

LIBRARY ADVISORY COMMITTEE

Constitution:

Library Advisory Committee (LAC), an advisory body in nature, acts as a bridge between Library and the executive body. The objective of LAC is to represent the importance of adopting modern technologies in the contemporary context of knowledge explosion. Keeping in mind the revolution takes place in information exploration at the backdrop of Internet and social media, library activities should be rationalized. The role of Library advisory committee is to promote Library activities as per the information exploration. The Committee will meet twice in an academic year with at least 50% of its membership consisting a quorum.

Library advisory committee consists of the following members:

- A Senior Professor nominated by the Principal as Chairman of the LAC.
- One senior faculty member at the level of HOD nominated by the Principal
- One faculty member nominated by the Chairman of LAC as Faculty representative.
- One external member nominated by the Chairman of LAC
- Librarian – Secretary.
