

## ABOUT LIBRARY

### VISION

The prime vision of the Kings Library is to bridge the gap between the Student's knowledge and the existing skills of Employability.

The College is endowed with a fully computerized main library with an area of 1164 Sq.mt, which has a collection of nearly 33500 books, 2173 CD ROMs(Books & Journals), besides subscribing to nearly 68 national printed journals, 1843 online national international journals & magazines and 8 daily Newspapers. In addition, it has a collection of 475 back volumes of journals and magazines. A comfortably furnished reading room provides conducive environment for its members. Apart from this, individual departments have their own specialized collection of books. The library has a special collection of books for various examinations like TOEFL, GRE, GATE (all Branches), and UPSC. The library has an Institutional Membership with DELNET and National Digital Library. The DELNET and National Digital Library access provide the Staff, Students and Research Scholars with the benefit of resource sharing in the field of Science and Technology. Our library has [23 numbers of reputed IEEE journal collections as back volumes](#) and are available in printed format for ready reference. The Library has also subscribed necessary E –Resources as per AICTE Norms. Besides, Core Departments have facilities viz.. Own departmental library & NPTEL Video facility. The Online Public Access Catalogue (OPAC) is available in our Library.
