REPORT ON PONGAL CELEBRATION 2019

VENUE: MAIN BLOCK

DATE: 12.01.2019

Pongal is the only festival of Hindu that follows a solar calendar. People worship god sun, earth and cattle who plays major role in good harvesting and growth of rice paddy. People offer them rice and celebrate pongal with all rituals. People prepare sweet dish on the first day of the festival called 'pongal'.

Students, faculty and officials turned cooks at colleges and offices as they lit fire and cooked pongal to usher in the harvest festival. They went dressed in dhoti and saree that completed the festive mood by creating the traditional atmosphere.

Fine Arts Association organized Pongal celebrations at our campus. A release said that the college secretary Dr.R.Rajendran led the celebrations. Members of college management, faculty and students participated in traditional dress in the celebrations, where pongal was cooked.

Secretary, Vice Principal, Heads of various disciplines were present on the stage. The day began on a very auspicious note with the invocation of god's blessing.

The students danced karagattam and performed tug of war. They showcased their skills in silambam. The fine arts association had organised pot-breaking for students and staff members. Around 40 persons participated in the event.
