5.6 Student Feedback on Institutional Governance/Faculty Performance

- The faculty and students are fully and constructively involved in the academic as well as co-curricular and extracurricular activities. The students are highly disciplined and motivated. The faculty is devoted to their task of teaching and training. The system of industrial training is a grand success and model for industry institute partnership. All the events such as seminars, symposia, national / international level conferences and functions are organized by voluntary teams of staff and students whose morale is very high.
- Parent – Teachers Associations in every class / branch of study, class committee of staff and students, college committee of senior professors and a disciplinary committee help smooth functioning of the college. They meet periodically, discuss and decide on good governance and implementation.
- Feedback on faculty performance is collected from students. These forums also provided very purposeful feedback for analyzing and improving upon procedures.

5.7 Grievance Redressal mechanism for Faculty, Staff and Students

- A Grievance Redressal committee consisting of senior faculty members under the chairmanship of Principal is in place to enquire into and recommend suitable measures to redress the grievance of faculty, staff and students.
- Online Grievance Redressal mechanism is also in place.
