few words with the Headmistress, Middle School, Mudhukulam about the children's performance. The children were excited by the visit of NSS Programme Officers. Finally the Headmistress thanked our gestures.

#### **Outcome**

The distribution of national flags and biscuits benefitted the 96 school children. They have also got the opportunities to express their views fearlessly on the special day.

## "NATIONAL DEWORMING DAY"

Date: 17.08.2023

### Report

The **National Deworming Day (NDD)** is an initiative of **Ministry of Health and Family Welfare, Government of India** to make every child in the country worm free. This is one of the largest public health programs reaching large number of children during a short period. This Program is being implemented by the state since 2015. In government, government-aided, Anganwadi, private, and other educational institutions, children and adolescents receive one dose of the **safe medication Albendazole**. An evidence-based, widely accepted, and efficient method for reducing worm infections in all children is albendazole deworming.

In line with the initiatives, **National Deworming Day was observed by National Service Scheme** of our college on **August 17, 2023, from 11.30 am to 12.30 pm**. As part of the programme, the students were supplied with deworming tablets to consume under the supervision of the **Mr.Thirunavukkarasu, Health Inspector, Pudhunagar and Mrs.Angayarkarasi, Staff Nurse, Pudunagar**. **280 students** consumed the deworm tablets. Earlier a health talk regarding the causes of signs and symptoms, management and preventive aspects of the worm infestation was delivered by **Mr. S. Ambalatharasu, NSS PO / Unit II**. All the arrangements for the programme was made by **Mr.G.Dinesh, NSS PO / Unit I**.

### Outcome

The students came to know about those who have worms have trouble absorbing nutrients, which can lead to anemia, malnutrition, and delayed development of the mind and body. And they also became aware of how to reduce worm infections.

(இன்றய மாணவர்களின் போக்கு சிகரங்களை நோக்கியா சிரமங்களை நோக்கியா)

Date: 14.11.2023

#### Report

The NSS Unit of our college jointly with SIVA TV, Gandarvakkottai, organised a Debate on “இன்றய மாணவர்களின் போக்கு சிகரங்களை நோக்கியா சிரமங்களை நோக்கியா” on 4th November, 2023 at Chera Hall. The event was initiated by Dr.R.Rajendran, Secretary, subsequently facilitated by Dr.J.Arputha Vijayaselvi, Principal. The aim of organizing debate competition was to hone the public speaking skills of the students and teach them to be articulate while expressing their thoughts and opinions. Points presented were accepted by the spectators with cheers and claps. Some of the points even made us think about the facts. There was so much talent in the room. Arguments were made and roved. The competition was so interesting with the exchange of student's perspective by equally stating the merits and demerits of today's students' attitude. The event was judged by Kavingar Kasavayal Kumar. There were 2 teams each contains 4 members. The teams were headed by Mr.V.Aravind AP/Mechanical, Member of Muthamizh Mandram, Kings College of Engineering and Dr.K.Vanitha HoD/Tamil, Queens College of Arts and Science. The arrangements were made by the NSS programme officers Mr.G.Dinesh, Unit-I and Mr.S.Ambalatharasu, Unit-II. The event witnessed 150 students volunteers and 30 staff members. The debate was broadcasted by Siva TV on 12.11.23.

#### Outcome

The debate helps the participants to see the power of deploying rational, reasoned arguments and compelling evidence in action. It also enables them to elucidate their standpoint through utilizing rhetorical eloquence.

### Report

A nation-wide public awareness programme is being organised by the National Board of Examinations in Medical Sciences (NBEMS) on CPR (cardiopulmonary resuscitation) training on December 6. In view of that, the NSS Unit of our college in association with Meenakshi Hospital, Thanjavur, organised **CPR AWARENESS PROGRAMME** for the NSS Volunteers. During the programme, 50 participants were given training about CPR in a single sitting. Dr.A. Saravanavel MBBS, MD, PGDMLE, Senior Consultant, Meenakshi Hospital, visited the college and explained the technique of CPR and answered the queries of the participants. The participants were given certificate of participation. Earlier Mr.G.Venktesan AP/Mathematics, welcomed the gathering and gave brief introduction about the programme. All the arrangements of the programme were made by NSS programme officers Mr.G.Dinesh and Mr.S.Ambalatharasu.

### **Outcome**

The event equipped the students with life-saving CPR skills and created a widespread impact on public health consciousness. By fostering basic CPR knowledge among the students, the program strived to contribute significantly to reducing the alarming statistics of cardiac arrests and sudden deaths in the country.

## **“14th National Voters Day (NVD) -Awareness Rally”** **REPORT**

**Date & Time: 25.01.2024 & 09.30 a.m**

Election Commission of India is celebrating 14th National Voters' Day (NVD) on 25th January 2024. It is celebrated to mark the foundation day of Election Commission of India. Since 2011 the aim is to sensitize the youth on the importance of voting in our country. It is celebrated every year with a specific theme. Dedicated to the voters, NVD 2024 theme - 'Nothing Like Voting, I Vote For sure' is a continuation from last year's theme. As part of celebration, **14th National Voters Day (NVD)-Awareness Rally** was organised by NSS of our college along with Thanjavur District Administration on 25.01.24. The rally was flagged off by Thiru Deepak Jacob I.A.S., District Collector from Thanjavur Panangal Building. Ms. Ilakkiya, Revenue Divisional Officer; Mr. Arulraj, Thasildhar; District administrators, professors and students from different colleges were present in large numbers. The procession reached Thanjavur Palace via Market Road and Old Bus stand. The arrangements of the programme were made by NSS programme officers Mr. G. Dinesh and Mr. S. Ambalatharasu along with Thanjavur District Administration.

### **Outcome**

The event gave chance to 30 NSS Volunteers of our college to know the strength of their vote and make a statement by using their vote. It also created an awareness among the public about the electoral process and the importance of exercising precious vote in a democratic set up.

Day 1 - 29.05. 2024

### Inauguration Ceremony

On 29 April 2024, the Seven Day NSS Camp was inaugurated. Mr.S.Ambalatharasu, NSS PO Unit I, welcomed the gathering and introduced the camp's objectives in his speech. **Dr.R.Rajendran, Secretary, addressed the keynotes of the programme. Dr.J.Arputha Vijayaselvi, Principal, encouraged the volunteers for the development of the community. Dr. S. Sivakumar, Vice Principal, in his introductory speech mentioned the old students' participation and their role in NSS.**

Later of the day, Mr.S.Ambalatharasu, NSS PO Unit II, informed the volunteers concerted efforts have to be made for a number of years for reconstruction activities in rural areas and urban slums for improving the living conditions of economically and socially weaker sections of the community. The session made them feel proud of their involvement.

### Outcome

Overall the inauguration ceremony helped the volunteers to know what they supposed to do during the camp and in future. And they promised to do the needful to the upliftment of the society sincerely.

*Dr.R.Rajendran, Secretary, is addressing the participants.*

*NSS POs and Volunteers along with Chief Guests in Inaugural Ceremony.*

## Day 2-30.04.2024 - First Aid Camp

The second day of the camp was high on spirit. The session of the day was conducted by **Dr.A.Sheik Alauddin from The National Hospital & Research Centre, Thanjavur**, on basic first aid tips. He shed light on the need to know about the right first aid methods during emergencies. The students actively participated in the event, and throughout it, they were given instruction on how to perform important life-saving techniques. The volunteers had the opportunity to try out these skills in real-life situations, which helped them, feel more confident and improved their abilities in real-life circumstances. After the interactive session, the cleanliness drive started at 12 pm. The volunteers moved around the village to create awareness on the importance of cleanliness. They divided into two groups and did their jobs effectively. One group cleaned the bus stops near the elementary school and another group cleaned the temple in the village.

The afternoon session was very much interesting to the village children and the volunteers. They were engaged to different sporting activities. The students performed the art of singing, dancing and displayed different talents. At the end of the cultural session, the results were announced and they were awarded with prizes during the Valedictory.

### Outcome

The day was helpful to spread awareness among the volunteers about certain medical injuries and how to react during various medical emergency situations. And it provided chances to express their different talents.

### Day 3-01.05.2024-Population Census & Health Awareness

The third day of the camp was started with a schedule of survey camp. With great pleasure, the volunteers went in and around of the streets of the villages to study the state of affairs of the people and their needs. It clearly stated that most of them are farmers and wish their children to be good at studies to lead good life in future. Fulfilling their expectations, our NSS Volunteers explained the importance of education with career guidance, and also insisted that the knowledge would help modernizing agriculture with engineering innovations.

In the evening session, **Dr. V. Suresh Kumar, AP, Kings College of Engineering,** interacted with the volunteers to encourage and enlighten them with his words and how to **contribute to society and have a different outlook.** He stressed on how keeping good health is essential for every human being. He also added health information is essential for maintaining good health, preventing diseases as well as making sound health decisions. Then he informed that people can only be able to access, utilize, and benefit from healthcare services if they have proper information about these services.

#### Outcome

The day gave NSS Volunteers an opportunity to interact with the village people and to know about their needs. It also made them aware of the availabilities in health related information and a sense of feeling to create awareness among the village people.

*Volunteers while getting information and Cleaning*

#### Day 4-02.05.2024 - Free Dental Camp & Community Awareness about Electricity

Free Dental Camp was organized on the morning session of the fourth day in order to integrate oral health promotion and to prevent oral diseases. NSS Students participated in the programme and gained knowledge. The event began with the welcome address by Mr.G.Dinesh, NSS PO/Unit I. On this occasion **Dr.T.Stalin, Dentist, Thanjavur, visited and mentored the participants.** In his talk, he informed that tooth decay and gum disease are caused by plaque, a sticky combination of bacteria and food. By taking good care of our teeth and gums, we can help prevent problems such as tooth decay and gum disease. Then he examined all the participants scrupulously with great care. He also asked the volunteers to create awareness among the children how to brush and floss from an early age to help them protect their teeth. The session concluded with thanksgiving by Mr. S. Ambalatharasu, NSS PO / Unit II.

The afternoon session was handled by **Mr.Sundaramoorthy, AP, Kings College of Engineering on 'Community awareness about electricity'.** He informed the participants on the merits and demerits of electricity and the advantage of Light emitting diode at our home to reduce the power consumption. However, he mentioned to make use of electricity judiciously. He also pointed out the alternate sources for power generation like solar, biogas., etc. Finally, he made basic questions about electricity and appliances.

#### Outcome

At the end of the programme students are able to identify the normal structures of oral cavity, differentiating the primary and permanent teeth. And they have also learned how to maintain dental health and to prevent from oral diseases.

### DAY 5-03.05.2024 - Free Doctor Mohan's Diabetes Camp

A Free Diabetes Special Camp was organised on the fifth day of the morning session in association with **Doctor Mohan's Diabetes Centre, Thanjavur** for the benefit of the people in Meikudipatti. A team of one doctor and one technician conducted the camp. Earlier the doctor informed the participants that diabetes being a lifelong debilitating disease with widespread medical and social ramifications, demanding high degree of discipline on the part of the patients and health professionals alike, such organised health maintenances and promotional activities may contribute to the improvement of the health and overall well being of individuals (in the early tender years and prime of life) with diabetes, betterment of family welfare may also be anticipated.

**Later of the day Computer Training Programme for School Students** was organised with a noble view of educating the village school students on computer skills to adopt to new world of education, our volunteers selected school students from Meikkudippatti and brought them to our college computer lab where all the students were given individual system to gain knowledge, volunteers guided students to operate systems and taught Microsoft office, painting, etc. This initiative of our students, made the participants happy in the way the computer basics were given to them by our staff and volunteers.

**Lecture on Blood Donation Awareness Talk** was given to the volunteers in the evening session. The Medical College Blood Bank Team, Thanjavur, visited and discussed the different kinds of blood that existing in our body and what makes our blood different from someone else's is our unique combination of protein molecules, called antigens and antibodies. They also informed that the combination of antigens and antibodies in our blood is the basis of our blood type. Further they highlighted that the actions of donating blood and caring for the planet are directly linked to self-love; donating blood brings several advantages for the human being, it reduces the risk of suffering a heart attack or a stroke and improves the blood circulation process, allowing the regeneration and oxygenation of the body tissues. In addition, it can be a way to check that our health status. Finally all the doubts raised by the participants were clearly explained.

#### Outcome

The day was helpful in many ways to the village people and the volunteers. They were diagnosed and were informed how to keep their blood glucose level, also called blood sugar to lead a healthy life.

## DAY 6 - 04.05.2024 - Free Eye Checkup Camp

The morning session of the sixth day was conducted by **Maxivision Super Speciality Eye Hospital, Thanjavur**. The main aim behind organizing this eye checkup camp is to provide the members various services like eye care education, full eye checkups, medical care and to prevent the people from getting major eye disorders. The session started at 10:00am and lasted till 12:30pm. The eye sights of 76 members were tested in the presence of **Dr.Geetha, Ophthalmologist and Dr.Madhumathi, optometrist and their team members**. The eye tests were conducted in three stages and those who were found to have weak eyesight were advised about the importance of wearing spectacles on a regular basis to protect their precious eyes.

**Free Medical Consultation was organised in the afternoon session. The session was handled by Dr. Sasivarman, Pudunagar.** He started the session by enlightening the gathering about the true purpose of a volunteer. According to him, a volunteer is the one who volunteer to work for a cause without expecting any return or reward. He talked about various aspects of being a NSS volunteer and the need for a well trained volunteer. Then he insisted the participants about how keeping good health is helpful to both individual and society. He also explained the importance of various fats, minerals, healthy sleeping habits and harms of skipping meals.

### Outcome

The day was a fruitful one as many village people were benefited from the eye check-up. The event not only helped to prevent the further deterioration of the eyesight of the participants but also provided a sense of relief to them.

*The chief guest is being honoured.*

*Mr. S. Ambalatharasu, NSS PO, is giving welcome address.*

*The village people are while being examined.*

### Day 7 – 05.05.2024 - Valedictory

Valedictory ceremony was organised on the final day of the camp. The aim of valedictory was to put forth the endeavours done by the NSS unit during the camp and to show the glimpses of the Seven Day Camp-2024. As it was the last day of the camp, the NSS volunteers piloted a Cultural Event which included various cultural performances and a full overview of the camp was also given. **The event was graced by Dr. T. Shanti, AP, Kings College of Engineering.** She gave a heartfelt speech to make the students aware about the true meaning of being a NSS volunteer. She asked the volunteers to always strive for selfless help and relish the meaning of being a NSS volunteer in its true sense. Later she distributed the prizes to the village children. Our NSS volunteers have been working all over the year to serve the community and some volunteers who have put their heart and soul throughout the year and especially during the camp. So to acknowledge those volunteers the prizes were given to them.

*The children and NSS Volunteers are being appreciated with prizes.*

*NSS Pos, Volunteers, School Children along with Chief Guest in Valedictory.*

### World Environment Day Celebration – Sapling Plantation

Date: 05.06.2024

#### Report

The **world environment day** is celebrated every year on 5th June to raise global awareness to take positive environmental action to **protect nature and the planet earth**. It is a day that reminds everyone on the planet to get involved in environment friendly activities. In view of the day, NSS Unit of our college organised tree planting programme in the college premises to create awareness among the students. **Dr.R.Rajendran, Secretary and Dr.J.Arputha Vijayaselvi, Principal** initiated the event by **planting saplings** in and around our college. The staff members and volunteers collectively decided to plant tree saplings within the college campus. Various types of tree saplings, such as **vembu, mandarai, pungan, manjal arali, poo maruthu and asoka** were planted. The session was moderated by NSS Programme Officers: Mr. S. Ambalatharasu and Mr. G. Dinesh.

#### Outcome

**25 volunteers** got the opportunity to know the importance of planting trees. And they promised to do the same every year in their lifetime. They also took a vow to create awareness among the people to preserve the nature.

THE HINDU BUREAU

Hundreds of students participated in the special mass yoga event held at the Big Temple complex here on Friday.

Organised jointly by the Union Ministry of Tourism, Tamil Nadu Tourism Department Corporation and the Thanjavur Tourism Development Committee, the event saw participation of students from Periyar Maniammai Science and Technology (PMIST), Saint Joseph Engineering College, Kings Engineering College and other higher educational institutions.

The event lasted about 40 minutes on Friday morning wherein the participants were guided by the yoga trainer, Yoganandha, according to a TTD Committee release.

## Benefits of yoga

Over 100 participants from diverse sections of the Central University of Tamil Nadu fraternity — including students, scholars, faculty members, officers, and staff took part in the Yoga Day celebrations organised by the Department of Physical Education and Sports on the university campus in Tiruvarur on Friday.

Addressing the participants, the CUTN vice-chancellor, M. Krishnan said that regular practising of yoga would make the person healthy, leading to clear thinking, and positive action. These benefits resonate throughout society, fostering harmony by transcending caste, religion, and language barriers, he added.

## NATIONAL CADET CORPS

### OBJECTIVE OF NCC FOR THE ACADEMIC YEAR 2023-24

The overall objective of NCC is to “Trained **And Motivates the Youth to Serve the Nation**”. The motto of the NCC is “**Unity and Discipline**” (Ekta aur Anushasan). KCE has the pride and privilege to have efficient cadet in flight consisting 50 in number and one associate NCC officers. The cadets are enrolled from the first year students. The cadets are expected

- ❖ To develop qualities of character, courage, comradeship, discipline, leadership, secular outlook, spirit of adventure and sportsmanship and the ideals of selfless service among the youth to make them useful citizen.
- ❖ To create a human resource of organised trained and motivated youth to provide leadership in all walks of life including the Armed Forces and be always available for the service of the nation.

**The activities under NCC can broadly be divided into two major categories**

#### **1. Regular Parade activities:**

The regular parades are carried out in a systematic way, with much preparation so as, to have a clear outlook of the Indian defense(Army ,Air force, Navy) . The parade consists of the one ANO, NCC cadets, Permanent instructor from Indian air force . The main objective is to train cadets in Drill, shooting, Physical fitness, map reading, First aid, Gliding/Flying, boat pulling, sailing and camp training covering basic of military training in Army, Navy and Air Force.

This training is mostly carried out in schools and colleges by the cadets. In addition, depending upon the type of service, basic knowledge of that service is imparted to the cadets e.g gliding , powered flying for Air Wing cadets and boat pulling, sailing for Naval Wing cadets form part of institutional training. These activities comprise approximately 50% of the entire syllabus.

#### **2. Camp Activities:**

In CAMP, the boys(Senior & Junior Division)and girl cadets(Senior & Junior Wing)of a particular NCC unit participate in the 10-day camp. Classes are conducted as per the given syllabus wherein certain aspects of NCC training are taught once again. The camp acts as a refresher training for the cadets and they are also trained in basic skills of survival and emergencies besides other topics. They are taught certain skills pertaining specifically to their Wing for e.g., a Naval cadet is trained in boat-rowing, oaring, Semaphore, etc. Another activity in the camp is the "dogwatch" wherein two cadets are to stay on sentry duty for two hours at any time given time of the day. Those caught sleeping, especially during late night or early morning shifts, or otherwise missing from duty are severely reprimanded or penalized. Cadets are also introduced to weapons such as a .22 caliber rifle.

## **ANTI TOBACCO RALLY**

*Organized by*

**National Cadet Corps(N.C.C )A2 FLIGHT**

**DATE: 17.10.2023**

**TIME: 11.15 AM**

**VENUE: MAIN GATE**

### **REPORT**

A2 FLIGHT National Cadet Corps (N.C.C), KCE organized an **ANTI TOBACCO RALLY** on 17.10.2023, at 11.15am, in main gate . A team of 50 N.C.C cadets and staff members from various department participated in the function. Tobacco use is a significant public health concern, with detrimental effects on both individual health and society as a whole. Recognizing the importance of raising awareness about the hazards of tobacco consumption, the National Cadet Corps (NCC) unit of our college organized an anti-tobacco rally. This report provides an overview of the rally and its impact on campus and the community. The function arrangements were made by Flt Lt Dr. B.Baran Kumar, Associate N.C.C Officer and the N.C.C Cadets.

The function was started by **Dr.R.Rajendran**, the Secretary, in the presence of **Wing Commander Abhishek Kishore Mittal**, CO ,3(TN) Air Sqn Tech N.C.C,Trichy, **Dr.S.Siva kumar**, Vice Principal, **WO Sunil kumar**, 3(TN) Air Sqn Tech N.C.C,Trichy, staff members from various departments.

The primary objective of the anti-tobacco rally organized by the NCC unit in our college is to raise awareness about the harmful effects of tobacco consumption on health, Educate students and the community about the risks associated with tobacco use, including addiction, diseases, and financial burden, Promote a tobacco-free environment on campus and advocate for tobacco control policies and regulations, Encourage individuals to adopt healthy lifestyle choices and quit tobacco use.

The following steps were undertaken for its successful implementation:

1. Planning and Coordination: The NCC unit worked closely with college authorities to plan the rally route, schedule, and logistics. They also collaborated with local health organizations to provide educational materials and resources for the event.

2. Awareness Campaign: Prior to the rally, awareness campaigns were conducted on campus to inform students about the harmful effects of tobacco use and the importance of participating in the rally.
3. Rally Route and Participants: The rally route was planned to pass through key locations on campus and nearby community areas. NCC cadets, along with college students, faculty members, and community volunteers, participated in the rally.
4. Slogans and Posters: Participants carried banners, posters, and placards with anti-tobacco slogans and messages to attract attention and raise awareness among onlookers.
5. Distribution of Educational Materials: Pamphlets, brochures, and other educational materials containing information about tobacco cessation services, help lines, and support resources were distributed to rally participants and bystanders

### **Conclusion:**

The anti-tobacco rally organized by the NCC unit in our college exemplifies the commitment of youth towards promoting public health and well-being. It served as a powerful advocacy tool for raising awareness about the harmful effects of tobacco use and advocating for tobacco control measures. Moving forward, it is essential to continue organizing such initiatives and fostering collaboration between educational institutions, youth organizations, and community partners to create a tobacco-free society.

**National Cadet Corps(N.C.C )A2 FLIGHT**

**DATE:** 26.01.2024

**TIME:** 09.00 AM

**VENUE:** 1<sup>st</sup> Year Block

## **REPORT**

A2 FLIGHT National Cadet Corps (N.C.C), KCE organized a **TREE PLANTATION PROGRAM** on 26.01.2024, at 09.15 am, in 1<sup>st</sup> year block . A team of 50 N.C.C cadets and staff members from various department participated in the function. The National Cadet Corps (NCC) is a premier youth organization in India that aims to groom the youth into disciplined and patriotic citizens. One of its key objectives is to instill a sense of environmental responsibility among cadets. This report outlines the tree plantation activity organized by the NCC unit of our college and its impact on campus and the surrounding community. The function arrangements were made by Flt Lt Dr. B.Baran Kumar, Associate N.C.C Officer and the N.C.C Cadets.

The function was started by **Dr.R.Rajendran**, the Secretary, in the presence of **Dr.J.Arputha Vijaya Selvi**, the Principal, **Dr.S.Siva kumar**, Vice Principal, Mr.R.Rajappa, A.O and staff members from various departments.

The objective of the tree plantation activity conducted by the NCC unit in our college is to enhance the green cover on campus and contribute to environmental conservation efforts, foster a sense of environmental consciousness and responsibility among NCC cadets, promote community engagement and social responsibility, Contribute to mitigating climate change and improving local biodiversity.

The following steps were undertaken for its successful implementation:

1. Planning and Coordination: The NCC unit liaised with college authorities to identify suitable locations on campus for tree plantation and obtained necessary permissions from relevant authorities.

2. Selection of Tree Species: Native tree species that are well-suited to the local climate and soil conditions were selected for plantation to ensure their successful growth and adaptation.
3. Procurement of Saplings: High-quality saplings of selected tree species were procured from local nurseries or forestry departments to ensure their health and viability.
4. Training and Briefing: NCC cadets were provided with training and guidance on proper tree plantation techniques, including digging pits, planting saplings, watering, and post-plantation care.
5. Plantation Event: A dedicated plantation event was organized on the designated day, where NCC cadets, along with college authorities and local dignitaries, gathered to plant the saplings. The event included speeches highlighting the importance of tree plantation and environmental conservation.
6. Post-Plantation Care: Adequate measures were taken for the maintenance of newly planted trees, including regular watering, mulching, and protection from pests and diseases. NCC cadets were assigned responsibilities for the ongoing care and monitoring of the planted saplings.

**Conclusion:** The tree plantation activity conducted by the NCC unit in our college exemplifies the organization's commitment to fostering environmental consciousness and social responsibility among youth. It not only enhanced the beauty of the campus but also contributed to environmental conservation efforts and community engagement. Moving forward, it is essential to ensure the continued care and maintenance of the planted trees to maximize their long-term ecological benefits. Such initiatives serve as catalysts for positive change and inspire future generations to become stewards of the environment.

### **REPORT**

An audit of the National Cadet Corps (NCC) unit at A2 Flight N.C.C-Kings College of Engineering was conducted by the **commanding officer** of 3(TN) Air Sqn Tech N.C.C, Trichy on **20/10/2023**. The audit aimed to assess the unit's compliance with NCC regulations, financial accountability, training standards, and overall efficiency in carrying out its objectives.

The assessment was done by, **Wing Commander Abhishek Kishore Mittal**, CO, 3(TN) Air Sqn Tech N.C.C, Trichy, along with **Warrant Officer S. Sunil kumar**, W/O, 3(TN) Air Sqn Tech N.C.C, Trichy, in the presence of **Dr.R.Rajendran**, the Secretary-KCE, **Dr.S.Siva kumar**, Vice Principal, Flt Lt Dr.B.Baran Kumar, A.N.O, A2 Flight N.C.C- KCE.

#### **Audit Findings:**

##### **1. Compliance and Regulations:**

- The NCC unit demonstrated satisfactory compliance with NCC guidelines and regulations. All administrative procedures and protocols were followed appropriately.
- The unit maintained accurate records of cadet enrollment, attendance, and training activities, ensuring transparency and accountability.

##### **2. Financial Management:**

- Financial records were meticulously maintained, detailing income and expenditure related to unit activities and events.
- The unit adhered to budgetary constraints and ensured efficient utilization of funds allocated for training, equipment, and administrative expenses.

### 3. Training Programs:

- The audit revealed commendable efforts in organizing and conducting training programs for cadets. Various activities, including drill exercises, leadership training, and community service projects, were conducted regularly.
- Cadets demonstrated proficiency in drill and discipline, reflecting the effectiveness of training imparted by unit instructors.

**Recommendations:** Based on the audit findings, the following recommendations are provided to further enhance the performance of the NCC unit:

1. **Continuous Training Enhancement:** Implement measures to diversify training programs and incorporate advanced leadership and skill development modules to further enhance cadet proficiency.
2. **Resource Optimization:** Explore opportunities for resource optimization and cost-saving measures without compromising on the quality of training and activities.
3. **Community Engagement:** Strengthen community engagement initiatives to foster greater collaboration with local organizations and facilitate meaningful contributions to society.
4. **Documentation Standardization:** Standardize documentation procedures and templates to ensure consistency and accuracy in record-keeping practices across all unit activities.

### Conclusion:

The audit of the NCC unit at A2 Flight N.C.C-Kings College of Engineering reflects the unit's commitment to maintaining high standards of compliance, financial accountability, and training proficiency. The unit has demonstrated commendable performance in fulfilling its objectives and responsibilities. Implementation of the provided recommendations will further strengthen the unit's capabilities and contribute to its continued success in nurturing future leaders and responsible citizens.

### **REPORT**

A2 FLIGHT National Cadet Corps (N.C.C), KCE organized a **TREE PLANTATION PROGRAM** on 17.10.2023, at 10.15am, in main block . A team of 50 N.C.C cadets and staff members from various department participated in the function. The National Cadet Corps (NCC) is a premier youth organization in India that aims to groom the youth into disciplined and patriotic citizens. One of its key objectives is to instill a sense of environmental responsibility among cadets. This report outlines the tree plantation activity organized by the NCC unit of our college and its impact on campus and the surrounding community. The function arrangements were made by Flt Lt Dr. B.Baran Kumar, Associate N.C.C Officer and the N.C.C Cadets.

The function was started by **Dr.R.Rajendran**, the Secretary, in the presence of **Wing Commander Abhishek Kishore Mittal**, CO ,3(TN) Air Sqn Tech N.C.C,Trichy, **Dr.S.Siva kumar**, Vice Principal, **WO Sunil kumar**, 3(TN) Air Sqn Tech N.C.C,Trichy, staff members from various departments.

The objective of the tree plantation activity conducted by the NCC unit in our college is to enhance the green cover on campus and contribute to environmental conservation efforts, foster a sense of environmental consciousness and responsibility among NCC cadets, promote community engagement and social responsibility, Contribute to mitigating climate change and improving local biodiversity.

The following steps were undertaken for its successful implementation:

1. Planning and Coordination: The NCC unit liaised with college authorities to identify suitable locations on campus for tree plantation and obtained necessary permissions from relevant authorities.

2. Selection of Tree Species: Native tree species that are well-suited to the local climate and soil conditions were selected for plantation to ensure their successful growth and adaptation.
3. Procurement of Saplings: High-quality saplings of selected tree species were procured from local nurseries or forestry departments to ensure their health and viability.
4. Training and Briefing: NCC cadets were provided with training and guidance on proper tree plantation techniques, including digging pits, planting saplings, watering, and post-plantation care.
5. Plantation Event: A dedicated plantation event was organized on the designated day, where NCC cadets, along with college authorities and local dignitaries, gathered to plant the saplings. The event included speeches highlighting the importance of tree plantation and environmental conservation.

## **ROAD SAFETY AWARENESS**

*Organized by*

**National Cadet Corps(N.C.C )A2 FLIGHT**

**DATE:** 20.10.2023

**TIME:** 12.15 PM

**VENUE:** Main gate

### **REPORT**

A2 FLIGHT National Cadet Corps (N.C.C),KCE organized a **ROAD SAFETY AWARENESS** on 20.10.2023, at 12.15pm, in main gate . A team of 50 N.C.C cadets and staff members from various department participated in the function. This unique event aimed to engage participants in an interactive and memorable way while emphasizing the importance of safe riding practices and adherence to traffic rules. The function arrangements were made by Flt Lt Dr. B.Baran Kumar, Associate N.C.C Officer and the N.C.C Cadets.

The function was started by **Dr.R.Rajendran**, the Secretary, in the presence of **Wing Commander Abhishek Kishore Mittal, CO ,3(TN) Air Sqn Tech N.C.C,Trichy**, **Dr.S.Siva kumar**, Vice Principal, **WO Sunil kumar, 3(TN) Air Sqn Tech N.C.C,Trichy**, staff members from various departments.

The objective of the event is to raise awareness about road safety among two-wheeler riders, to educate participants about safe riding practices and the importance of protective gear, to promote responsible behavior on the road and adherence to traffic regulations.

The following steps were undertaken for its successful implementation:

The Two-Wheeler Rally kicked off with a registration process where participants, including students, faculty, and staff, gathered with their motorcycles and scooters. Each participant received a road safety kit containing informational materials, reflective gear, and safety accessories.

After the registration, a briefing session was conducted by road safety experts and NCC cadets, highlighting the objectives of the rally and emphasizing key road safety practices. Participants were reminded of the importance of wearing helmets, following speed limits, and maintaining safe distances while riding.

The rally then commenced with participants riding their two-wheelers in a pre-determined route around the college campus and nearby areas. Along the route, designated pit stops were set up where cadets distributed road safety pamphlets, conducted spot checks for helmet usage, and engaged participants in discussions about safe riding habits.

Upon completing the rally route, participants gathered for a debriefing session where they shared their experiences and insights gained from the event. Road safety experts provided additional tips and guidance for safe riding, addressing common challenges faced by two-wheeler riders on the road.

### **Conclusion:**

The Two-Wheeler Rally organized by the National Cadet Corps in KCE served as an effective platform for promoting road safety awareness among two-wheeler riders. Through interactive activities, educational sessions, and real-world riding experiences, the rally contributed to instilling a culture of responsibility and adherence to traffic rules within the college community. It is essential to continue organizing such initiatives to sustain the momentum and further enhance road safety awareness among all road users.

**Objective:** The main aim of this programme is to create awareness about consumer rights and educate students about their rights as consumers.

**Introduction:** The resource person explained consumer rights and responsibilities clearly. She described consumer protection act and its importance to students.

#### **Consumer Rights**

- Right to safety.

This is the first and the most important of the Consumer Rights. They should be protected against the product that hampers their safety.

- Right to information.

Consumers should be informed about the product. The product packaging should list the details which should be informed to the consumer and they should not hide the same or provide false information.

- Right to choose

Consumers should not be forced to select the product. A consumer should be convinced of the product he is about to choose and should make a decision by himself.

- Right to seek and redressal.

In case a product is unable to satisfy the consumer then they have the right to get the product replaced, compensate, return the amount invested in the product.

- Right to consumer Education.

Consumer has the right to know all the information and should be made well aware of the rights and responsibilities of the government. Lack of Consumer awareness is the most important problem we must solve.

The resource person demonstrated that how to find iodized salt using potato boiled water and the salt became blue colour when it mixed with water. This indicates that it is iodized salt. ### National Voters' Day

### Pledge Taking Ceremony - Report

The National Voters' Day is celebrated every year as mark of the foundation day of Election Commission of India, i.e. 25th January 1950. The main purpose of the National Voters Day celebration is to encourage, facilitate and maximize the enrolment of new voters. It is celebrated every year with a particular theme. It not only encourages the youth to participate in the electoral process but also focuses on the Right to vote as the basic right.

The theme for the year 2024 National Voters' Day, '**Nothing Like Voting, I Vote for Sure**' is dedicated to voters and conveys individuals' feelings and aspirations toward participation in the electoral process through the power of their vote.

In this regard, Our College "**Citizen Club**" organized '**Pledge taking ceremony**' on 25.01.2024. In this National Voters' day Celebration, nearly 110 students and 15 staff members were participated. The pledge was undertaken to motivate young voters to exercise their privilege to cast a vote in free and fair elections in a free democratic country. By taking this pledge our students understood the importance of voting.

## **SUMMARY REPORT**

### **Objective :**

#### **The main objective**

Earth is one of the most exquisite planets in the universe, home to millions of kinds of biodiversity and over 7 billion people. The majority of our needs, including food and shelter, are met by our planet. We are unable to repay the earth for her compassion to us, despite the fact that she provides people with inevitable free services. Rather, by our self-centered actions, we people are cruelly treating our planet. "Earth provides enough to satisfy every man's needs, but not every man's greed," stated Mahatma Gandhi.

**Combat climate change:** This is the most pressing issue facing our planet. We need to reduce greenhouse gas emissions and invest in renewable energy sources to mitigate the worst effects of climate change.

**Protect biodiversity:** We are currently experiencing a mass extinction event, and it's our responsibility to protect the incredible variety of life on Earth. This includes preserving habitats, reducing pollution, and promoting sustainable practices.

**Ensure access to clean water and sanitation:** Millions of people around the world lack access to clean water and sanitation, which is a basic human right. We need to invest in infrastructure and technologies that can provide everyone with safe water and sanitation.

**Promote sustainable development:** We need to find ways to meet the needs of the present without compromising the ability of future generations to meet their own needs. This means finding a balance between economic development, environmental protection, and social justice.

**Foster peace and cooperation:** Conflict and war have a devastating impact on our planet and its people. We need to work towards peace and cooperation between nations and cultures. This includes promoting diplomacy, human rights, and understanding.

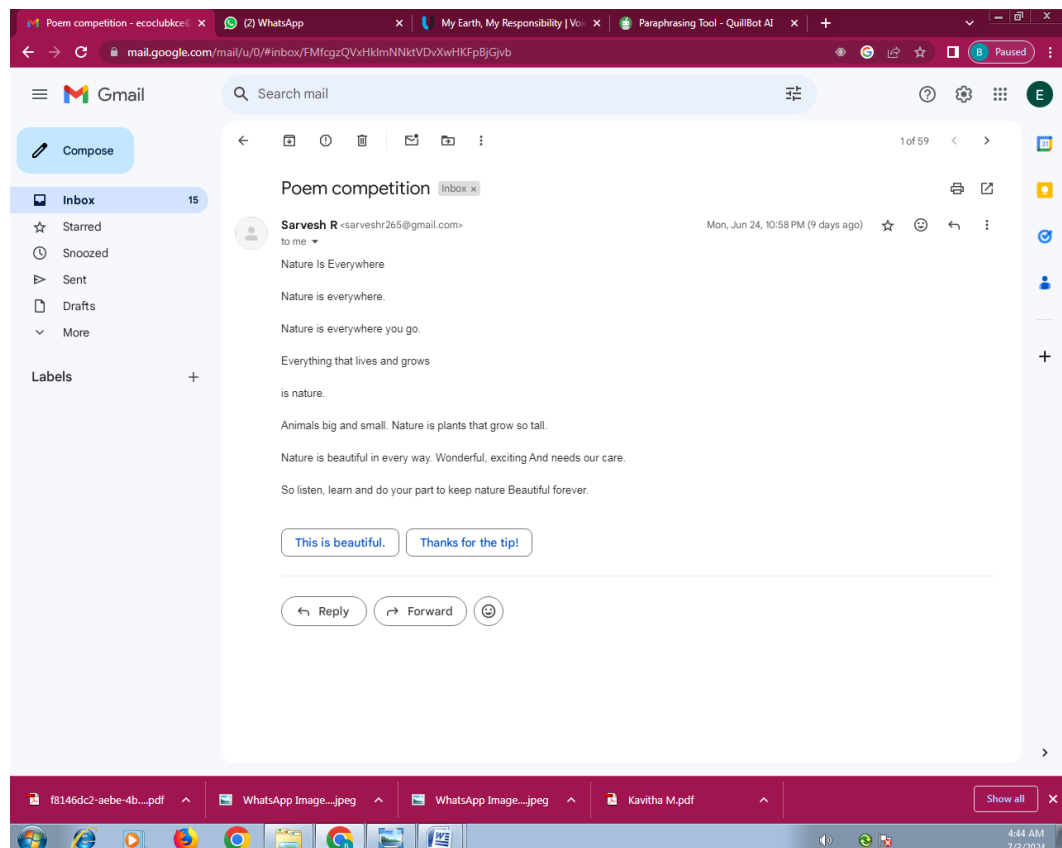

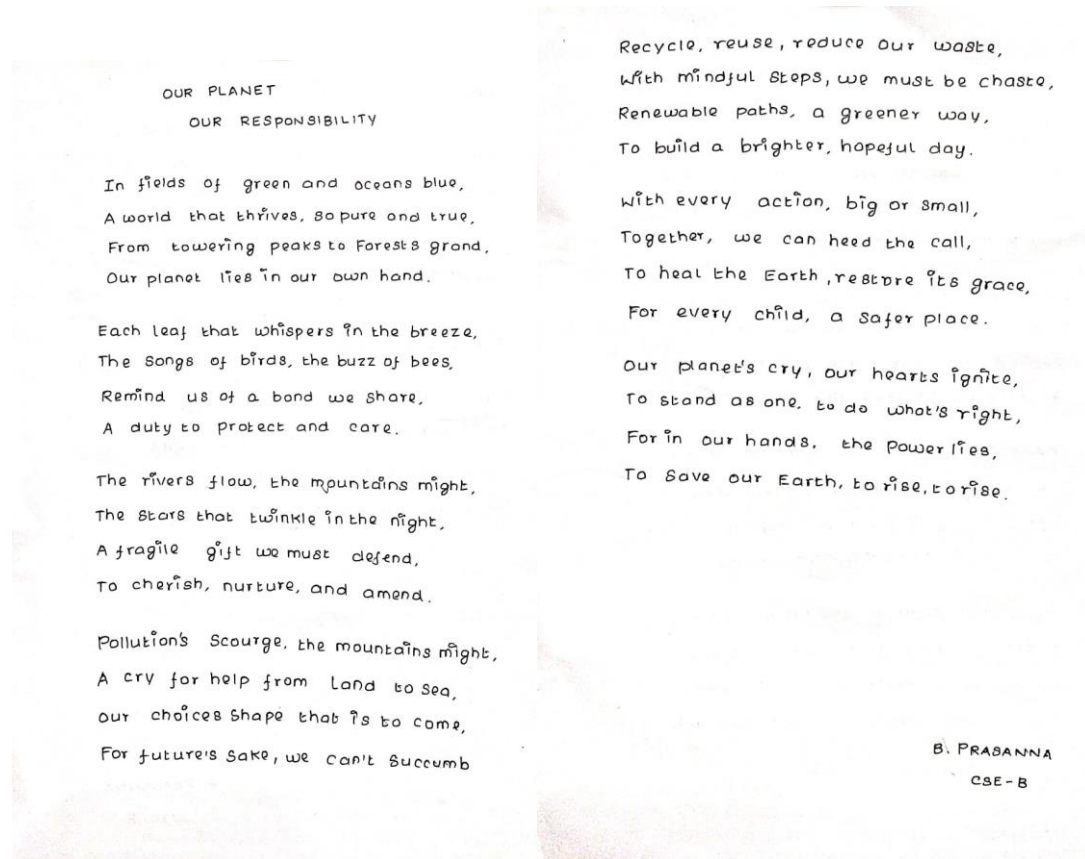

As a part of ECO Club invited all internal and external students to participate in a essay contest with the theme "**OUR PLANET, OUR RESPONSIBILITY**" from June 7 to June 14, 2024. The competition was set to run for one week. About 30 students actively participated and turned in essays that illustrated their environments. Participants' understanding of the environment and value for the environment have been ingrained by the activity. The moral precepts and values that guide human behavior would be clear to the pupils.
