

### Contents:

The seminar focuses on:

- Definition of Research
- Research theme search
- Citation writing practice
- Experiments and Analysis
- Research article writing
- Language issues
- Plagiarism
- Presentation

### Resource Persons:

Faculties from reputed institutions like NITs and Faculty of Kings College of Engineering.

### Registration fees:

Spot registration is permitted. Scanned copy of the registration form must be sent through e-mail on or before 28.01.2018.

IEEE Members	: Rs.100
Non IEEE Member	: Rs.250

The registration fee includes course material, lunch and refreshment.

### Transport:

Participants can avail the transport facilities of the college.

### Chief Patron:

Dr. R. Rajendran  
Secretary

Mr. T.R.S. Mathakumar, MSc,  
Chief Executive Officer

### Patron:

Dr. J. Arputha Vijaya Selvi  
Principal

### Co-Patron:

Dr.S.Sivakumar  
Vice Principal

### Coordinators:

Mr. T. Panupathi  
APJCE - R&D

Mr. J. Niranjan Samuel  
JRF/R&D

### About our Institution:

Kings College of Engineering (KCE) is an institution which was formed with the single aim of providing quality education to the poor and underprivileged students. KCE is approved by All India Council of Technical Education, New Delhi (AICTE) and is affiliated to Anna University, Chennai. The institution was established in the year 2001 on a sprawling campus of around 60 acres on the Thanjavur-Pudakkottai Highway and run by Raj Educational Trust (RET). The institution offers six U.G and four PG programmes and certified with ISO 9001:2008. The state of the art teaching methodologies are used to impart high quality education to the students including e-learning.

### About R & D Section:

The Department of Electronics & Communication, Electrical & Electronics Engineering and Mechanical Engineering are recognized as research centres for collaborative research by Anna University, Chennai. A significant number of projects funded by various government and non government funding sectors namely DRDO, MCTI, AICTE, New Delhi, TNSCST, Chennai, Analog Devices, USA & Texas Instruments, USA are successfully carried out.

Faculty members are encouraged to participate in the faculty development programs, workshops and seminars organized by other institutions in their research area as a step towards strengthening their domain knowledge.

### About the seminar:

Writing a scientific research paper is a prerequisite for undertaking research. Substantial research effort is required to draft a scientific research paper by researchers. However scholars do not know how to draft a paper with the experimental results, required by the peer reviewed journals leading to rejection. Writing a research paper is an knowledge based skill.

This seminar offers a platform for the scholars to enrich their art in writing research papers. This workshop helps to emphasize the value of research and enables them to have an opportunity to publish their research findings in journals and understand the best practices of publishing journal papers.

### Target Audience:

The seminar is open to Faculty Members, Students, Research Scholars and persons working in R&D Organizations and Industries.

### Seminar on “Art of Writing a Paper”

A Seminar on “**Art of Writing a Paper**” was organized on 29<sup>th</sup> January, 2018. Mr. T. Pasupathi, AP/ECE, welcomed and introduced the resource person to the gathering. Dr. J. Arputha Vijaya Selvi, Principal and IEEE SBC presided over the function and delivered presidential address. In her presidential address, she briefed the importance of research for students of engineering and technology. Also, she insisted the participants to undertake research and publish their findings in conferences and reputed journals and stressed that the research paper should reveal the uniqueness of the work carried out and clearly describe the strategies adopted in the work.

Dr. S. Bharathi Raja, Principal, Indra Ganesan College of Engineering, Tiruchirappalli, delivered inaugural address. In his address, he stressed on the importance of doing research. During the session I, he delivered talk on “**Research to Reward**”. In his lecture, he briefed on the methods of research: Scientific method, Engineering method, Empirical method and Analytical method. Also he explained the steps involved in research: Literature survey, open problem, need for present research, experimentation, analysis, validation and results & discussion.

Dignitaries on the dais

Dr. S. Bharathi Raja delivering inaugural address

In addition, he advised the students to refer ‘[www.issn.org](http://www.issn.org)’ which reveals the format of universally accepted research papers. Also, he stressed the importance of literature survey and points to be cited as: what author did, what methodology has been followed and results of the research work. Finally, he shared how to make an attractive power point presentation and intellectual property rights.

A view of the participants

One of the participant sharing the feedback

Dr. R. Amirtharajan, Associate Professor/SEEE, SASTRA University, Thanjavur delivered talk on **“How to make an effective oral presentation without Plagiarism”** during session-II. In his lecture, he briefed about making an effective presentation with case study on “Image steganography”. During his lecture he demonstrated freeware plagiarism/grammar checking tools.
