PLEDGE

India is my Country. All Indians are my brothers and sisters. I love my country and I am proud of its rich and varied heritage. I shall always strive to be worthy of it.

I shall give my parents, teachers and all my elders respect and treat everyone with courtesy.

To my country and my people I pledge my devotion in their well being and prosperity alone lies my happiness.

PLEDGE BY THE TEACHERS

I shall in thought, word and deed ever endeavor to uphold the duty of my profession and I will update and impart knowledge freely and without bias.

I will certainly set an example to my wards in every way.

I will teach and treat all my wards equally. I will be impartial in discharging my duties.

I will not stand as a hindrance to the development of faculties and I will always strive for cordial relations among the students.

I will always co-operate with higher authorities and strive to secure national integration to the best of my ability.

Our Philosophy and Guiding Principles...

Our Vision

To impart globally competitive technical education, enhance human values and provide a research atmosphere to the socially challenged aspirants.

Our Mission

Providing a comprehensive theoretical foundation, inculcating state of the art engineering practices and cutting edge research ambience that leads to societal upliftment with ethical values through effective teaching – learning methodologies and appropriate information communication tools via dedicated faculty to the aspirants.

Quality Policy

We are committed to provide top quality education at the prescribed costs and impart ethical values to the students of this region using modern and innovative teaching methods combined with experienced faculties. We shall truly strive to make the students socially responsible and contribute to the rapid growth of our country.

Our Motto–Seek, Strive, Succeed.

SEEK, STRIVE, and SUCCEED ... the motto of KCE, follows the path shown by our great kings in continuing our tradition of engineering excellence. KCE with its high aims, planned approach, highly skilled staff and state of the art infrastructure is the hub for students with goals set to shape up their careers.

ABOUTTHEMANAGEMENT

Kings College of Engineering is run by Raj Educational Trust (RET), Chennai, which a registered trust under the Tamil Nadu Registration Act with a clear and concrete motive of spreading the wealth of knowledge. As the trustees come from a family which has fought for the freedom of our motherland and has roots in serving the army to protect the interests and integrity of our mother nation, discipline and service mindedness is an integral part of this trust.

Smt. B. Renuka Devi, ManagingTrustee - Born into the family of an ex-serviceman, Shri. V.H.N. Dass, who fought for and served in the Indian Army valiantly and from a family of Gandhians that was involved at various levels of the freedom struggle, she grew amongst unsung heroes of the Great Indian freedom movement. She is a simple, valiant and straight-forward woman of grit and sincerity. Apart from being a founding trustee, she also served as our first Managing Trustee. Born into a family such as this it was only natural for her to get into the service-oriented field of education.

PROGRAMMES OFFERED

Kings College of Engineering (KCE) is approved by All India Council for Technical Education, New Delhi, affiliated to Anna University, Chennai and is a NAAC Accredited institution with B++ Grade for five years. The institute offers Six UG and four PG programmes. ECE and Mechanical Engineering departments are recognized as Research Centres by Anna University, Chennai, for pursuing Ph.D. programmes. Departments of Civil, CSE, ECE and Mechanical Engineering are permanently affiliated to Anna University, Chennai.

The programmes offered are as follows:

UG:

- B.E. -Civil Engineering**
- B.E. -Computer Science & Engg.**
- B.E. -Electronics & Communication Engg.**
- B.E. -Electrical & Electronics Engg.**
- B.E. -Mechanical Engg.**
- B.Tech –Artificial Intelligence & Data Science**

PG:

- M.E. - VLSI Design**
- M.E. -Computer Science and Engineering**
- M.E. -Thermal Engineering**
- M.E. -Power Electronics and Drives**

Research Programmes:

- Electronics & Communication Engineering**
- Mechanical Engineering**

SPECIALFEATURES

MENTORS(Faculty adviser)

- ✧ Maximum of 15 students are kept at the helm of each teaching staff, who act as counselor/mentor. The nested students can freely discuss with their mentor regarding academics and personal issues.
- ✧ Mentor is exclusively responsible for the personality development of their wards to the core.

FOREIGN INDUSTRIAL VISIT

- ✧ Encouraging student members to excel in all the fields and exposing to Educational and Industrial environment prevailing in foreign countries, our institute sponsors Foreign Industrial Visit every year headed by a faculty member. Best 5 students selected from each department on rigorous criteria, are recommended by the respective Department HOD after scrutinizing Academic, Co-curricular, Extra-curricular, Attendance records. One from each department based on their competitive credentials and performance in the interview, is selected for the trip and all the arrangements for the visit are borne by the Management.

PROFESSIONAL SOCIETY MEMBERSHIP

- ✧ Students shall enroll themselves with their respective Professional society officiated by the departments to participate in technical events and attain technical enhancements. The professional societies associated with engineering branches include:

CIVIL :IE(CIVIL),ISTE

CSE :Computer Society of India, ISTE,IEEE

ECE : IETE, ISTE, IEEE

EEE :IET,IEEE,IE(I),ISTE

MECH :SAE,ISTE,MSI

- ✧ Students are eligible to attend seminars / workshops/ convention etc., organized by their respective professional society. Besides, they are entitled to receive periodical newsletters from their society.

STUDENT ASSOCIATION

- ✧ Every Engineering Department is functioning with a Student Association for planning and organizing technical events for every academic year. Association organizes National Level Technical Symposium every year during ODD Semester (one day duration) to host a forum of sharing the knowledge and presentation skills of students.
- ✧ Members of this association (Office bearers) are designated by the department which includes student representatives across II, III and IV year classes. Student member of the department who excels in all the fields multifariously and possesses leadership trait is selected as Student Representative every year. All students of the respective branch are a member of the association and should follow the governing & operations of the association.

❖ Association functioning includes:

- ❖ Association of Civil Engineers
- ❖ Association of Computer Science Engineers
- ❖ Association of Electronics and Communication Engineers
- ❖ Association of Electrical & Electronics Engineers
- ❖ Association of Mechanical Engineers

National Level Conference is organized once a year during even semester based on the Post Graduate course available in the department. Conference is organized by actualizing sponsors from various funding agencies like CSIR, DRDO, ISRO etc.

ALUMNI ASSOCIATION

Kings Alumni Association fosters unswerving allegiance with the Alumni students to develop synergistic plans which are envisioned to achieve the institution's vision adding value to all its stakeholders. All passed out students are entailed as members of the Alumni Association and Rs.500/- is collected as membership fee.

Alumni can contact the coordinator through:

Baran Kumar, Associate NCC Officer (A.N.O), in charge for the unit in our college.

AIM of N.C.C:

(i) To develop character, comradeship, discipline, leadership, secular outlook, spirit of adventure, sportsmanship and ideals of selflessness among our cadets.

(ii) To provide a suitable environment to motivate the youth to take up a career in the defense forces.

MOTTO OF N.C.C:

“UNITY AND DISCIPLINE”

PAHALA HAMASHA PAHALA:

“FIRST ALWAYS FIRST”

Cadets of our unit are trained to possess qualities like nationalism, patriotism, discipline, team spirit, leadership, self-confidence and promote overall personality development. N.C.C gives a tremendous opportunity to one and all for betterment.

TRAINING ACTIVITIES

The training activities of N.C.C can broadly be classified as under.

- (I) Institutional Training camp and attachment camp
 - (a) Camp training
 - (b) Attachment Training(Service/units)
 - (c) Air wing activities
- (ii) Social service and community development activities
- (iii) Youth Exchange programme (YEP)
- (iv) Adventure Training and Sports.

NATIONAL SERVICE SCHEME(NSS)

The National Service Scheme of our College was launched in the year 2006 and has its own landmark in the successful history of the College. It has the pride and privilege to have efficient volunteers in two units consisting of 200 students and two programme officers. The volunteers are enrolled from the first and second year students. The volunteers are expected to

- ❖ Establish rapport with the people in the project area
- ❖ Identify the needs, problems and resources of the community
- ❖ Have a plan to carryout the programme

The overall objective of NSS is to develop the personality of the individual through community service. The motto of the NSS is **“Not me but you”**

The programmes under NSS can broadly be divided into two major categories

1. Special Camping Programme:

The special camps are carried out in a systematic way, with much preparation so as to have a clear outlook of the village. The camp consists of the Programme Officers, Student Volunteers and Youth. The main objective of the special camping programme is to impart a change in the life of village folk by educating them in various spheres of life. After studying the problems of the village, priority and efforts are undertaken by the NSS volunteers to minimize them in the Village during the camping days. Awareness programmes on health and hygiene, sanitation, environmental production, deforestation, AIDS awareness, consumer awareness and personality development will be organized.

2. Regular Activity:

The Volunteers are involved in different welfare activities throughout the academic year under this regular programme. They are expected to have spent 120 hours on sociodevelopment activity under this programme. The activities can be a social service in institutions like hospitals, schools, orphanage, old age home, etc. The volunteers can follow up the activities that are initiated in the special camp.

TRAINING & PLACEMENT SECTION

Kings College of Engineering is committed to excellence in all spheres of its activities. It is untiringly conscious in the development of the student Engineers right from the time of their first step in the college. The Department of Training and Placement paves a concrete platform to connect core Industries with campus and it leaves no stones unturned in shaping the young minds to face engineering challenges and much probing job portals. A propose of the essentialities, many orientation Programs have been organized for the First year students which provide them an understanding of the professional life and help them balance the Transition period from School life to College life.
