### 7.1.7 POLICY TOWARDS THE DISABLED

#### **Institute Policy towards the disabled people**

- A) Physical infrastructure including building, furniture, facilities, and services in the building/campus are barrier free.
- B) No person shall be discriminated on the ground of disability.
- C) Right to equality and right to confidentiality of information are protected.
- D) Appropriate tools are provided to sort out their problems in learning.

Kings College of Engineering (KCE) was established in the year 2001 by Raj Educational Trust (RET), Chennai, with the singular aim of providing quality education to the poor and under-privileged students of this region. Situated on the Thanjavur - Pudukottai Highway, spans over 50 acres in a beautiful, serene atmosphere is ideally suited for technical education. KCE is approved by All India Council for Technical Education, New Delhi, affiliated to Anna University, Chennai and is a NAAC Accredited institution, which took upon itself the responsibility of enriching the society through promotion of technical education, literature and culture. The premier status of the institution is made possible by sticking to our core principles of student focus, Human resource development and emphasis on total quality.

The institute's humanitarian policy, balances professional as well as ethical values by setting secured and friendly environment to the differently abled individuals, conveying that people with disabilities are not objects of charity but have the same rights and dignity like any other individuals.

It is proactive, in providing equal opportunities to the disabled, for both access and accommodation at the institute. It sets an environment that the disabled persons feel the right to equal access to education, freedom from torture and the right to live with peers in the academic community.
