Dear Sir,

Sub: Requisition for Memorandum of Understanding - reg.,

Kings College of Engineering (KCE) is an institution which was formed with the single aim of providing quality education to the poor and underprivileged students. KCE is an NAAC accredited institution approved by All India Council of Technical Education, New Delhi (AICTE) and is affiliated to Anna University, Chennai. The institution was established in the year 2001 on a sprawling campus of around 48 acres on the Thanjavur-Pudukkottai Highway and run by Raj Educational Trust (RET). The institution offers five U.G and four P.G programmes and certified with ISO 9001:2008. The state of the art teaching methodologies are used to impart high quality education to the students including e-learning.

Vision

To impart Globally Competitive Technical Education, enhance Human Values and to provide a Research Atmosphere to the socially challenged Aspirants.

Mission

Providing a Comprehensive Theoretical foundation, inculcating state of the art engineering practices and cutting edge research ambience that leads to societal upliftment with ethical values through effective teaching-learning methodologies and appropriate information communication tools via dedicated faculty to the aspirants.

The institution has executed MoUs with Hannam University & Daejeon University, South Korea and Indian Institute of Food Processing Technology, Thanjavur, India, for the purpose of learning and sharing of resources. Under Margdarshan of AICTE, New Delhi, Kings College of Engineering is under the mentorship of National Institute of Technology, Tiruchirappalli. Electronics & Communication Engineering and Mechanical Engineering departments are recognized as research centres for collaborative research by Anna University, Chennai. A significant number of projects funded by various government and non government funding sectors namely, DRDO, MCIT, AICTE, New Delhi, TNSCST, Chennai, Analog Devices, USA and Texas Instruments, USA are successfully carried out.

We have signed MoU with the following Organizations / Institutions:

- Kirirom Institute of Technology, Cambodia
- TIDITSSIA, Thiruchirappalli
- Next Vision Solution, Chennai

- Siemens CoE in Manufacturing, NIT, Trichy
- Hire Mee, Bengaluru.
- CETAT, PMIST, Thanjavur
- Gnanam School of Business, Sengipatti.
- Armada Industrial Automation, Thanjavur
- Pantech ProEd Pvt. Ltd. Coimbatore
- Indian Institute of Food Processing Technology, Thanjavur

In order to strengthen the academic and research activities of our institution further, we are in the process of expanding our linkages with institutions/organizations of high repute by signing Memorandum of Understanding. In this regard, we would like to involve your esteemed organization to be a part of students skill development by:

- a) Permitting our students for industrial visit.
- b) Providing training to students during semester holidays.
- c) Permitting our students to do final year project work and give the necessary technical assistance and guidance.
- d) Arranging presentations/workshops/seminars/training programmes/practical demonstrations etc.
- e) Permitting our faculty members to visit and update their knowledge.

In turn, Kings can be at your service for material testing and basic computer training for your staff members. Your staff members can attend the programme conducted at our place and experts' lectures can be had at your places for the topics Kings are good at. Any technical problem related to power, construction, testing of materials can be discussed with our professors for better solution.

Thanking you and expecting your sincere cooperation in this regard for the benefit of the student fraternity.

Regards,

J. Muthu
