Dear Prof. SURESH BABU B,

Greetings from Internshala.

You have scheduled to host the Internshala Career Talk on **'How to ace your summer internship'** for tomorrow, and we wanted to wish you all the best for your talk.

Please refer to these detailed guidelines to help you host a seamless event -

Things to keep in mind -

Please refer to this toolkit - **https://internshala.com/i/careertalk-toolkit** to help you prepare for the event. The toolkit contains everything you would need - a PowerPoint presentation, write-up, a poster, and the attendance sheet.
Make the talk interactive (ask questions to keep the students engaged).
Please make sure you click pictures or record a video of the presentation. After the event, please share the pictures/recordings with us at (university.relations@internshala.com) or on WhatsApp (+91 8929294027). This will help us process your Certificate of Appreciation and the free Internshala Training of your choice accordingly.
Post the event, ensure that your students fill the attendance form (attached with the toolkit). Only the students who fill the form will be provided with attendance certificates.
If you are planning to host the Career Talk in an offline format i.e at your college premises, we strongly recommend following all social distancing norms for everyone's safety.

Look forward to seeing a wonderful Career Talk being conducted in KINGS COLLEGE OF ENGINEERING and hoping the students have great learning packed experience.

Also, if you wish to update the date of conducting the event, please visit https://internshala.com/i/careertalk-email1 and mention the tentative date.

Feel free to reach out to me at 89292 94027 (Mon - Fri, 10:30 AM to 6:00 PM) in case you require any assistance.

Many thanks,
Muskan Wadhwa
Manager - University Relations

Career Guidance Programme

The Motivational Programme "இன்றைய இளைஞர்கள் எதிர்கொள்ளும் சவால்களும்! தீர்வுகளும்!" was organized for first year students on 05th October, 2018 by 11.30 A.M. in AV Hall. The programme started with Tamil Thai Valthu. Dr.J.Arputha Vijaya Selvi, Principal, delivered welcome address and introduced the Chief Guest Shri. K.Manickavasakam, Deputy Superintendent of Police (Retd.), Thanjavur. Dr.R.Rajendran, Secretary, KCE, honoured the guest and presented a memento. Shri. K.Manickavasakam, gave an excellent speech to the students and interacted with the students about various issues related to students' community.

In his speech, he pointed out that students' should follow a protocol to become bright in the future. The students must have good personality development, good communication skills, sincerity, honesty and discipline. In addition, acquiring leadership skills helps the students to set their goal to achieve a better position in the society. He also presented a copy of the book **"A COP WALKS DOWN MEMORY LANE...!"** authored by himself to the institution library.

The Student Induction Program (SIP)

The SIP has been formulated with specific goals to help students to:

- Become familiar with the ethos and culture of the institution (based on institutional culture and practices)
- Set a healthy daily routine, create bonding in batch as well as between faculty members and students
- Get an exposure to a holistic vision of life, develop awareness, sensitivity and understanding of the Self---family---Society---Nation---International---Entire Nature
- Facilitate them in creating new bonds with peers and seniors who accompany them through their college life and beyond
- Overcome weaknesses in some essential professional skills – only for those who need it (e.g. Mathematics, Language proficiency modules)
- Conducting many programme under SIP through Universal Human Values (UHV). The purpose is to help and develop a holistic perspective about life. A self-reflective methodology of teaching is adopted. It opens the space for the student to explore his/her role (value) in all aspects of living – as an individual, as a member of a family, as a part of the society and as a unit in nature.

REPORT

As per AICTE instruction, **Students Induction Programme** (SIP) on "**Universal Human Values**" under UHV Cell, was organized at Kings College of Engineering from 09.11.2020 to 21.11.2020. The SIP aims to bring opportunities for students to enrich the quality of the learning process by exploring in-depth knowledge in human values as well as Engineering education.

- **Inaugural Session:**

The Programme was started with an inaugural session on 09.11.2020. Dr. J. Arputha Vijaya Selvi , Principal, welcomed the dignitaries and the Students, and briefed on the infrastructural excellence and the college's philanthropic focus towards the meritorious. While addressing, she appealed **the students to be punctual, smart in all aspects, and studious and strenuous to upgrade the quality of learning**. The Inaugural address was given by Smt. Sharmila Rajaa, Chairperson, who expected the young learners **to be an ever-ready proactive performer in order to meet out the myriad perspectives of learning and earning enviable recognitions through world class achievements**.

While felicitating the first year students, Dr. R. Rajendran, Secretary, insisted to **utilize the opportunities at their disposal and be competent to face the challenges ahead**. Finally, Dr. S. Sivakumar Vice Principal effusively thanked the gathering of students and parents with inspiring messages that could be conducive for the young learners. About 176 students got hooked up to this programme through Kings College of Engineering - Youtube Link.

Sessions

- **Day- 1 (10/11/2020) FN Session:**

Prof. Dr.S.Sivakumar, Vice Principal, Kings College of Engineering delivered lecture on **"Basic concepts of Value Education and Self Exploration about Natural Acceptance"**. He pointed out that knowledge acquisition is very essential for students to meet out future needs of the competitive world. He dilated more on building self esteem among the odds.

The student participants were kept abreast of all the required standards of being an exemplary to good values of life. He emphasized on the needed moralities, an inevitable prerequisite for attaining the excellence in education and riveted his ideas on "**the purpose of learning is not alone earning money but exhibiting true colors that reciprocate goodness in the long run.**"

- **Day-2 (11/11/2020) FN Session:**

Dr. M. R. Vanithamani , Professor and Director, Dept. of Management studies, Karpagam College of Engineering (Autonomous), Coimbatore delivered Lecture on **"Successful life vs Etiquette and Manners".** She brought out excellent information on how to improve Etiquette and Manners that enhance the quality of one's personal life.

She solidly focused on one key area of "**bringing out the best, by being the best**". She had not forgotten to make clear to the student about the joint living patterns that helped the members to live life thoroughly by learning and adapting to the values and the different aspects of traditional practices as a way of life. "**The excessive dependency of social media leads for social evils**", was rightly quoted by her. The Students who were attending the programme were intermittently exposed to queries on leading life successfully by dint of maintaining good manners.

➲ **Day-3 (12/11/2020) FN Session:**

Dr. N. Govindaraj, Chairman, PRIME Group of Institutions delivered a Lecture on **"Success"**. He highlighted the scope of Engineering studies and job opportunities prevalent in the respective domain. Motivating the students with the life histories of successful people, he instigated the young learners to be solid on their dreams of becoming successful in their field of interest.

He made very clear that "**Success is sweet, and achieving it requires hard work**". He mentioned "**the secret of success is sweat**" and demanded everyone to pursue with perseverance for materializing what one aimed and desired for. He also insisted that following the foot prints of the real heroes, who had made their way out of difficulties to see the light at the end of tunnel, would help the budding youngsters to reach greater heights in life and etch an identity in the world.

➲ **Day-4 (16/11/2020) FN Session:**

Dr. S. Francis Annuncia, Motivational speaker, Thanjavur delivered a lively talk on **"Understanding happiness and prosperity- Current Scenario"**. She discussed the need for guidance and counseling in modern time that augments the multiplicity of problems at every turn of one's life.

She addressed that "**every individual is entrusted by the almighty with a life full of questions to be solved honestly, carefully, and confidently**". Quoting that "**happiness is the best makeup of all and everyone born in the world is unique and making comparison with others is unfair and this will lead to a great fall**", she wanted to live happily as ever possible as all are gifted with the unique blessings.

➲ **Day-5 (17/11/2020) FN Session:**

Dr.S.Chandrasekar, Buisness Director, Ener Engineering (PVT) Ltd, Chennai, delivered a lecture on **"Self Confidence"**. In his deliberations, he made out how to perform with self confidence and brought out live examples of many of the achievers in the world.

Referring to "**Self confidence is the first step to success",** he insisted everyone to incorporate sincerity in daily walks of life. "**This**", he said, "**will help one to move around the world with confidence and face the challenges ahead successfully**". "**Believing in one self is very much predominant attributes one can show to attain the best**", he made it while reiterating the student learners to be more stoic with their aims.

➲ **Day -6 (18/11/2020) FN Session:**

Ln.Kishore Srinivasan, Life Coach, All India Radio, Chennai, shared his views on steering one's life to enviable heights by **"Welcoming the Future"** in the right way. He inspired everyone through his swift glib and with valuable information, strewn across his speech, as to moral and ethical values for the bright future.

He remained so focused on the importance of "**building confidence before getting out on a task**". He touched the right chord by hinting that "**every turn of life is so intriguing and teaching a lesson to march ahead with confidence by deriving solutions to sideline the blockades that hamper the progression of us.**"

He evoked the spirit of courage that protects and helps one to shed fear of facing the people and exposing to new arena. He quipped at "**those who are lacking with the adequate enthusiasm and vigor to compete with others are irrevocable failures in life.**"

➲ **Day-7 (19/11/2020) FN Session:**

Dr. A. Balaji Ganesh, Dean Research, Velammal Engineering College, Chennai, elucidated on **"Understanding the difference between intention and competence"** with chiseled words of choice. He guided the students on enhancing the competence skill sets for their better establishment in future. In the middle of presentation, he had also found time for the students to develop novel projects during their studies, saying that it would perhaps be the best visiting card to get better employment opportunity.

"**People are tend to make mistakes but they should be vigilant enough to ward off before it is allowed to define us who we are**", he stoically held. "**The physical attributes are evanescent where as the mental attributes add happiness to our life. There is no boundary to our greed, but it leads for miserable way of life**. But **living upto what exists with us determines the perennial happiness**", he asserted. He also mentioned, "**learning is a pleasure when the learner is ready to learn from everything.**"

➲ **Day-8 (20/11/2020) FN Session:**

Dt. Uma Maheshwari P.S, Clinical Nutritionist, Happy Living Online Diet Clinic Vietnam, articulated greatly on **"Balanced Diet – DIY!"** with a neat sketch of perfect diet pattern to have lead life healthy. She pointed out the importance of balanced diet and distended a food chart for all age group of people.

She differentiated the proteins with low biological value and high biological value, and advised to use the unrefined oils and sugar for cooking to have a healthy diet. She maintained that "**healthy diet paves way for education excellence, since it helps the youngsters to keep themselves healthy and agile for long time." "Balanced diet ensures for a balance in life**", she commented at the end.

➲ **Day-9 (21/11/2020) FN Session:**

Ms.Vaishnavi Nagapandian (Alumini), Senior Programme Consultant, International Recruitment PSB Academy, Singapore. As an alumini of Kings, she has motivated the students through her personal experience at Kings. While she was studying here, she had an edge over others at everything she took part. She demanded the same from every young engineers who pursue engineering with passion. "**Engineering**", she maintained her thought, "**will certainly address to the dreams of young achievers and will lead for greater challenges by offering perfect solutions to all of it. And that makes engineers more responsible member in society that requires comfortable living standard.**"

She also insisted on **the importance of communication to inspiringly face the heterogeneous society in global arena**. She ended up her speech with a short account of advice for the young learners to take on the lead role, the challenges, and the tolerance to emerge notably.

➲ **Day-9 (21/11/2020) AN Session:**

Mr.B.Sureshbabu, AP/T&P, KCE, had delivered on **"Ethical Human Conduct and Competence in Professional Ethics".** He explained the importance of ethical values of human, the importance of traditional practices of our ancestors and how effective it is to be felt by the young generations of.today. He assured **good conduct will help people to have amicable journey in life.**

Evolving on **"Ethical competence is a key distinguisher between simply having skills and having a true sense of professionalism",** he incorporated, "**Morals are the pre-defined welfare principles that people believe what is right and what is wrong. Eg., Corruption, Crime. Values are the set of rules that are internal to a person, unconsciously acquires through his personal experiences promoting well-being."** Finally, he requested the young learners to be a responsible citizen disseminating goodness.

Earlier, The entire sessions of Orientation Programme was organized well by UHV coordinator, **Dr.S.Udayakumar**, AP / Chemistry, and SIP Coordinator **Dr.V.Sureshkumar**, HoD / S & H. "ALUMNI TALK ON CONCRETE 3D PRINTING" ON 10.06.2021

REPORT

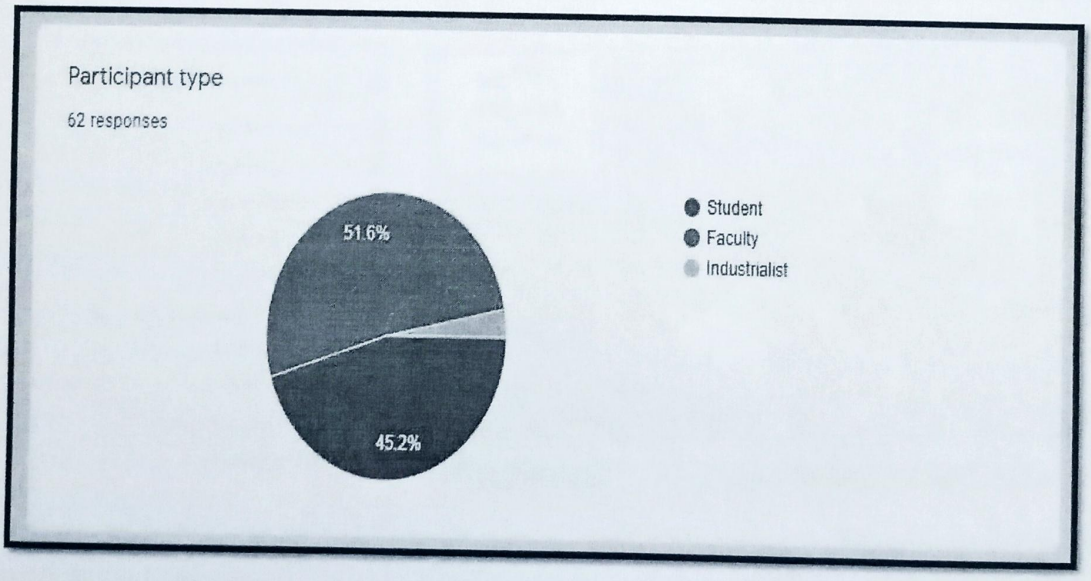
BACKGROUND & OBJECTIVE

Department of Civil Engineering and Research & Development cell of Kings College of Engineering organized an Alumni Talk on **"CONCRETE 3D PRINTING"** on 10.06.2021. As a Civil Engineer, it is essential to be well versed with advanced technologies related to concrete. This alumni talk provides a platform for the UG/PG students and Industrialists to enhance themselves in concrete 3D printing. Ms.T.Bhuvaneswari, AP/civil and Mr.K.Arun, AP/civil were the organizers of the Alumni Talk.

INAUGURAL SESSION

The Alumni talk commenced online at 10:00 AM and was live streamed through our college YouTube channel. Mr.K.Arun, AP/Civil, hosted the event. He delivered the welcome address. Ms.T.Bhuvaneswari, AP/civil also introduced about the resource person, who is our renowned Alumni of 2014-18 Batch, **Mr.M.P.Salaimanimagudam,** Proprietor, Magudam group of research, Thanjavur. She elaborated the qualification and work experience of the resource person. She also detailed about the conference, journal publications and memberships held by the resource person. Around 62 participants from various Educational institutions and Industries eagerly participated in the online Alumni talk.



WORKSHOP SESSION

The resource person explained the concepts of concrete 3D printing, in an elaborate manner. In addition he presented the process of 3D printing and its scope in future. He also highlighted the practical examples which were very well understood by the participants.

SUMMARY REPORT – Orientation Program

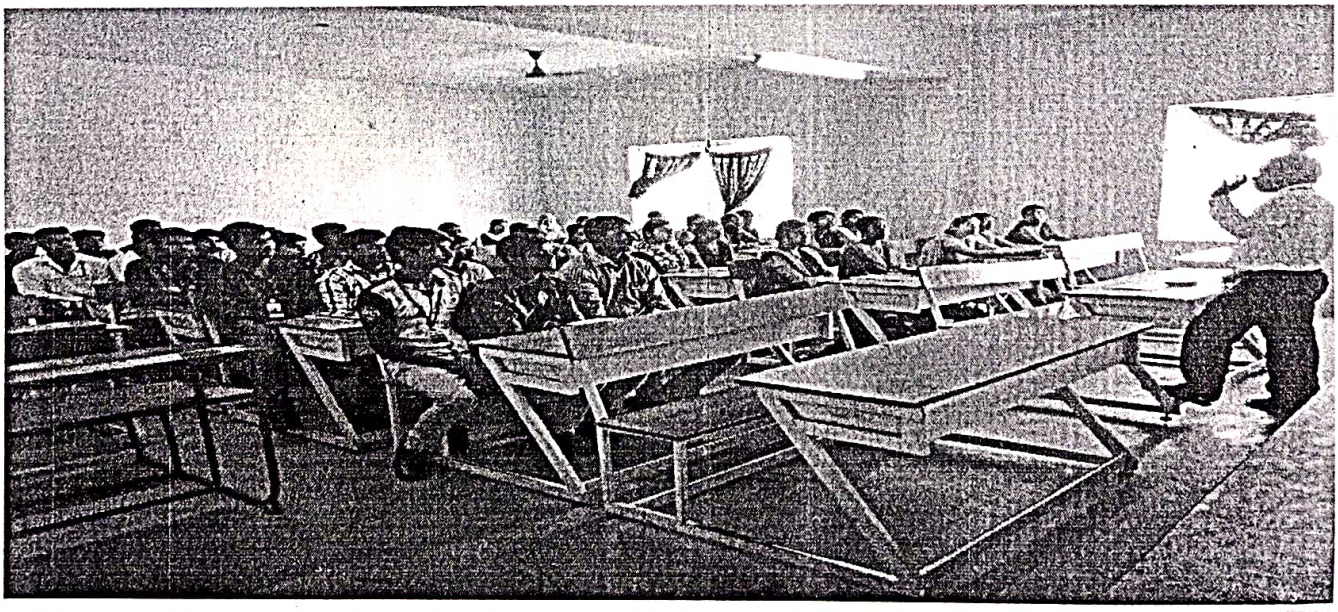
Orientation program for this Academic Year (2018-19) for II Year (Batch: 2017 – 2021) was organized by CSE department on 02.07.18. The first session dealt with the academic aspects of the course and provided information about teaching learning practices followed by the department. The second session briefed about the PG course details which will be taken after completing their UG course. Two Internal faculty members were delivered their views to the students.

Ms.K.Abhirami (IQAC Head) delivered Teaching Learning Practices followed by CSE Department.

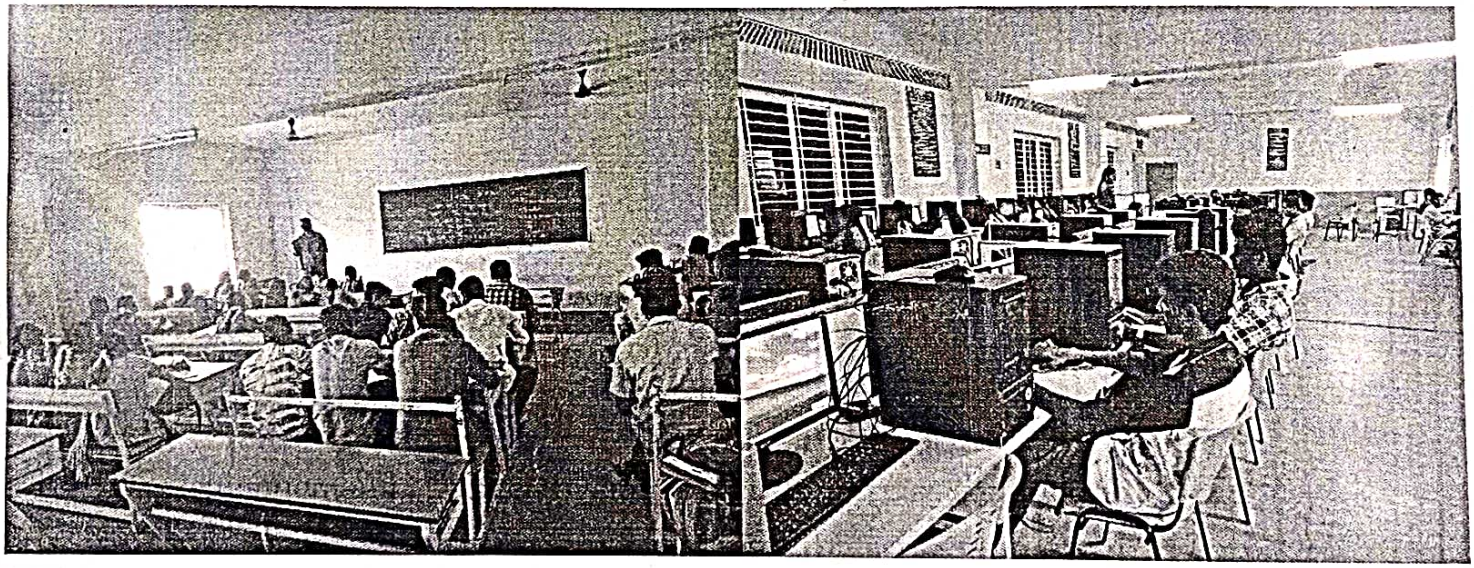


Mr.S.Rajarajan AP / CSE had given the exposure about PG programmes

SUMMARY REPORT – Introductory Class

To enrich the knowledge of the students and make them to strong in technical skill, Introductory class is used. The main objective of this class is to provide a platform to the students to understand their academic subjects.

Web services and its relevant programs are essential in this moment. HTML is the basic Markup language which is used to develop web service program. To meet up the current requirements the third year students had an experience in "An Introduction to HTML Tags" which was handled by Ms.G.Chandraprabha AP / CSE. In the first session, basic concepts and syntax of HTML was explained and followed by hands on training was conducted.



Ms.G.Chandraprabha AP/ CSE explained various tags used in HTML language and the students were executed the tags

COURSE OUTCOME

Upon completion of this class, students should be able to:

- Understand the basic concepts behind web page creation
- Do their lab classes in an effective manner.
- May use the concepts to create layout for department activities

Career Guidance Program

To provide adequate knowledge about post measures after the graduation, a career guidance event was organized by Department of Mechanical Engineering, Kings College of Engineering, Punalkulam. The main focus of the event was Final Year students of Mechanical Engineering. There are 68 Students in Final Year A and B of Mechanical Engineering. The event was intimated to the beneficiaries through circular and WhatsApp. The event was conducted through virtual mode (Google Meet: https://meet.google.com/cea-jbhv-iok) at 01.30 PM on 08/04/2021. Mr. S. Sabanayagam, AP/Mechanical presented the career guidance and the opportunities available in the society along with possible ways that a Mechanical Engineering graduate will have in their hand. Totally 63 students were attended the event by virtual mode.

After the session, Feedback was obtained from the beneficiaries by Google form and the responses along with event screenshots were provided below for the reference.

Report on Career Guidance 2020

Name of the Session: Career Guidance Program 2020

Date: 24/09/2020

Time: 02.30 PM to 03.30 PM

To provide adequate knowledge about Career after graduation and to impart analytical and technical skills, Career Guidance has been given to the Final Year students through Virtual mode (Google Meet). Totally 68 Students participated the program and gained knowledge about the opportunities available in and around the world and how to obtain the placements, Entrepreneurship and Higher Studies initiatives.

During the Session, the points discussed are,

1. Higher Study Initiatives,
2. Entrepreneurship
3. Competitive Exams
4. Industrial Practices.

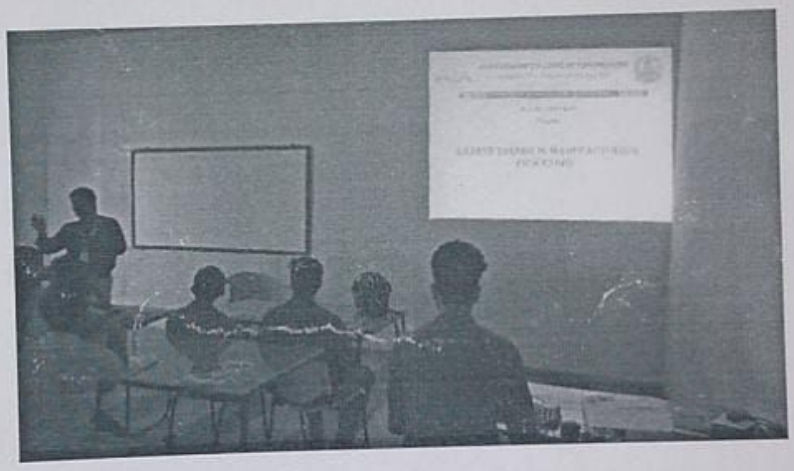
REPORT

In our Department of Mechanical Engineering, under the Indian Society of Mechanical Engineers (ISME), a Guest Lecture conducted on recent trends in Manufacturing Process by Dr.S.Siva Sankar Professor & Head, Government College of Engineering, on 28/01/2019 in our college. This resource person explained about the recent trends in Manufacturing and its applications. This Guest Lecture was useful to our mechanical engineering II year students. In this event totally 68 students participated.



Lecture by Dr.S.Sivasankar to the ISME students of mechanical.
