The **Training & Placement (T&P) Cell** plays a pivotal role in facilitating career opportunities for undergraduate students by establishing and maintaining strategic partnerships with renowned corporations and industrial establishments. Operating year-round, the T&P Cell serves as an essential liaison, bridging the gap between prospective employers and graduating students. The cell's relentless efforts have led to a consistent upward trajectory in placement statistics, with an

impressive and continually improving record of student placements through campus recruitment drives.

The **T&P Cell** is committed to holistic career development and organizes a wide array of **career guidance programs**, beginning from the first year of study. These initiatives are designed to progressively prepare students for the demands of the professional world. The cell orchestrates **training programs** aimed at honing key skills and enhancing employability, including:

- **Mock Interviews:** Simulated interview sessions designed to provide students with hands-on experience in navigating real-world interview scenarios.
- **Mock Online Assessments:** Offering practice rounds of online tests to familiarize students with digital assessment tools commonly used in corporate recruitment processes.
- **Group Discussions:** Training students in effective communication, teamwork, and critical thinking through structured group discussions.
- **Communication Skills Workshops:** Enhancing both verbal and written communication competencies, with a focus on professional articulation and interpersonal effectiveness.
- **Company-Specific Training Programs:** Tailored preparatory sessions aligned with the recruitment patterns and expectations of major corporations and industry leaders.

Additionally, the **T&P Cell** organizes specialized sessions targeting students aspiring to pursue higher education or employment in the public sector. These sessions include preparatory coaching for **GATE** and other **competitive exams**, catering to students who wish to enter prestigious government institutions or public sector enterprises.
