**WELCOME TO KINGS,**  
WHERE YOU WILL BE CROWNED AS THE KING OF KNOWLEDGE.

Kings College of Engineering (KCE), a NAAC accredited and ISO certified institution, was established in the year 2001 by Raj Educational Trust (RET), Chennai. Our Institution was formed with the single aim of providing quality education to the poor and under-privileged students of this region. Our steps are measured and taken with our goal in mind, which is to become a renowned institution where knowledge is a way of life. We, at Kings value the gifts of Knowledge but do not put a price tag on it. We remain strong in our policy of "No Donation and No Capitation" and have focused in admitting students strictly on the basis of merit. Situated on the Thanjavur - Pudukkottai Highway, the KCE campus spreads over 50 acres in a beautiful serene atmosphere ideally suited for technical education.

The infrastructure and other facilities available on campus are amongst the very best which has made it as one of the most sought after college in this region. From classrooms to laboratories, library to auditoriums, hostels to cafeteria, everything is state-of-art. The ultra-modern computer labs with latest software and hardware make it a learning haven for IT enthusiasts. Teaching rooms and work areas are well furnished and equipped with modern, up-to-date facilities to ensure that you study and work in a high quality learning environment. The college has been issued with the ISO 9001:2008 certification by the world renowned TÜV (Rheinland) for its innovative and inspiring teaching methods and infrastructure development. All the staff members at the college are highly committed to ensure that, students receive the highest quality of education and that everyone who studies in the college has a satisfying and rewarding learning experiences.

We also ensure that students develop skills in analytical, problem solving, communication, presentation and negotiation, which employers value the most. Adequate training by renowned placement agencies are also being arranged to make a useful contribution in students' chosen career. We look forward to welcome you to our college and wish you all success in the course of your choice.
