POST WEBINAR REPORT

The webinar organized by department of Electrical and Electronics Engineering on "Motivational Talk" on 15.09.2020 for third and final EEE students. The session started with silent prayer and then the session continued with the welcoming address and introduction of resource person given by Mr.C.John Selvaraj AP/EEE.

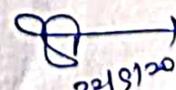

Resource person interact with students about their career

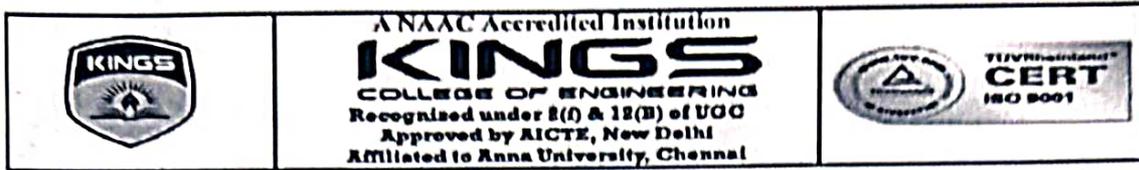

Er.M.Veeramani (Resource person) motivated the students about the various career opportunities and the way of preparing for the same. In his webinar he pointed out and focused many of the achiever like Dr.A.P.J.Abdulkalam and Scientist Albert Einstien. He mentioned some of their quotes like "Imagination is more important than knowledge. Knowledge is limited. Imagination encircles the world." He talked about the incident that happened in Dr.A.P.J.Abdulkalam life - A monk changed his life after his greatest failure with this quote "Defeat the defeatist tendency". Then he motivated the students to try for various government jobs through GATE.

REPORT

2010 Reunion of EEE Students

On

18/01/2020

Prepared by

**Mr.P.Raja Pirian, Vice President, Alumni Association
C.John Selvaraj, Alumni Coordinator, EEE**

**ALUMNI ASSOCIATION
ACADEMIC YEAR 2019 - 2020 (EVEN SEMESTER)**

REPORT

23/01/2020

Alumni reunion was organized by (2006- 2010) batch alumni of Electrical and Electronics Engineering on 18/01/2020 at Chera hall of our KINGS premises.

The (2006-10) EEE Batch had 60 students. After their Graduation, they had a vision to meet all the batch mates in kings after 10 years. Based on this vision they arranged this meet Reunion EEE 2006 - 10.

Nearly 40 alumnae participated with their families in this reunion. 50 students got married. All are settled in good position, except few alumni, all the others are working in Singapore, Malaysia, German, China and other Gulf countries.

The reunion began at 9.00 AM. All the alumnae were invited with an introduction about them and also asked to share their feelings while entering the college after 10 Years. They showed their happiness and their feelings. It was a wonderful event. They felt very happy.

*Chief guest Address by Mrs. Sharmila Rajaa,
Chairperson KCE*

*Honoring the Chief Guest with shall and
memento by Ms.Ramya*

The formal registration process was done by the registration committee Members, then the Reunion began with Tamilthal vazthu at 10.30 a.m. Mr.K.Santhosh kumar, welcomed the dignitaries, alumni and their family by welcome address.

The meeting was inaugurated with the lighting of kuthu vizhakku by the dignitaries and alumni. Ms.K.Ramya, honoured the chief Guest Mrs. Sharmila Rajaa, Chairperson KCE by memento.

Honoring the Secretary with shall and memento by Mr.Balamurugan

Honoring the Vice Principal with shall and memento by Mr.Stephan

Honoring the HoD/EEE with shall and memento by Alumni Ramanathan

Honoring the Vice President, Alumni Association with shall and memento by Vijayaragavan

Mrs. Sharmila Rajaa, Chairperson, Kings College of Engineering, delivered the chief guest address. In her address, she appreciated all the alumni and also appreciated the efforts taken by them for this reunion at KINGS.

Dr.R.Rajedaran, Secretary, Kings College of engineering, delivered the special address. In his address he narrated his sweet memories from his teaching profession. He also appreciate the efforts taken by the alumni for this grand gathering.

Dr.S.Sivakumar, Vice Principal, Kings College of engineering, shared the importance of Reunion, and wished all the alumni in his felicitation address.

Dr.A.Albert Martin Ruban, HOD/EEE, Kings College of engineering, delivered the felicitation address. In his address he suggested the alumni to give their contribution towards placement.

Mr.P.Raja Pirian, Vice President Alumni Association, discussed the activities of alumni association and also invited the alumni to show more involvement towards the welfare of the students.

Special Address by Dr.R.Rajendran, Secretary, KCE

Felicitations Address by Dr.S.Sivakumar, Vice Principal, KCE.

Felicitations Address by Dr.A.Albert Martin Ruban, HOD/EEE, KCE.

Address by Mr.P.Raja Pirian, Vice President, Alumni Association

After that they paid tributes to the alumni Mr.Anbarasan, who attained the lotus feet of the almighty.

The inaugural session ended with tea break. The tea time was also a great time for them, because they utilized the time with sharing the memories among them.

The next session started with sharing sweet memories, Alumni shared their sweet memories, they recalled a lot with enthusiastic manner. They also share their efforts and hard work to achieve the current position.

Sharing the sweet memories by Vijayaragavan

Sharing the sweet memories by Praveen

Sharing the sweet memories by Shobana

Sharing the sweet memories by Ramya

Dignitaries & Participants

The morning session ended with a good lunch. They introduced their family members with their classmates and felt very happy.

The afternoon session continued with sharing of sweet memories. After that, group photo session was arranged. In the mean time a lucky draw was organized by them, the winners received the prizes by Vice Principal and other staff members.

Sharing the Experience with Alumni BY
Mr.J.Aroklaraj AP/ECE

Dignitaries & Participants

Distributing memento to Araiayavendhan

Distributing memento to Santosh kumar

After that past memories were shared by the staff members, they recalled how they handled them in their study periods, and it was also a happy moment to be heard from them.

Mr.Balamurugan one of the organizing members delivered the vote of thanks. They thanked the management, Principal, Vice principal, HoD's and all the staff members for making this reunion a grand success.

It was the happiest day for them and also planned to arrange this reunion after 5 Years.

The Alumni persons are Er. M. Mohammed Riyash, Assistant Engineer-M.R.T,TNEB, Thanjavur. All the students are requested to attend the program.

Head of the Department

REPORT

The M.R.T (Meter Relay Testing) Engineer Mr.M.Mohamad Riyash addressed the students of second year and third year EEE on 13.02.19 at Dr.Babu ENT Clinic then introduced about the solar power plant. He explained all parameters and specifications of solar panel as below:

Details Solar Power Plant:

Total Capacity: 15kwp

Units : 3

Each unit : 5kwp (20 panels)

Single Panel : 255W

Type : On-Grid (No Storage)

Panel Name : Renesola Jiangsu Ltd

Made : China

Model application: Class A

During this session, students interacted regarding installing procedure of PV Panels, maintenance required for PV Panels and meter relay testing. In addition with, they were also explained about the various schemes of government subsidy and tariff provided by the state & central government.

POST SEMINAR REPORT

The seminar organized by department of Electrical and Electronics Engineering on "Electrical System on Commercial Building" on 20.09.2017. The session started with silent prayer and then the session continued with the welcoming address and introduction of resource person given by Mr.R.Sundaramoorthi AP/EEE.

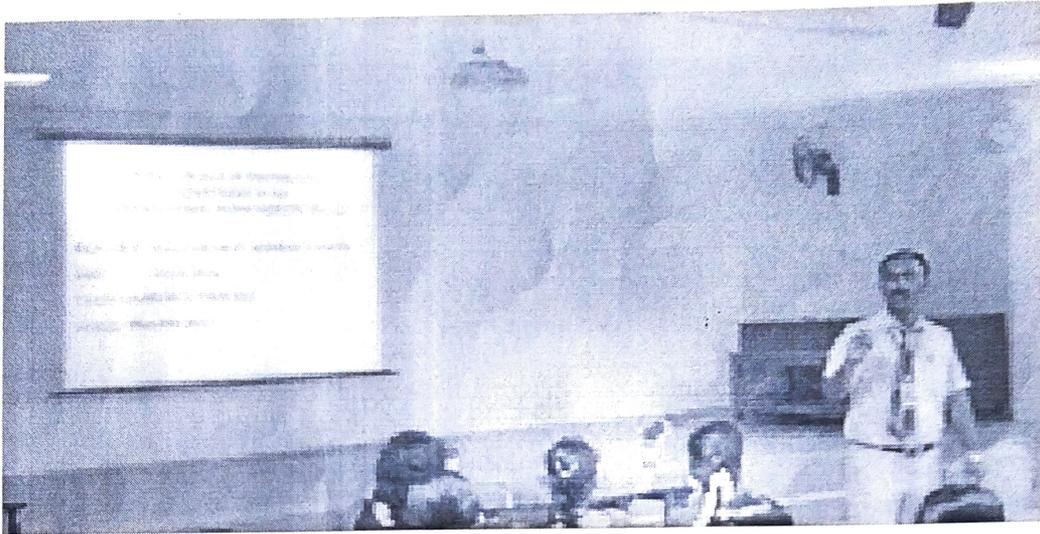

Welcome Address & Introduction of Resource Person

Presentation given by Resource Person

The resource person delivered the lecture regarding design of electrical system in buildings and factories. In his lecture he taught that about specifications of wires, cables, circuit breaker etc. In addition to that he discussed about various types and content of distribution boxes. And also he taught about capacity calculation of overall buildings. Finally he discussed about one case study faced by his company.

Vote of Thanks

26 students of final EEE were present in the seminar out of 27, from that 20 student's code excellent in feedback sheet and 6 students mark good. Finally, vote of thanks was delivered by Ms.S.R.Karthikeyan, AP/EEE.

ALUMNI ACTIVITY

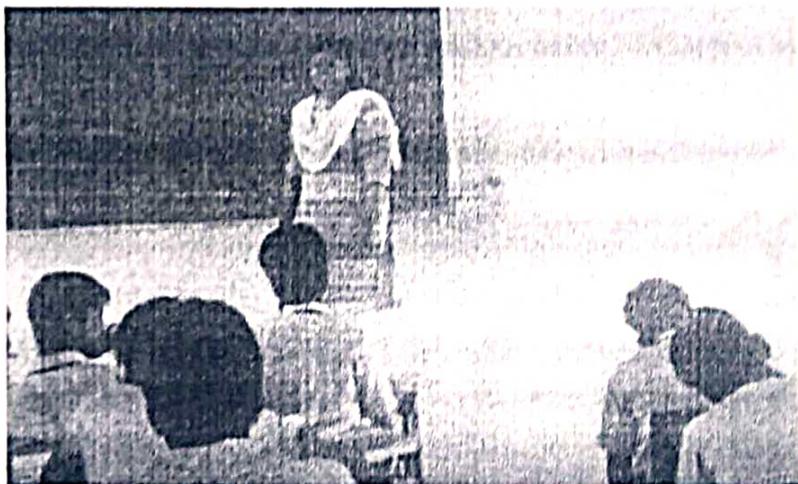

On 06.08.2016, department of EEE conduct program on "Awareness about Higher Studies" by our alumni Ms.U.G.Lydia

OBJECTIVE:

The main objective of the program is to create awareness and exposure about higher studies among the students through our college alumni.

RESOURCE PERSON:

The resource person of this program was Ms.U.G.Lydia studying M.B.A at SASTRA University, Thanjavur. She is our college alumni (2016 passed out).

In this class she discussed about higher studies and competitive exams like GATE, TANCET, CAT, MAT etc. In addition to that she was also discussed about management studies, importance and various branches available in M.B.A. The session was very interactive and more informative.

She also shared her college days experience regarding preparation of competitive exams and participation of various events. She motivated the students towards participate in more events like paper presentation in symposium and conference, project competitions etc.
