Department of Computer Science and Engineering organized a guest lecture on “Machine Learning Techniques” on January 22<sup>nd</sup> of 2021 with the objective of making the students exposed to the currently demanding topic in virtual mode. Around 40 students from our department attended the session and got exposed to the basics and the important algorithms of the machine learning techniques.

**Outcome:**

The students make use of these machine learning techniques in their final project work and they are given an idea about that. Helps to clear the technical aptitude.
