**REPORT ON SPOKEN TUTORIAL WORKSHOP**

In KCE, department of Electronics and Communication Engineering, has organized a Spoken Tutorial Workshop for II Year, III Year and Final year B.E-ECE students at Block-II CSE lab. Totally **49 + 55 + 91 = 195** students have enthusiastically participated in this Workshop.

The Spoken Tutorial project is being developed by IIT Bombay for MHRD, Government of India. This is the initiative of the 'Talk to a Teacher' activity of the National Mission on Education through Information and Communication Technology (ICT), launched by the Ministry of Human Resources and Development, Government of India.

The main objective of this Spoken Tutorial workshop is to improve the employment potential of our students by teaching them IT skills. There are about 630 original spoken tutorials, created in English. Spoken Tutorials cover many useful IT topics, such as Basic IT Literacy, Tux Typing, KTurtle, C, C++, Java, PHP, Linux, Scilab, Python, OpenFOAM, PERL, Ruby, LibreOffice, Blender, GeoGebra, Jmol, GChemPaint and Inkscape.

These videos are dubbed into all 22 Indian languages. In each of the following languages, we have more than 100 tutorials: Assamese, Bengali, Gujarati, Hindi, Kannada, Malayalam, Marathi, Nepali, Punjabi, Sanskrit, Tamil, Telugu and urdu. Including the dubbed tutorials, there is a total of 4200 videos.

Spoken Tutorials can be downloaded free of cost from the website, <http://spoken-tutorial.org>.

As a part of our IQAC activities, we have conducted the spoken tutorial workshop and online exam **for all II Year, III Year and Final year B.E-ECE students.**

**Mrs. K. Abhirami, AP/IQAC Head**, welcomed the students and she insisted the importance of the spoken tutorial workshop and advised the students to gain more knowledge on this topic.

## **REPORT ON SPOKEN TUTORIAL WORKSHOP -LATEX**

**Final year students** (91) have attended the workshop in the title of LATEX on.

**LATEX** is typesetting software for preparing reports, letters and presentations - especially useful for persons engaged in writing/ publishing documents from science/ arts/ commerce fields. Through **LATEX** students can create their own presentations & articles, able to create Mathematical & Chemical equations easily & to promote the usage of technology in classroom teaching.

***The students enthusiastically attending the workshop.***

After attending the workshop the students had an idea about this **LATEX**. More videos on **LATEX** were given as softcopy to the students to prepare themselves and to attend the online Exam.

Online exam on LATEX was conducted to the Final year students on 13-02-2019 at CSE LAB-II.

***The students attending the online Exams.***

The exam duration was about 45 minutes. After the exam, certificates were generated to the students those who have secured above 40 % of marks to their individual User Id.

## Certificate for Completion of LaTeX Training

This is to certify that **AJAY MURUGANANDAM** has successfully completed **LaTeX** test organized at **Kings College Of Engineering** by **ABHIRAMI K** with course material provided by the Spoken Tutorial Project, IIT Bombay.

Passing an online exam, conducted remotely from IIT Bombay, is a pre-requisite for completing this training. **Vennila D** at **Kings College Of Engineering** invigilated this examination. This training is offered by the **Spoken Tutorial Project, IIT Bombay, funded by National Mission on Education through ICT, MHRD, Govt., of India.**
