Mini Project Expo -Innovations in Science & Technology

Report

Venue : Physics Lab

Department of Chemistry, Kings College of Engineering organized a Mini Project Expo for first year B.E students on 23rd Monday 2022 in the area of “**Innovations in Science and Technology**”. Dr. S. SivaKumar, Vice Principal, inaugurated the Mini Project Expo and delivered the importance of the Project Expo. About 10 Projects were displayed in this expo. Dr. S. SivaKumar, Vice Principal and Dr.V.Sureshkumar, HoD/ S&H were acted as juries, based on the score given by the juries the winners are short listed and given below.

Winners

S.No	Name of the student	Class	Title of the mini project	RANK
1	JANARTHANAN P	I CSE	Students data conversion in to QR Code	I
2	JAYA PRASAD P PUNNIYAMOORTHY C M	I ECE	Voice control Robot	II

By this Mini Project Expo the students gained knowledge about innovations and advancements in science and technology. Finally the students expressed that, this type of Project expo was useful for improving their practical skills and also useful to do major project in next level.

The Mini Project Expo arrangement was made by the Convener Dr.S.Udayakumar, AP, Department of Chemistry.

Convener

HoD/S&H

PRINCIPAL

Pudukkottai, Tamil Nadu, India
Block 2, Manamadurai - Tanjavur Rd, Tamil Nadu 613301, India
Lat 10.646609°
Long 79.048844°
23/05/22 02:41 PM

Students explain their projects to Dr.S.Sivakumar, Vice Principal

Pudukkottai, Tamil Nadu, India
