REPORT

Pertaining to the guidelines given by Tamil Nadu State AIDS Control Society to Red Ribbon Club, an Interactive Session on HIV-AIDS has been arranged for the second and third year RRC volunteers on 28.07.2018 between 10.00 a.m. and 12.30 p.m. at AV Hall. The objective of the session was to provide a live session with HIV positive person to get wakefulness on HIV AIDS to keep off and to minimize the disease. Mr.K.M.Ramasamy, a Positive Speaker (AIDS Affected Person), who is also the President, HIV Positive Network, Pudukkottai, consented to interact with the RRC volunteers.

The programme began with the prayer song, followed by the welcome address by K. Albert Lawrence, RRC, Programme Officer. Then the guests were honoured with shawl and memento by Mr.R.Annamalai, Public Relations Officer. Then the session was handed over to the positive speaker. The programme got its momentum from the narration of his real life experience before and after HIV positive. The varied live experience was a great source of information for our student volunteers to get awareness. He passed optimistic vibrations among the students to be aware and to keep off the HIV Virus.

The hundred and three volunteers asked many questions to the positive speaker who made unambiguous explanation to all the questions raised. They expressed their sense of gratitude for having an opportunity to interact with the HIV affected person. Antony Joe.N, the RRC student volunteer, delivered vote of thanks. At the end the programme came to an end with the National Anthem.
