About the Institution

Kings College of Engineering (KCE) is an institution which was formed with the single aim of providing quality education to the poor and underprivileged students of this region. KCE was established in the year 2001 and run by Raj Educational Trust (RET). KCE is approved by All India Council of Technical Education, New Delhi (AICTE), affiliated to the Anna University, Chennai and accredited by NAAC.

About the Department

The Department of CSE, since its inception in the year 2001, provides an outstanding learning environment and has been in constant pursuit of excellence. The department also offers M.E(CSE). The Department organizes various technical events by industrial persons and academicians of national repute to help the students to keep abreast with the latest developments in the field of CSE.

About the Conference

Computer, Communication and Information Technology are now involved in governmental, industrial, and business domains more than ever. Thus, it is important for an IT based personnel to continue academic research to improve technology and its adoption to modern applications. The recent research and technologies must be distributed to researchers, academicians and student community continuously to aid future development.

The NCRACCT'22 creates a forum for Engineers in Academia and Industry to address the resulting profound challenges and to present and discuss their new ideas, research results, applications and experience on all aspects of computers, communication and information technology.
