

## CONGRATULATIONS

In today's scenario in Engineering, multifaceted thinking and delivery are very much needed for the students. In order to encourage such engineering students and their institution, **Anna University along with Dewang Mehta Foundation Trust (DMFT)** are giving an award to the winning college and students based on their academic excellence, extracurricular activities and practical knowledge.

In line with this, our college was selected for the nomination, along competing 76 Engineering colleges from the south Tamilnadu region. One student topper from each department was nominated under this category for **Shri Dewang Mehta Excellence Award 2017**.

The event was organized on 15<sup>th</sup> September 2017 at the University College of Engineering, BIT campus, Tiruchirapalli. On the day of event a workshop on **"Innovation and Communication Skills"** was also organized for the students and the accompanying faculty members. The sessions were handled by highly experienced experts chosen by DMFT.

On behalf of our college, the following toppers have participated in the event, **DMFT excellence award 2017**. Ms. A. Prabha, AP/EEE acted as institution coordinator.
