## **ISTE STUDENTS CHAPTER (TN 217)**

**ACADEMIC YEAR 2023-24 (EVEN SEMESTER)**

### **TECHNICAL PAPER PRESENTATION COMPETITION REPORT**

**Venue : 205 (Smart Class Room-MECH)**

**Date : 30.04.2024**

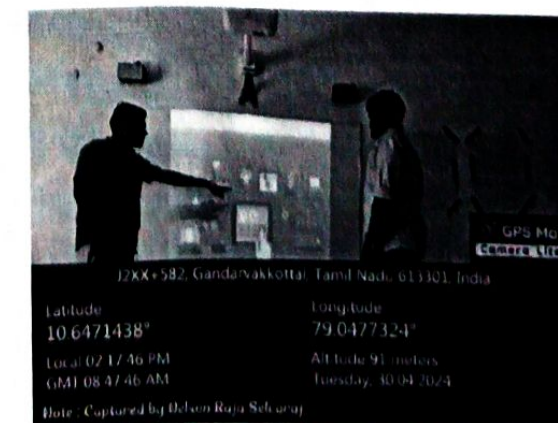

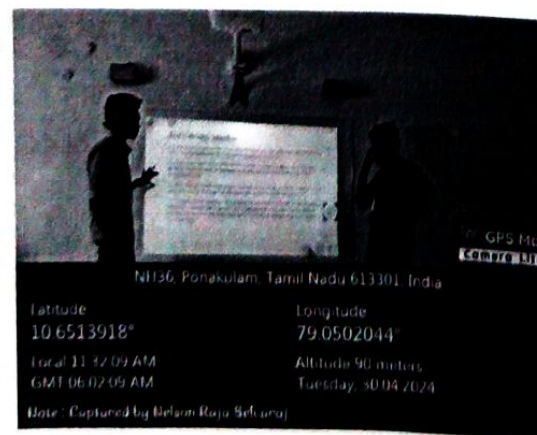

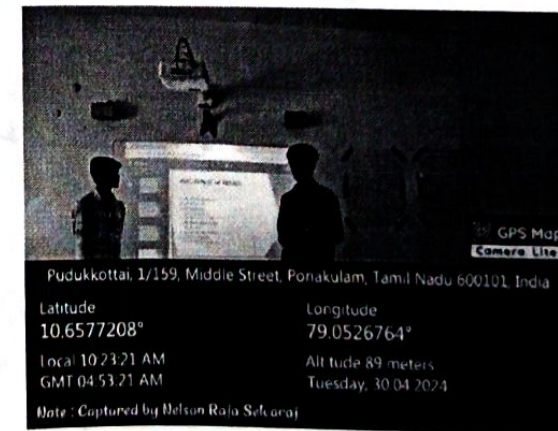

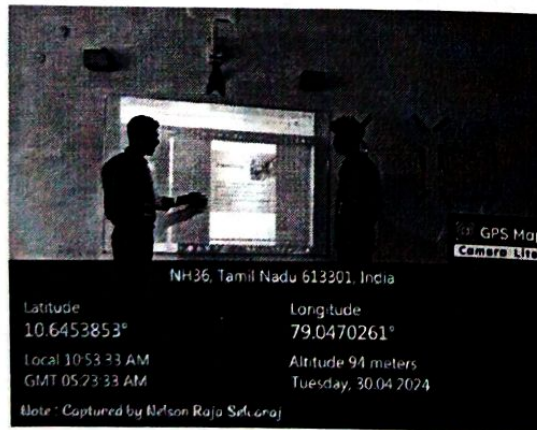

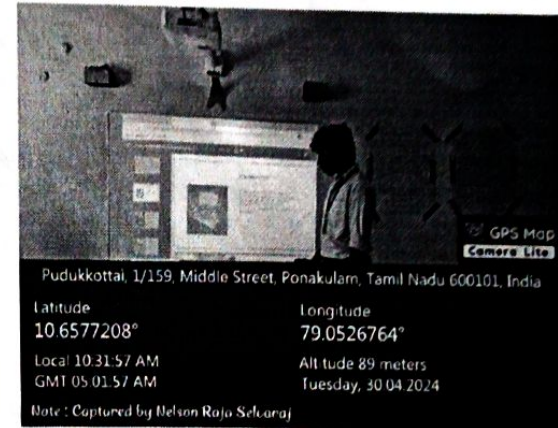

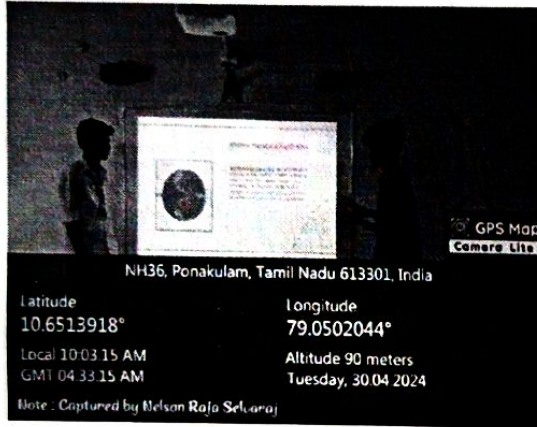

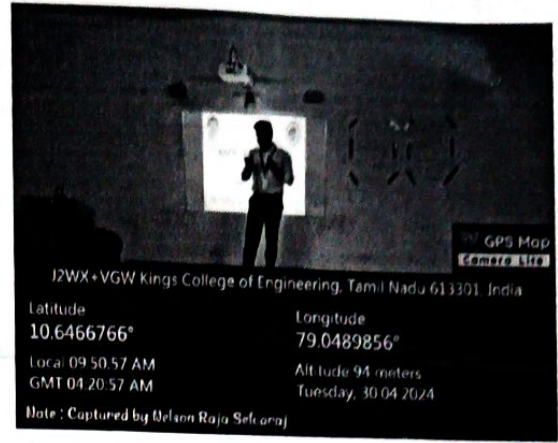

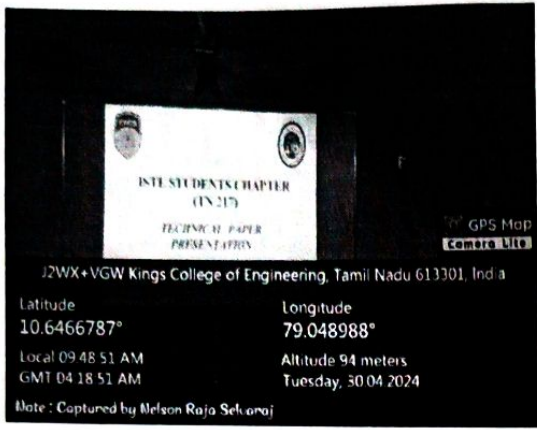

The Technical Paper Presentation Competition was conducted on department level between the ISTE student members of Mechanical Engineering. For this competition 14 groups participated with 27 numbers of students. Dr. T. Pushparaj, Professor / Head, Mechanical Engineering and Dr. PP. Shantharaman, Professor, Mechanical Engineering were invited to judge the presentations.

#### **Objectives of the Event**

- ✍ To convey the main findings and contributions of the paper.
- ✍ To capture the audience's interest and attention through effective presentation skills.
- ✍ To encourage questions and discussions to deepen understanding and gather feedback.
- ✍ Connect with peers, experts, and potential collaborators in your field.

The event commenced at 9.30 AM in Room No. 205 (Mechanical Smart Class) after the felicitation of the judges, with the participating teams eager to present their ideas and innovations. The event rules and regulations were elaborated by Department ISTE Coordinator Mr. S. Nelson Raja, Assistant Professor, Mechanical Engineering. It was indeed a sea of brilliance as team after another came forward armed with incredible, original prototypes, research papers and advancements. Fielding question after question by the judges, the participants displayed their undying thirst for knowledge, whilst showcasing their immense interest and the astonishing amount of effort and research put into each of their individual presentations. "The winners will be appreciated in the upcoming SCC"

# Event Glimpses

## Outcomes of the Event

- ✍ Ensuring the audience comprehends the research topic, methodology, and results.
- ✍ Receiving constructive criticism and suggestions for improvement.
- ✍ Gaining recognition for your work and potentially attracting interest for further collaboration or publication.
- ✍ Contributing to the advancement of knowledge in your field through dissemination of your findings.

The department coordinator was thanked Mrs. T. Gnanajeya, ISTE Coordinator, and all the faculty members of the Mechanical Engineering department for their co-operation for this event.
