LETTER OF ASSOCIATION

To,
The Principal,
Kings College of Engineering
Thanjavur-613303

Date - 05/01/2021

We are happy to announce the ASSOCIATION of Knowledge Partner Spoken Tutorial Program, IIT Bombay with Kings College of Engineering, Thanjavur. Your College is officially now an **Academic Center** for initiating Spoken Tutorial Training. The Program is a part of the National Mission on Education through ICT, MHRD, Govt. of India, to spread IT Literacy all over India. We are promoting the learning and usage of Free & Open Source Software (FOSS), through an Audio-Video teaching tool, viz, 'Spoken Tutorial'.

We support and motivate colleges to train students on Basic Computer Skills, Software and IT. The course and the training is offered for Rs. 25,000 per year to all the Colleges.

You are making an outstanding contribution of using ICT based teaching and learning methodology for students of your College.

Yours Sincerely,

For and On behalf of
Spoken Tutorials,
Indian Institute of Technology Bombay

Shyama Iyer.

To,
The Principal,
Kings College Of Engineering
Pudukottai - 613 303.
Tamil Nadu.

Date – 13/5/2019

We are happy to announce the ASSOCIATION of Knowledge Partner Spoken Tutorial Program, IIT Bombay with **Kings College Of Engineering, Pudukottai**. The Program is a part of the National Mission on Education through ICT, MHRD, Govt. of India, to spread IT Literacy all over India. We are promoting the learning and usage of Free & Open Source Software (FOSS), through an Audio-Video teaching tool, viz, 'Spoken Tutorial'.

We support and motivate colleges to train students on Basic Computer Skills, Software and IT. The course and the training is offered for Rs. 25,000 per year to all the Colleges.

You are making an outstanding contribution of using ICT based teaching and learning methodology for students of your College.

Yours Sincerely,

Shyama Iyer

Dear Sir,

Kings College of Engineering (KCE) is an institution which was formed with the single aim of providing quality education to the poor and underprivileged students. KCE is an NAAC accredited institution approved by All India Council of Technical Education, New Delhi (AICTE) and is affiliated to Anna University, Chennai. The institution was established in the year 2001 on a sprawling campus of around 48 acres on the Thanjavur-Pudukkottai Highway and run by Raj Educational Trust (RET). The institution offers five U.G and four P.G programmes and certified with ISO 9001:2008. The state of the art teaching methodologies are used to impart high quality education to the students including e-learning.

Vision

To impart Globally Competitive Technical Education, enhance Human Values and to provide a Research Atmosphere to the socially challenged Aspirants.

Mission

Providing a Comprehensive Theoretical foundation, inculcating state of the art engineering practices and cutting edge research ambience that leads to societal upliftment with ethical values through effective teaching-learning methodologies and appropriate information communication tools via dedicated faculty to the aspirants.

We would like to involve your esteemed organization to be a part of student's skill development by:

- Permitting our students for industrial visit.
- Providing training to students during semester holidays.
- Permitting our students to do final year project work and give the necessary technical assistance and guidance.
- Arranging presentations / workshops / seminars / training programmes / practical demonstrations etc.
- Permitting our faculty members to visit and update their knowledge.

Thanking you and expecting your sincere cooperation in this regard for the benefit of the student fraternity.

Memorandum of Understanding (MoU)

This Memorandum of Understanding has been signed on this day of 01.06.2016 between Armada Industrial Automation represented by Managing Director with its office at Hig 47, New Housing Unit, Thanjavur-5 (hereafter referred to as AIA).

Kings College of Engineering represented by its Principal, having its office in Punalkulam, Near Thanjavur, Pudukkottai District, Tamilnadu (hereafter referred to as KCE).

The two parties hereby mutually agree and place their signature on this document with their full understanding to extend their mutually beneficial support for a period of five years.

With a view to enhance the capacity and capability of the students, KCE is looking for avenues where our students can get hands on training in corporate.

As part of terms of reference would like AIA

1. To permit students for Industrial visit.
2. To provide training to students during semester holidays.
3. To permit students to do final year project work and give necessary technical assistance and guidance.
4. To provide KCE with a training module this can be used by KCE to make their students employable in AIA.
5. To visit KCE at the beginning of odd semester and measure or compare whether the skill sets possessed by KCE students conforms to/match the nature of skills required by the job at AIA.
6. To arrange presentations/workshops/seminars/training programmes/practical Demonstrations etc either at AIA's premise or at KCE's premises (or both) to facilitate KCE students to acquire skills required for employment at AIA
7. To visit KCE premises for campus recruitment and provide opportunity for KCE students for employment in AIA.
8. To provide any other mode of industrial exposure to students as AIA deems it desirable & convenient.

To The Manager, Pantech ProEd Pvt Ltd, 4th Cross, Thillainagar, Trichy-620018 Sir,	
We would like to introduce ourselves as one of the leading Engineering Colleges in Tamil Nadu situated at Punalkulam near Thanjavur. Our institution was established in the year 2001 by Raj Educational Trust. Our mission is to produce competitive engineers with all round personality. We offer Bachelor of Engineering courses in Civil, Mechanical, Electrical and Electronics, Electronics and Communication, Computer Science Engineering and Information Technology. Five numbers of Post Graduate Courses are also being conducted in our college. We serve the rural people of Pudukkottai, Thanjavur and Thiruvavur districts by providing them state of the art facilities at an affordable cost and we feel proud by our policy of "No Donation and No Capitation fees". To encourage and bring completion among students' academic performance we take the toppers to a weeklong "Foreign Industrial Visit". The students, who fetched University Rankings, are awarded with generous cash prizes up to Rs. One Lakh. As our EEE department of Kings College of Engineering is willing to establish a Memorandum of Understanding with your concern for the mutual benefit of us, we are interested to be in touch with you in this regard. MoU form is enclosed herewith. Thanking you and expecting your sincere cooperation in this regard for the benefit of the students.

Memorandum of Understanding (MoU)

This Memorandum of Understanding has been signed on this day of 01.06.2016 between Armada Industrial Automation represented by Managing Director with its office at Hig 47, New Housing Unit, Thanjavur-5 (hereafter referred to as AIA).

Kings College of Engineering represented by its Principal, having its office in Punalkulam, Near Thanjavur, Pudukkottai District, Tamilnadu (hereafter referred to as KCE).

The two parties hereby mutually agree and place their signature on this document with their full understanding to extend their mutually beneficial support for a period of five years.

With a view to enhance the capacity and capability of the students, KCE is looking for avenues where our students can get hands on training in corporate.

As part of terms of reference would like AIA

1. To permit students for Industrial visit.
2. To provide training to students during semester holidays.
3. To permit students to do final year project work and give necessary technical assistance and guidance.
4. To provide KCE with a training module this can be used by KCE to make their students employable in AIA.
5. To visit KCE at the beginning of odd semester and measure or compare whether the skill sets possessed by KCE students conforms to/match the nature of skills required by the job at AIA.
6. To arrange presentations/workshops/seminars/training programmes/practical Demonstrations etc either at AIA's premise or at KCE's premises (or both) to facilitate KCE students to acquire skills required for employment at AIA
7. To visit KCE premises for campus recruitment and provide opportunity for KCE students for employment in AIA.
8. To provide any other mode of industrial exposure to students as AIA deems it desirable & convenient.
