

KINGS COLLEGE OF ENGINEERING
IEEE STUDENTS BRANCH STB 16621

PROJECT EXPO

IEEE student branch organized a Mini Project Expo on 17th September 2016. Project Expo was inaugurated by **Dr. S.P. Subramaniam**, Deputy Controller of Patents & Designs and Head of Office, Patent Office, Chennai and **Dr. P. Muthuchidambaramanathan**, Associate Professor, National Institute of Technology, Tiruchirappalli. They visited the stalls where the projects were displayed and appreciated the efforts made by the students. The projects were evaluated by **Mr. P. Rajapirian**, AP/ECE and **Mr. T. Pasupathi**, AP/ECE and based on their recommendations results were announced. 18 batches exhibited their projects related to Electronics and Communication Engineering. Dr. J. Arputha Vijaya Selvi, SBC appreciated the efforts made by the event coordinator.
