About the Institution

Kings College of Engineering (KCE) is an institution which was formed with the single aim of providing quality education to the poor and underprivileged students. KCE is approved by All India Council for Technical Education (AICTE), New Delhi, affiliated to Anna University, Chennai and accredited by NAAC. The Institution was established in the year 2001 on sprawling campus of around 40 acres on the Thanjavur – Pudukkottai Highway and run by Raj Educational Trust (RET), Chennai. The Institution offers Five UG and four PG programmes and certified with ISO 9001:2008. Innovative teaching methodologies are used to impart high quality education to the students including e-learning.

About the Department

The Department of Civil Engineering was established in the year 2010. It is well equipped with research laboratories and has dedicated staff members. The faculty members of the department have strong research experience in various fields of Structural, Soil Mechanics, Foundation Engineering, Environmental Engineering, Architecture, Surveying and Remote Sensing & GIS.

The Civil Engineering Association and B.E (Budding Engineer's) club organise various activities and events, to unfold the prospects of Civil Engineering in the present day world. The department has been engaged in various activities involving industry-institute interaction, research and development, development of students and services to society etc.

About the Conference
