NATIONAL SERVICE SCHEME

NOT ME  BUT YOU

"WATER MANAGEMENT"

Date & Time: 22.03.2021, 05:00p.m

Online Mode

As per the direction of Ministry of Youths Affairs and Sports in the scheme of Swachh Pakhwada under Swachh Bharat Mission, a one day Programme on **WATER MANAGEMENT** was organized by the National Service Scheme Units of our college on 22.03.2021 at 05:00p.m. The programme officers Mr. P. Raajeshwaran, Unit I and Mr. S. Ambalatharasu, Unit II, had arranged this programme.

The Secretary Dr. R. Rajendran, and the Principal, Dr. J. Arputha Vijayaselvi, graced the inaugural function of this programme. The programme was formally started with a warm welcome by Mr. P. Raajeshwaran, In-charge of Unit I, Assistant Professor, English. About **75** volunteers of NSS Units enthusiastically were present online.

The Resource Person Mr. R. Sundaram, Assistant Professor, Civil Department, KCE, addressed ecologically that water is essential for our survival. He also noted, "One of the biggest concerns for our water-based resources in the future is the sustainability of the current and future water resource allocation. Water is an essential resource for all life on the planet. Two-thirds of the freshwater is locked up in ice caps and glaciers. Of the remaining one percent, a fifth is in remote, inaccessible areas and much seasonal rainfall in monsoonal deluges and floods cannot easily be used. Agriculture practices in this region have been identified as a major contributor to nutrient loading of receiving waters; Studies indicate that a person needs a minimum of 20 to 40 liters of water per day for drinking and sanitation. More than one billion people worldwide have no access to clean water."

The programme came to an end with vote of thanks delivered by Mr. S. Ambalatharasu, In-charge of Unit II, Assistant Professor, Physics, KCE.

NOT ME  BUT YOU

"COVID-19 AND SOCIAL DISTANCING"

Date & Time: 20.01.2021, 03:00p.m

Online Mode

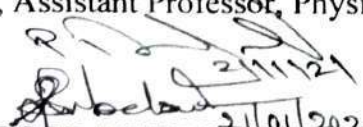

As per the direction of Ministry of Youths Affairs and Sports in the scheme of Swachh Pakhwada under Swachh Bharat Mission, a one day Programme on **COVID-19 AND SOCIAL DISTANCING** was organized by the National Service Scheme Units of our college on 20.01.2021 at 03:00p.m. The programme officers Mr. P. Raajeshwaran, Unit I and Mr. S. Ambalatharasu, Unit II, had made arrangement of this programme.

The programme was inducted by Dr. R. Rajendran, Secretary, and Dr. J. Arputha Vijayaselvi, Principal, of Kings College of Engineering. The gathering was welcomed by Mr. P. Raajeshwaran, In-charge of Unit I, Assistant Professor, English. The programmes witnessed the Guest Dr. Sasivarman, Medical officer, Rashtriya Bal Swasthya Karyakram(RBSK), Thanjavur, and a total of 162 NSS Volunteers participated.

While addressing the programme, the guest clinically pointed out, "Researchers in China found that the most common symptoms among people who were hospitalized with COVID-19 include: Fever: 99%, Fatigue: 70%, A dry cough: 59%, Loss of appetite: 40%, Body aches: 35%, Shortness of breath: 31%, Mucus or phlegm: 27%. Symptoms usually begin 2 to 14 days after you come into contact with the virus."

He also mentioned, "The virus that causes COVID-19 infects people of all ages. However, evidence to date suggests that two groups of people are at a higher risk of getting severe COVID-19 disease. These are older people (that is people over 60 years old); and those with underlying medical conditions (such as cardiovascular disease, diabetes, chronic respiratory disease, and cancer). The risk of severe disease gradually increases with age starting from around 40 years."

At the end of the programme, Mr. S. Ambalatharasu, In-charge of Unit II, Assistant Professor, Physics, KCE, thanked everyone of the volunteers and the guest.

"IMPORTANCE OF WASTE MANAGEMENT TO ENVIRONMENTAL SANITATION"

Date & Time: 09.10.2020, 12.00 p.m

Online Mode

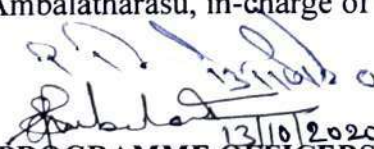

Report

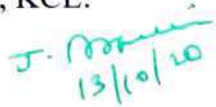

As per the direction of Ministry of Youths Affairs and Sports in the scheme of Swachh Pakhwada under Swachh Bharat Mission, the topics of **Importance of Waste Management to Environmental Sanitation** was organized by the National Service Scheme Units of our college on 09.10.2020 at 12.00 p.m,. The programme officers Mr. P. Rajeshwaran, Unit I and Mr. S. Ambalatharasu, Unit II, made all arrangements for this programme.

The programme was inaugurated by Dr. R. Rajendran, Secretary, and the Principal, Dr. J. Arputha Vijaya Selvi, extended tremendous help for the success of the programme. Dr.P.Saravanan, Assistant Professor, Dept. of Chemistry, KCE, was the guest of the programme that was attended by **75** NSS volunteers of our college. Delivering a lot of message about Environmental waste management, the guest delineated that it is crucial not only in maintaining the cleanliness of our surroundings but also keeping the good health of the people. He shared that there are actually different types of waste – namely human and animal feces, solid wastes, domestic wastewater, industrial wastes, and agricultural wastes. And waste management is the strategy to prevent, monitor, handle, and treat these wastes of this world. He also insisted, "This requires logical and meticulous planning" and said, "the effectiveness of this process will benefit everyone as well."

While addressing the gathering, he made clear that, "There are number of waste management and recycling companies that take tremendous effort to recycle the wastes." He mentioned the existence of a company called Green Mountains, a leading provider of liquid and solid waste treatment and disposal, as well as chemical waste disposal services which assumes pride in being one of the best when it comes to collecting, transporting, treating, and disposing of any kind of waste materials.

Finally, the ardent gathering was effusively thanked by Mr. S. Ambalatharasu, in-charge of Unit II, Assistant Professor, Physics, KCE.

“IMPORTANCE OF YOGA TO STUDENTS”

Date & Time: 04.12.2020, 10.30 a.m

Online Mode

As per the guidance of Ministry of Youths Affairs and Sports in the scheme of Swachh Pakhwada under Swachh Bharat Mission, a one day Programme on **Importance of Yoga to Student**, was conducted by the National Service Scheme Units of our college on 04.12.2020 at 10.30a.m. The programme officers Mr. P. Raajeshwaran, Unit I and Mr. S. Ambalatharasu, Unit II, organised this programme.

The programme was inaugurated by Dr. R. Rajendran, Secretary and Dr. J. Arputha Vijaya Selvi, Principal of Kings College of Engineering. In this programme, 750 NSS volunteers of our college eagerly participated. The Chief Guest Mr. P. Krishnan Balaji pointed out the observance of International Day of Yoga declared in June 21, 2015 to the world by our central government. He said, “Yoga is an invaluable gift of India’s ancient tradition. It embodies unity of mind and body; harmony between man and nature; a holistic approach to health and well-being. It is not about exercise but to discover the sense of oneness with yourself, the world and the nature. By changing our lifestyle and creating consciousness, it has a meditative and spiritual core.”

He continued saying, “studies have attempted to establish the helpfulness of yoga as a complementary involvement for cancer, schizophrenia, asthma, and heart disease, but the results of studies have been varied, as a psychological healing procedure.”

At the end of the session, vote of thanks was delivered by Mr. S. Ambalatharasu, In-charge of Unit II, Assistant Professor, Physics, KCE

Discussion

Figure 1. The effect of the concentration of the H_2O_2 solution on the amount of the released H_2O from the H_2O_2 -loaded hydrogel. The amount of the released H_2O was measured by the weight difference of the hydrogel before and after the release. The concentration of the H_2O_2 solution was 0.1, 0.2, 0.3, 0.4, 0.5, 0.6, 0.7, 0.8, 0.9, and 1.0 wt. %.

CITIZEN CONSUMER CLUB

REPORT ON WEBINAR - FOOD ADULTERATION AND AWARENESS

Citizen Consumer Club organized a webinar on “Food Adulteration and Awareness ” to all faculty members and students on 27th March, from 10.30a.m to 11.30a.m. Dr.P.Sakthivel, Professor Department of S&H - Karpagam Academy of Higher Education, Coimbatore acted as resource person.

Food is called human fuel. This is one of the fundamental needs of human life. To grow up and survive on the earth, every human being needs food.

The resource person explained clearly that Adulteration in food items can cause tremendously affect our health without our knowledge. Adulteration lowers the quality of food and sometimes, toxic chemicals are also added which can be hazardous to health. He pointed out, Food adulteration is done for the selfish interest of food vendors for monetary gains and not only compromises on the health of the consumer but also results in wastage of food which are discarded if found adulterated. He insisted, the consumers should also be aware of their rights and report the seller who has sold them adulterated food. In this webinar, 132 participants got benefited .Participants got awareness on consumer rights.

He explained, the most common foods are adulterated and the chemicals are used to adulterate that became a common practice in developing countries.

Common adulterated Foods with adulterants

Milk	Chalk powder, soap powder, starch, formalin urea, Hydrogen peroxide
Fresh vegetables, fruits, fish, sea foods	Copper sulphate, colour dye
Coffee	Cereal starch, maize, soybean, rye, triticale
Tomato sauces	Pumpkin pulp, non-edible artificial colours, and flavours.
Vinegar	Mineral acid
sugar	Chalk powder
Honey	Starch syrup, inverted syrup
Salt	White powder, urea
Fruit juices ,soft drinks	Cadmium
Wheat, rice, barley	Dust, stone, pebble, damaged grain

CITIZEN CONSUMER CLUB

REPORT ON WEBINAR – CONSUMER RIGHTS AND OBLIGATIONS

Citizen Consumer Club organized a webinar on “Consumer Rights and Obligations” to all faculty members and students on 17th April, from 10.00a.m to 11.00a.m., Mrs.D.Lathauthaman, State Consumer Protection Member and JJB member acted as resource person.

She described on Consumer Rights and responsibilities. She pointed that the consumer is one who consumes or uses any commodity or service available to him either from natural resources or through a market. She insisted that consumers must look for the ISI mark while buying products. She explained the consumer rights in detail. They are given as follows:

Consumer Rights:

- ❖ The Right to safety
- ❖ The Right to be Informed
- ❖ The Right to Choose
- ❖ The Right to be Heard
- ❖ The Right to Safety basic needs
- ❖ The Right to seek Redressal
- ❖ The Right to Consumer Education
- ❖ The Right to Healthy Environment

Also she pointed that the consumers can seek compensation for damages and losses they have suffered due to a problem with product or service if they could have foreseen the problem.

She explained the responsibilities of consumers. They are:

- ❖ Be aware
- ❖ Beware
- ❖ Think independently
- ❖ Speak out
- ❖ Be an ethical consumer
- ❖ Complain
- ❖ Share experience
- ❖ Respect the environment

The resource person explained about the Consumer Protection act which was passed in Lok Sabha on 9 th December 1986.

YOUTH RED CROSS

Awareness Programme on Blood Donation - Report

18.01.2021

Our college Youth Red Cross (YRC) organized a webinar on "Awareness Programme on Blood Donation" on 12.01.2021 from 12.30pm to 01.30pm for all 2nd & 3rd year students on College YouTube Channel. Mr.K.Anandharaj, YRC/ Coordinator delivered welcome address. The guest speaker, Dr. Alagammai. AL, MBBS, MD, Blood Bank Medical Officer, emphasized the need of Blood Donation through her insightful presentation that highlighted the mandate of blood donation which can be conducive to reach out the public in need.

The YRC unit was immensely glad for the tremendous support extended by our high profile personalities Dr.R.Rajendran, Secretary and Dr.J.Arputha Vijaya Selvi, Principal to materialize this event at our campus. Mr.J.Radhakrishnan, AP/English delivered the Vote of Thanks.

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING
ACADEMIC YEAR 2020 - 2021 / ODD SEMESTER

REPORT

1. Name of the event : Essay competition on "Need to preserve Ozone layer"
2. Date : 16.9.2020
3. Name of the Organizer : Mrs.G.Chandra Praba, AP/ CSE
4. Organized for : Students of CSE department of Kings College of Engineering
5. No.of participants : 15 students
6. Purpose : To create awareness among the students regarding the need to preserve Ozone Layer.

Department of Computer Science and Engineering and ECO club jointly organized an essay competition on "Need to preserve Ozone layer" on September 16th of 2020 in Online mode. 15 students from our department submitted their essays regarding the need and the measures to protect Ozone layer. They mentioned about the Ozone layer and its significance and all the factors that causes the various climatic changes in the earth and the chemical substances that depletes the Ozone layer. They also described the steps that have to be taken in day-to-day life by every human as a measure to protect the Ozone layer.

2. Date : 14.10.2020
3. Name of the Organizer : Mrs.G.Chandra Praba, AP/ CSE
4. Organized for : Students of CSE department of Kings College of Engineering
5. No.of participants : 10 students
6. No. of beneficiaries : 57 students
7. Purpose : To create awareness among the students on how to reduce and reuse the electronic waste and the issues related to that.

The Department of Computer Science and Engineering and ECO club jointly organized a speech contest on "How to reduce and reuse E-Waste" on October 14th of 2020 in online mode through Google meet. 10 students from our department presented their views regarding the ways to reduce and reuse electronic wastes and around 57 students listened their speech and got exposed to the biggest issue of today's human life. The students described how the electronic wastes are created and how they are creating negative health effects on humans as well as other living creatures and also the environment around us. They also expressed their concern in not having proper facilities for collecting the electronic wastes and managing them by either recycling or reusing parts of them.

| 4. Name of the Organizer | : Mrs.G.Chandra Praba, AP/ CSE |
| 5. Organized for | : Students of CSE department of Kings College of Engineering |
| 6. Resource Person | : Mr.T.Kannan, Retd TNEB Official. |
| 7. No.of beneficiaries | : Around 68 students |
| 8. Purpose | : To create awareness among the students regarding the need for electricity conservation. |
| 9. Event Photos | : Refer Annexure - I |

Department of Computer Science and Engineering and ECO club jointly organized an awareness talk on "Electricity Conservation" on January 9th of 2021 with the motto of "Save Nation by Saving Electricity" in virtual mode. Around 68 students from our department attended the session and got exposed to the need for electricity conservation.

Outcome:

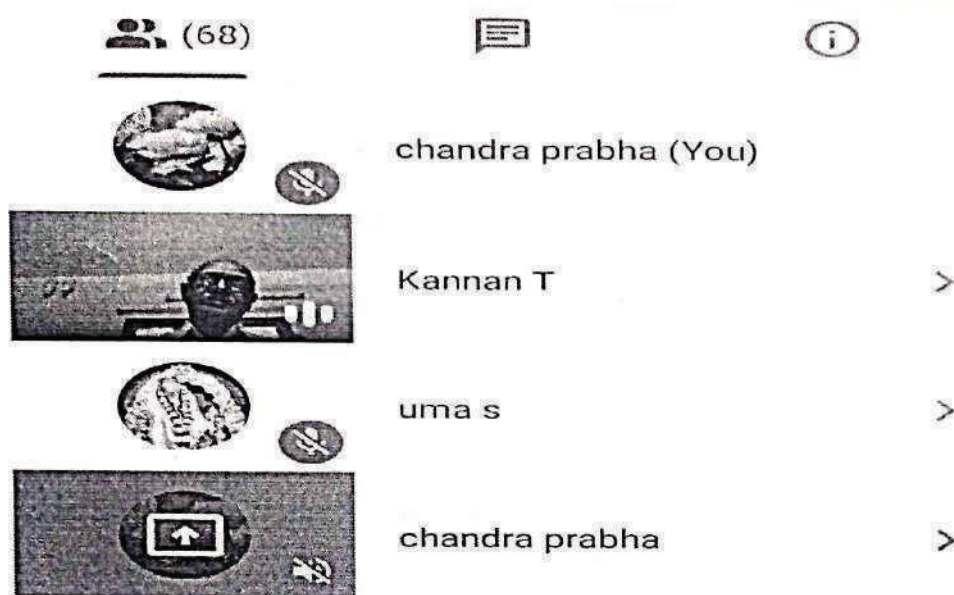

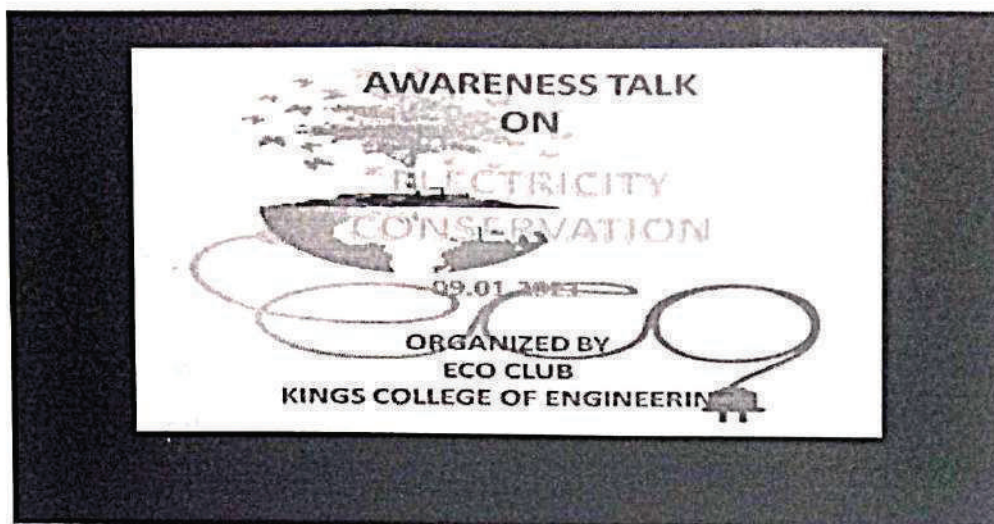

The students' responsibility to reduce the electricity consumption in their household electronic devices and in public places.

Feedback from Students

- - Session was useful.
- Thank you for arranging this wonderful session.
- Informative session
- The session was very useful for us to know about electricity conservation.
- Very nice session. Useful for nowadays extra usage of electricity.

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

ACADEMIC YEAR 2020 - 2021 / EVEN SEMESTER

REPORT

1. Name of the event : Call for Proposal on "Solid Waste Management"
2. Date & Session : 12.4.2021
3. Name of the Organizer : Mrs.G.Chandra Praba, AP/ CSE
4. Organized for : Students of Kings College of Engineering
5. No.of participants : 4 Batches (8 participants)
6. Purpose : To make students think about their environment and keep them clean.

Department of Computer Science and Engineering and ECO club jointly organized a call for proposal submission on "Solid Waste Management" on April 12th of 2021 in virtual mode. 4 batches with 8 students from our college submitted their proposals on how to manage the solid wastes around our living places. The proposal mainly aims on the solid waste management and within the college campus. The students described how the solid wastes in the college can be reduced, reused and recycled. The proposals showcased their care for keeping the environment clean.

Smart garbage bin with trash man application

Abstract

Nowadays, the trend is clear that the use of pervasive computing technology has taken place to improve waste management by providing electronic system which utilizing radio frequency identification at bin level. In this paper, we proposed a smart recycle bin that can calculate the trash level, separate degradable and non-degradable waste, connect with the trash man app using IOT device, voice instructions to the user about throwing right garbage in the right bin. In our trash bin when the trash allowed into the bin, the set up of the trash bin compressed the trash into thin material. The compression can done either by man or machine. By the man, who generates mechanical stress through pedaling, body exercise. This stress applied to the trash bin it compressed the trash into thin material. Our team intends to directly address the problems faced in trash bin, and thus have developed a new design for easy effort in garbage bin.

Keywords:

smart recycle bin, waste management, solid waste, mechanical stress, IOT based, server, voice based assistant.

Introduction

The growth of the information technology, the use of pervasive computing technology has taken place in many applications including waste management. Recycling is one of the important approaches taken for managing waste. It is a process of collecting and processing unwanted materials to be turned into new products. A Conceptual Approach of Smart Waste Management with Integrated Web Based System. The wastes are tracked by smart bins using IOT device.

The trashes in the bin can be compressed by the way of applying electric power or man power. In man power, human has applied energy through the use of arms, hands and back or pedaling the wheel. Pedal power enables a person to drive devices at the same rate as that achieved by hand cranking.

The compression can be used to make the trash into thin material. It can save the huge space and long period can to fill the trash bin. We need not to frequent clean the bin. IOT can collect the garbage status and continuous monitoring the trash level and give the data to the user and the trash man app contact.

Gender Sensitization Cell

REPORT

Gender Sensitization cell organized a programme on “**Social Construction of Gender**” at Kings College of Engineering on 27.03.2021. The GSC aims to create awareness among students to get knowledge about issues regarding gender discrimination prevailing in society. Dr.S.Udayakumar AP/ Chemistry welcomed the resource person and students. Resource person, Mr.V.Chandrasekar. Senior Advocate, High Court, Madurai, explained about social construction of gender in detail. He also insisted that gender issues can be sensitized through establishing gender sensitization cell in institution which has to serve as a platform for all students, male & female, to discuss the problem and come out with amicable solution. Finally he concluded that both the gender male and female, have equal responsibilities for motivating well social behavior in society.

Ending violence against girls / women advancing safety and rights

REPORT

Gender Sensitization cell organized a programme on “Ending violence against girls / women advancing safety and rights” at Kings College of Engineering on 17.04.2021. The GSC aims to create awareness among students to get knowledge about issues regarding gender in society. Dr.S.Udayakumar AP/ Chemistry welcome the resource person and students. Resource person Dr.V.Sivakumar, Assistant Professor of Tamil, Raja Serfoji College, and thanjavur explained about issues relating to gender discrimination, women’s right and empowerment of women in detail. He also gave historical data about rights of gender in our society, the act of women harassment, advance safety measures of women in society. Finally he concluded the proud of women in our society with using suitable quote of tamil poet Bharathi.

National Service Scheme "Blood Donation Camp"

Date & Time: 29.01.2020, 10.30 AM

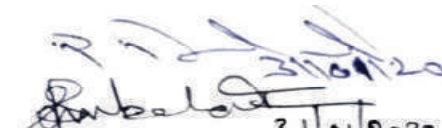

Venue: Physics Lab

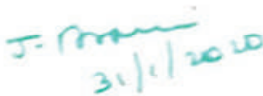

Report

Blood Donation Camp was organized by NSS associated with Thanjavur Medical College on 29.01.2020 at 10.30 AM in our college premise. In this Camp, Dr. T. Aravind and his team, has come to collect the blood from the donors. The Camp was started at 10.30 AM and inaugurated by our Secretary Dr. R. Rajendran. The Principal Dr. J. Arputha Vijaya Selvi made a brief visit, encouraged the organizers and student volunteers and appreciated the donors. The Camp was arranged by NSS programme officers Mr. P. Rajeshwaran, Unit I, Mr. S. Ambalatharasu, Unit II, and Dr. T. Aravindh MS. Ortho., Medical Officer, Blood Bank, Thanjavur Medical College Hospital, Thanjavur (TMCH).

The team, consisting of twenty members including Mr. K. Kannan, PRO and Counselor, Blood Bank, Thanjavur Medical College Hospital, Thanjavur (TMCH), came over here to conduct the camp. Under the supervision of Mr. K. Kannan, weight, hemoglobin, blood group and blood pressure of the donors were checked up before allowing the donors to carry out their noble task.

Finally, the camp was closed at 03.30 PM. During this camp, 48 Students of our College, voluntarily donated their blood to save up to 80 lives. Our volunteers got awareness that "There is no great joy than saving a soul." "We have nothing to offer but blood, toil, tears and sweat". "A life may depend on a gesture from you, a bottle of Blood."

"BIG TEMPLE CLEANING CAMP"

Date & Time: 29.01.2020, 10.30 a.m

Venue: Thanjavur

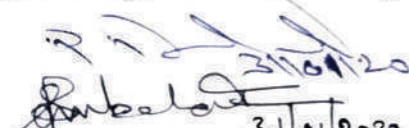

Report

As per the direction of Ministry of Youths Affairs and Sports in the scheme of Swachh Pakhwada under Swachh Bharat Mission, a one day cleaning camp in Big Temple Kumbabishegam, Thanjavur, was organized by the National Service Scheme of our college on 29.01.2020 at 10.30 a.m. The programme officers Mr. P. Rajeshwaran, Unit I and Mr. S. Ambalatharasu, Unit II, made all arrangements for this programme.

The programme was jointly set off by Dr. R. Rajendran, Secretary and the Principal Dr. J. Arputha Vijaya Selvi. In this Camp, 50 of our NSS volunteers eagerly participated and cleaned the entire places of the temple. The bushes, plastics, other wastages were removed from the temple pond and properly disposed.

The cleaning camp was helped to maintain spiritual ambience of the temple, and considered it would be highly useful for the devotees of the temple.

The Programme Officers were relatively appreciated by the Big temple Volunteer Service In-Charge Er.S.Muthukumar, Co-Ordinator, for the exemplary service rendered. Finally, the mass cleaning camp was ended at 4.00 p.m with divine satisfaction.

National Service Scheme "Cleaning Campaign and Awareness Rally"

Date & Time: 12.10.2019, 7.30 a.m.

Venue: Big Temple

REPORT

"The objective of cleaning is not just to clean, but to feel happiness living within that, environment"

-Marie Kondo

National service Scheme student volunteers of our college participated in Cleaning campaign and Awareness rally organized by Ministry of Tourism, Government of India and INTACH (Indian National Trust for Arts and Cultural Heritage) at Brihadeeswara Temple, Thanjavur (Big Temple) on 12.10.19 as a part of "Swatch Hi Seva and Paryatan Parv".

The Rally started from Thanjavur Palace to Brihadeeswara Temple through south Main Street. The students actively participated in the weeding out the bushes and cleaning the drain along the road sides. Finally, the campaign came to an end at 4:00 pm as the team reached town. At the end of the campaign, the team was able to collect almost half a truck load of waste. There were 100 NSS Volunteers participated.

Such a program is specially organized to impart values in the mindset of students and the community on environmental cleanliness and it's preservation as a whole.

"Maha Kumbabishekam festival Brahatheeswarar Temple"

Date: 04 & 05.02.2020.

Venue: Brahatheeswarar Temple

Report

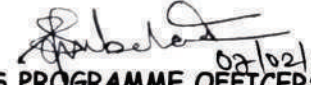

Service is considering as best leader in the world. We got better opportunities to take part in the consecration work of our district Brahatheeswarar Temple, Thanjavur on 04.02.2020 & 05.02.2020. The programme officers Mr. P. Rajeshwaran, Unit I, and Mr. S. Ambalatharasu, Unit II, had made all the arrangements. Our secretary Dr.R.Rajendran sponsored exclusively designed T-Shirt for all our NSS volunteers, and our Principal Dr.J.Arputha Vijaya Selvi sent off our volunteers for the cleaning camp with sweet. Our college was given the reputation to sponsor graffiti (wall painting) picture representing ancient tamil culture.

The ceremony was formally inaugurated by Thanjavur District collector Mr. M. Govindaraj Rao. 50 of our NSS volunteers committed to guide all the visitors. Thousands of devotees witnessed the kumbhabishegam, held after 23 years, from the temple premises.

The consecration of Sri Brahadeeswarar Temple in Thanjavur was performed on Wednesday with religious fervour. Thousands of people converged to the town to witness the memorable and historical event.

Holy water, brought from the 'yaga salai' was poured on the gold-plated 'kalasam' placed at an altitude of 216-feet high 'vimanam'. Later, the granite idols of Peruvudaiyar (Brahadeeswarar), Periyannayaki (Brahannayaki) and other deities were sanctified with the holy water brought from the 'yaga salai', at around 9.45 a.m.

Finally our programme officers were received a best NSS Volunteers service award from the Thanjavur District Collector Mr. M. Govindaraj Rao.

Venue: Physics Lab

Report

Diabetes Awareness camp was organized by NSS in association with Dr. Mohan's Diabetes Specialties Centre, Thanjavur on 20.02.2020 at 10.30 a.m. in our college premises.

In this Programme, Dr. D. Killivalavan, Consultant, Mr. G. Jawahar, Centre Head and Mr. D. Ranganathan, ECG Technician from Dr. Mohan's Diabetes Specialties Centre, Thanjavur, to create awareness about diabetes and tested our staff members Pressure and random blood glucose level. The programme was formally inaugurated by our Secretary, Dr. R. Rajendran and the Principal Dr. J. Arputha Vijaya Selvi, honoured the guest with shawl and felicitated the gathering. The Programme was arranged by NSS programme officers Mr. P. Rajeshwaran, Unit I & Mr. S. Ambalatharasu, Unit II.

While addressing the gathering, the guest made clearly out, "Diabetes is one of the fastest growing health challenges of the 21st century. Adults living with diabetes having more than tripled over the past 20 years. Diabetes is a disease that occurs when our blood glucose, also called blood sugar, is too high. Blood glucose is our main source of energy and comes from the food we eat. Insulin, a hormone made by the pancreas, helps glucose from food get into our cells to be used for energy."

“YOGA FOR STUDENTS”

Date & Time: 21.06.2019, 10.30 a.m

Venue: Chera Hall

As per the direction of Ministry of Youths Affairs and Sports in the scheme of Swachh Pakhwada under Swachh Bharat Mission, a one day Programme on **YOGA FOR STUDENTS** was organized by the National Service Scheme Units at our college campus on 21.06.2019 at 10.30a.m. The programme officers Mr. P. Raajeshwaran, Unit I and Mr. S. Ambalatharasu, Unit II, had made arrangement for this programme.

The programme was jointly inaugurated by Dr. R. Rajendran, Secretary and the Principal Dr. J. Arputha Vijaya Selvi. It was attended by **100** NSS volunteers of our college. The Guest Mr. P.Krishnan Balaji delineated the inception of International Day of Yoga proposed by our Prime Minister. He said, “Yoga is an invaluable gift of India’s ancient tradition. It embodies unity of mind and body by changing our lifestyle and creating consciousness.”

Mr. S. Ambalatharasu, , In-charge of Unit II, Assistant Professor, Physics, KCE, thanked the entire gathering with an insistence on the use of valuable ideas in one’s life to achieve success and set a path to youngsters.

National Service Scheme "Awareness Programme on Food Safety"

Date & Time: 22.07.2019, 12.00pm to 01:30pm

Venue: Chera Hall

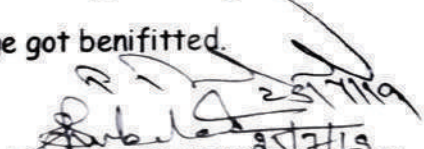

Report

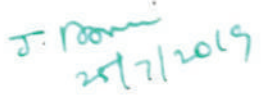

Foodborne illnesses are usually infectious or toxic in nature and caused by bacteria, viruses, parasites or chemical substances entering the body through contaminated food or water. Chemical contamination can lead to acute poisoning or long-term diseases, such as cancer. Foodborne diseases may lead to long-lasting disability and death. Examples of unsafe food include uncooked foods of animal origin, fruits and vegetables contaminated with faeces.

Keeping this in mind, an Awareness Programme on Food Safety was organized by NSS in association with Tamilnadu Food Safety and Drug Administration Department of pudukkottai, at our college premise on 22.07.2019 from 12.00pm to 01:30pm.

In this Programme, Dr.R.Ramesh Babu and his team discussed unsafe food containing harmful bacteria, viruses, parasites or chemical substances, that remain a stoic cause for more than 200 diseases - ranging from diarrhoea to cancers. The Programme was started at 12.00 pm and inaugurated by our Secretary Dr. R. Rajendran. The Principal Dr.J.Arputha Vijaya Selvi graced the occasion. The Programme was arranged by NSS programme officers Mr. P. Rajeshwaran, Unit I, Mr. S. Ambalatharasu, Unit II, and Mr.R.Vijayakumar & Mr.N.Aravinthan food safety officers in pudukkottai.

Finally, the Programme ended at 1.30 PM. with 350 students from all year of our College got benefitted.

Date & Time: 08.08.2019, 10.30 AM

Venue: KCE Block-I

Report

"One Student One Tree Programme" was organized by NSS on 08.08.2019. The Programme was inaugurated by our Secretary Dr. R. Rajendran. The event commenced with welcome address given by our Principal Dr. J. Arputha Vijaya Selvi. The guest Honorable Mr. D. Yogaraj, Social Welfare, sponsored variety of saplings and he advised to take care of it. The Programme was arranged by NSS programme officers Mr. P. Rajeshwaran, Unit I, Mr. S. Ambalatharasu, Unit II.

He also noted, "Trees are giving great benefits, Trees give off oxygen that need to breathe. Trees reduce the amount of storm water runoff, which reduces erosion and pollution in our waterways and may reduce the effects of flooding. Every living species depends upon trees."

During this Programme, 200 Students of our College participated and planted the trees in the campus.

Report

A Heart Day Awareness Programme was organized by NSS in association with Anu Hospital, CPR & First Aid training group from Thanjavur on 04.10.2019 between 09.30Am and 12:30pm at our college premises.

In this Programme, Dr.R.V.Sivakumar (cardiologist) and his team introduced the functions of heart and how one can protect him from the heart attack? Earlier, the Programme was inaugurated by our Secretary, Dr. R. Rajendran and the Principal Dr.J.Arputha Vijaya Selvi, felicitated the function, The Programme was arranged by NSS programme officers Mr. P. Rajeshwaran, Unit I & Mr. S. Ambalatharasu, Unit II.

The guest, while addressing, informed, "the human heart pumps blood into the arteries that carries oxygen and nutrients to all the tissues of the body. The heart is located in the center of the chest with its apex toward the left. It is the hardest working muscle in the body as it beats non-stop. Heart attack generally causes chest pain for more than 15 minutes, it's important to be aware that symptoms other than chest pain may occur, such as indigestion or persistent neck or jaw pain."

Finally, the Programme ended at 12.30pm. During this Programme, 165 Students from 1st year of our College got benefited.

"150th BIRTH ANNIVERSARY OF MAHATMA GANDHI"

Date & Time: 6.10.2019, 10.30 a.m

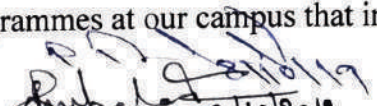

Venue: Online Mode

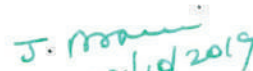

As per the direction of Ministry of Youths Affairs and Sports in the scheme of Swach Pakhwada under Swachh Bharat Mission, a one day Programme on **150th BIRTH ANNIVERSARY OF MAHATMA GANDHI** was organized by the National Service Scheme Units of our college on 6.10.2019 at 10.30 a.m. The programme officers Mr. P. Raajeshwaran, Unit- I, and Mr. S. Ambalatharasu, Unit- II, had arranged this programme.

The programme was inaugurated with the elegant presence of Dr. R. Rajendran, Secretary and the Principal, Dr. J. Arputha Vijaya Selvi. The programme was eagerly participated by **100 NSS** volunteers to mark the celebration of 150th birth anniversary of Gandhiji. "This celebration", as felt by the guest, "has given us an opportunity to remind us of the humanity of Mahatma Gandhi who is still remembered as an inspiration for future generations." He also ascertained, "We must express our gratitude to Mahatma Gandhi for his ever lasting contribution to humanity. We must pledge to continue to work hard in order to realize his dreams and create better planet."

Many activities and programmes were held from time to time during this period, observing this as International Non-Violence Day. The activities conducted to the students to remind the ideals and principles of the Father of our Nation.

Finally, Mr. S. Ambalatharasu, In-charge of Unit II, Assistant Professor, Physics, KCE, thanked the gathering for their continuous support to envisage more such programmes at our campus that instill moral values.

National Service Scheme "Organ Donation Awareness Marathon"

Date & Time: 17.08.2019, 06.30 AM

Venue: Pudukkottai Court

Report

Organ donation is the process when a person allows an organ on his/her own to be removed and transplanted to another person. Donation may be for research or, more commonly, healthy transplantable organs and tissues may be donated to be transplanted into another person. Common transplantations include kidneys, heart, liver, lungs, bones, bonemarrow, skin, corneas. Some organs and tissues can be donated by living donors, such as a kidney or part of the liver, part of the pancreas, part of the lungs or part of the intestines, but most donations occur after the donor has died.

"Organ Donation Awareness Marathan" was organized by Tamilnadu Government on 17.08.2019. The Programme was started in Pudukkottai Court at 06.30 AM. The Principal Dr.J.Arputha Vijaya Selvi advised our student volunteers to participate in Organ Donation Awareness Marathon. The event was flogged off by Tamilnadu State Health Minister Honourable Dr.C.Vijaya Baskar, from Pudukkottai court to KKC stadium. More than 100 Students volunteers from our institution participated in this marathon. The NSS programme officers Mr. P. Rajeshwaran, Unit I, Mr. S. Ambalatharasu, Unit II, along with our students participated in this marathon.

Venue: Big Temple

REPORT

"The objective of cleaning is not just to clean, but to feel happiness living within that, environment"

-Marie Kondo

National service Scheme student volunteers of our college participated in Cleaning campaign and Awareness rally organized by Ministry of Tourism, Government of India and INTACH (Indian National Trust for Arts and Cultural Heritage) at Brihadeeswara Temple, Thanjavur (Big Temple) on 12.10.19 as a part of "Swatch Hi Seva and Paryatan Parv".

The Rally started from Thanjavur Palace to Brihadeeswara Temple through south Main Street. The students actively participated in the weeding out the bushes and cleaning the drain along the road sides. Finally, the campaign came to an end at 4:00 pm as the team reached town. At the end of the campaign, the team was able to collect almost half a truck load of waste. There were 100 volunteers participated.

Such a program is specially organized to impart values in the mindset of students and the community on environmental cleanliness and it's preservation as a whole.

CATC CAMP- I CUM VSG TRG II 2019

REPORT ON N.C.C CAMP

CATC -I CUM VSG TRG II HELD AT PMIST-VALLAM FROM (02/07/2019 TO 11/07/2019)

With your blessings and Valuable Guidance I, Flying officer B.Baran kumar, Deputy camp commandant, have the great pleasure, in presenting the report of the Camp activities.

The primary aim of this camp is, to prepare for the next year competitions, like, Inter Unit competitions, Vayu Sainik Competitions, Republic Day Camps and for various certificate examinations. The duration of this Camp is from 02nd July 2019 to 11th July 2019.

INAUGURATION

This camp was commenced on 02nd July 2019, the Combined Annual Training Camp- I Cum VSC TRG II 2019 Kicked off with Camp Commandant Wg Cdr C.Gunasekaran Sir heartily welcoming speech and his presentation elucidating the behaviour expected from the cadets in the campus of PMIST-Vallam. Kicking off on high note, the camp had a lot to offer for the development of the cadets.

CAMP STRENGTH

A total of 527(500 cadets and 27 staffs) members participated in this camp. These members include 10 Associate NCC Officers, 98 Senior Division Cadets, 53 Senior wing Cadets, 316 Junior Division Cadets, 33 Junior wing Cadets, 13 PI Staffs, 10 State govt staffs.

CAMP ACTIVITIES

Health runs beginning right from the break of dawn saw to it that the cadets stayed fit as fiddles. Running in step with each other, shouting left-right-left, the cadets understood the importance of synergy through their synchrony in running. This was followed by a healthy and sumptuous breakfast from 0645 hrs to 0800 hrs that left the cadets asking for more. Giving the cadets a chance to personify the motto of NCC, Unity and Discipline, breakfast was followed by a drill session lasting for 2 hours. Theory classes on the working of the IAF were also organized on a daily basis which inspired the cadets to pursue a career in the Armed Forces. This was followed by a nourishing south Indian lunch culminating into the much needed rest for the day. Activities then commenced at 1530 hrs in the form of a Community Development Activity which included cleaning up the campus of the PMIST making the cadets realize the importance of keeping the surroundings clean. This was followed by exemplary guest lectures and lectures by the staff of the unit. Cultural events for the night commenced at 2000 hours continuing till 2200 hours.

Apart from the events in these common schedules, A plethora of cultural activities were conducted to bring out the hidden artistes in the cadets. Giving them an opportunity to

have fun bonding with their college cadets, these events were nothing short of beautiful to behold. Kicking off with the solo dance competition, the cluster consisted of group dance, synchronised dance, NIAP and group song competitions. The tremendous leadership capability seen in ANO'S AND PI Staffs was instrumental in making the hard decision of judging the extraordinarily talented cadets of 3 TN Air SQN (Tech) NCC.

COMMUNITY DEVELOPMENT

Cadets were detailed to do community development activity daily. 100 cadets along with 02 ANO and PI staff visited and conduct a cleaning activity in a PMIST at our CATC camp premises.

RANGE FIRNG

All cadets in this camp got the opportunity to fire Pump Action Guns and .22 Bolt Action Rifles as part of skeet shooting and rifle firing respectively.

VSC TRAINING

38 cadets hailed from different institution got special training to participate in the upcoming VSC-IGC camp. The training involves Best cadet training, drill, Skeet firing, Aeromodelling, Tent pitching, Line area, etc.

IFS OFFICER VISIT

T.V. Manjunath, IFS, Principle Chief Conservator of forest, Trichy visited our camp cite on 5th July 2019 and gave a mind-blowing speech about bio-Diversity and vegetation of various places in India. He explained the relationship between trees and animals, trees and human being and trees and environment. Finally it is an eye opening speech for all cadets about environment.

EYE CHECKING CAMP

An eye checking camp was conducted in association St. Joseph Eye hospital, Trichy in this camp on 5th July 2019. A total of 500 cadets got benefited in this camp. All cadets learned how to maintain their eyes properly to have a healthy vision for their success in their life.

BLOOD GROUPING AND HB CHECKING CAMP

Blood grouping and HB checking was conducted in association with Uyir Thuli blood bank, Trichy. More than 350 odd cadets came to know about their blood group first time and HB level in their blood and the importance of maintaining HB level in blood for healthy and successful life.

47 AIR FORCE STATION VISIT

A total of 52 cadets (46 VSC cadets and 06 Aeromodelling cadets), 01 AMI instructor, 03 ANO's, 02 PI staffs and commanding officer Wing commanding C. Gunsekaran, 3 (TN) Air Sqn (Tech), N.C.C., visited the 47 Air force station, Thanjavur on 6th July 9, 2019. Chief operational officer Wing Commander M Das sir guided as properly and briefly explained about virus aircraft and SU-30 aircraft in which our vsc cadets going to join soon in near future. It's a dream comes true to many of our cadets who always look

skies and wonder how this huge bird flying in sky and when i will see in closely. A special thanks to chief commanding officer Gp Capt Prajwal Singh of 47 air force station, Thanjavur, who grant permission to visit. Sir our cadets not only learned about how the parachute open and act as air break in SU-30.they also learn how open mind can help them to learn things quickly which lead to success.

TREE PLANTATION:

Cadets were detailed for tree plantation activity .100 cadets along with 03 ANO and PI staff indentified various places in and around camp site to plant saplings A total of 100 sapplings were planted in camp site.

Prize won:

<u>S.NO</u>	<u>EVENT</u>	<u>PRIZE</u>
<u>1.</u>	<u>Volley ball</u>	1st prize
<u>2</u>	<u>Line layout</u>	1st prize
<u>3.</u>	<u>Drill</u>	2nd prize
<u>4.</u>	<u>Best cadets (senior wing)</u>	SGT.Rajalakshmi III ECE

CONCLUSION:

In a nutshell, the camp was an enriching one with more potential for intellectual development than seen in any camp before.

"Maha Kumbabishekam festival Brahatheeswarar Temple"

Date : 04 & 05.02.2020.

Venue: Brahatheeswarar Temple

REPORT

Protecting the civilians is consider as a service to the god, we got better opportunities to protect and service the civilians in our district Brahatheeswarar Temple consecration, Thanjavur on 04.02.2020 & 05.02.2020. Flying Officer Dr.B.Baran kumar, Associate NCC Officer, A2 Flight made all the arrangements, our secretary Dr.R.Rajendran sponsored T-Shirt for all our NCC cadets with devotional words and Principal Dr.J.Arputha Vijaya Selvi send off our cadets with sweet in hand to get success of this ceremony and our college sponsored one wall painting picture of ancient tamil cultural art.

The ceremony was formally inaugurated by Thanjavur District collector Mr. M. Govindaraj Rao. The programme witnessed the enthusiastic participation of 50 NCC Cadets of our college who committed to protect civilians who were gathered at the place of yaaga salai, inside the temple. Thousands of devotees witnessed the kumbhabishegam, held after 23 years, within the temple complex and from the lawns surrounding the temple.

The consecration of Sri Brahadeeswarar Temple in Thanjavur was performed on Wednesday with religious fervor and gaiety. Thousands of people converged to the town to witness the event at the 1,000-year-old historic temple.

Holy water, brought from the 'yaaga salai' was poured on the gold-plated 'kalasam' at the top 'vimanam' which is 216-feet high over the sanctum sanctorum of Sri Brahadeeswarar, and on the towers over the sanctum sanctorums of Goddess Brahannayaki and other deities at around 9.20 a.m. Later, the granite idols of Peruvudaiyar (Brahadeeswarar), Periyannayaki (Brahannayaki) and other deities were sanctified with the holy water brought from the 'yaaga salai', at around 9.45 a.m.

Flying Officer Dr.B.Barankumar,A.N.O was appreciated with best NCC Officer Award from Thanjavur District collector Mr. M. Govindaraj Rao, I.A.S.,

Our NCC Officer Flying Officer Dr.B.Baran kumar, Received award from Thanjavur collector for the Best NCC community Service in Maha Kumbabishekam festival Brahatheeswarar Temple

CITIZEN CONSUMER CLUB

"PLASTIC BAN AWARENESS PROGRAMME"

Date & Time: 01.02.2019, 11.00 a.m.

Venue: Kings Campus

Report

A one day Plastic Ban Awareness Programme was organized by the Citizen Consumer Club in our college on 01.02.2019. The programme officer Dr.G.Ramya Arockiamary had made all the arrangements for the programme.

The Programme was formally inaugurated by our Secretary, Dr. R. Rajendran, and Dr. J. Arputha Vijayaselvi, Principal of Kings College of Engineering. The programme witnessed the enthusiastic participation of 40 CCC volunteers and A power point presentation was presented to CCC volunteers in order to gain knowledge about plastic usage of boon and ban.

Every product has a shelf life, but sadly that is not the case with plastics. The fact is that our planet cannot digest plastic. Plastics take around 500 to 1000 years to completely degrade due to the presence of complex polymers. As a result, till now whatever bit of plastic has ever been manufactured or used by us can be found in some form or the other on the planet.

Tamil Nadu has announced its intention to ban the manufacture, sale, storage, and use of disposable plastic from January 1, 2019. The ban primarily covers the use of plastic carry bags, plastic plates, plastic cups, plastic flags, small plastic sachets used in packaging water, among others. Exclusions, however, apply for milk, curd, oil, and medicine packaging.

The awareness programme was really conducive to keep the environment clean and avoid using the plastics; our CCC volunteers stuck inside the campus the slogans of plastics ban usage, more than 700 pupils were benefited through the programme. The programme also disseminated a note of awareness to the volunteers who has undiminished concern for the society.

REPORT

A passport Seva-Student Connect Programme was organized on 20.02.2020 at Pallava Hall for our third and final year students by Youth Red Cross (YRC) in association with Passport Office, Thanjavur under the guidance and guidelines given by Dr.R.Rajendran, secretary, and Dr.J.Arputha Vijaya Selvi, Principal. Mr.Prabaharan, Administrative Officer (AO), Passport Seva Kendra, Thanjavur, has consented and conducted this programme. Mr.Santhosh, Citizen Service Executive (CSE) also graced this occasion through his presence.

The programme began with the prayer song followed by welcome address by K.Anandharaj, Programme Officer, Youth Red Cross. The guest was honoured with shawl and memento by Secretary and Principal respectively. Dr.R.Rajendran, Secretary delivered the Presidential address on the value and use of Passport. Then Our Principal Dr.J.Arputha Vijaya Selvi informed the students to grab the opportunity properly. Dr. S.Sivakumar, Vice Principal in his special address spoke about how Passport getting is made easier nowadays. Then Mr.Prabhakaran elucidated the importance and use of having passport in his key note address. The students raised many questions regarding the process, documentation and made queries about the proof of address and date of birth.

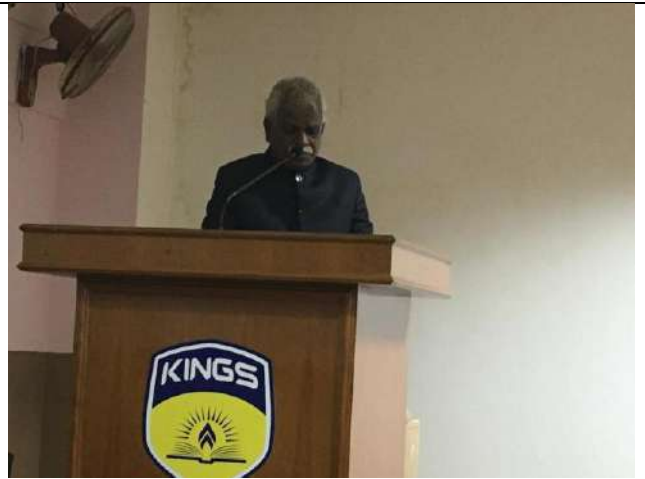

85 Students and three staff members applied for passport on the same day and 103 students of third and final year made an active participation and expressed that the programme was so useful.

"PLASTIC BAN AWARENESS PROGRAMME"

Date & Time: 01.02.2019, 11.00 a.m.

Venue: Kings Campus

Report

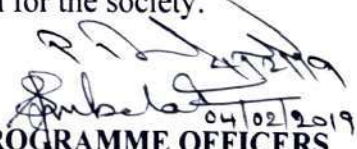

Every product has a shelf life, but sadly that is not the case with plastics. The fact is that our planet cannot digest plastic. Plastics take around 500 to 1000 years to completely degrade due to the presence of complex polymers. As a result, till now whatever bit of plastic has ever been manufactured or used by us can be found in some form or the other on the planet.

Insisting this idea, a one day Plastic Ban Awareness Programme was organized by the National Service Scheme in our college on 01.02.2019. The programme officers Mr. P. Rajeshwaran, Unit I, and Mr. S. Ambalatharasu, Unit II, had made all the arrangements for the programme.

The Programme was formally inaugurated by our Secretary, Dr. R. Rajendran, and the Principal, Dr. J. Arputha Vijaya Selvi. The programme witnessed the enthusiastic participation of 45 NSS volunteers. A power point presentation was presented by NSS PO to NSS volunteers in order to gain knowledge about the judicious use of plastic.

Tamil Nadu has made an announcement to ban the manufacture, sale, storage, and use of disposable plastic from January 1, 2019. The ban primarily covers the use of plastic carry bags, plastic plates, plastic cups, plastic flags, small plastic sachets used in packaging water, among others. Exclusions, however, apply for milk, curd, oil, and medicine packaging.

The awareness programme was really conducive to keep the environment clean and avoid using the plastics; our NSS volunteers stuck inside the campus the slogans of plastics ban usage. More than 700 pupils were given awareness through the programme. The programme also disseminated a note of awareness to the volunteers who has undiminished concern for the society.

"A One Day Eye Camp"

Date & Time: 08.02.2019, 10.00 AM

Venue: Chemistry Lab

Report

A One Day Eye Camp was organized by NSS in association with Dr. Agarwals Eye Hospital, Thanjavur at our college premise on 08.02.2019 by 10.00 AM. In this Camp, Mohamed Harish.N.M. DRT Executive and his team, screened the vision of our students & faculties. The Camp was started at 10.00 AM and inaugurated by our Secretary Dr. R. Rajendran. The Principal Dr.J.Arputha Vijaya Selvi encouraged the organizers and student volunteers. The Camp was arranged by NSS programme officers Mr. P. Rajeshwaran, Unit I, Mr. S. Ambalatharasu, Unit II.

The team, consisting of four members including Mohamed Harish.N.M. DRT Executive, Dr.Agarwals Eye Hospital Thanjavur, examined the power of eyesight with Retina treatment, letters reading, computerized eye testing.

Finally, the camp came to end at 2.30 PM. During this camp, 150 students and 50 staff members were expected to be benefitted through this eyes camp. There is no better way to thank god for your sight than by giving a helping hand to someone in the dark. Since we cannot change reality let us change the eyes which see reality.

**NATIONAL SERVICE SCHEME (NSS)****NOT ME  BUT YOU****"Report on Volunteering Pulse Polio Campaign"****DATE & TIME:** 09.03.2019 - 12.03.2019 & 07.00AM to 07.00PM**VENUE:** Toll Gate, Puthunagar, Gandarvakottai**REPORT**

Pulse Polio is an immunization campaign established by the government of India to eliminate poliomyelitis (polio) in India by vaccinating all children under the age of five years against the polio virus. The project fights poliomyelitis through a large-scale pulse vaccination programme and monitoring for polio cases. The Pulse Polio campaign has been scheduled in two phases for the year 2019. The first phase was scheduled 09th Mar 2019. Many immunization booths were set up in different places having the prime notion that no children should be missed out from vaccination.

In order to assist in one of the immunization booths in Puthunagar area, Dr.N.Sai Praba M.B.B.S, Block Medical Officer, Primary Health Center, Puthunagar, Pudukkottai district, made a request for groups of volunteers to do service in the Toll Gate at Puthunagar. With the consent of Dr.R.Rajendran, secretary and Dr.J.Arputha Vijaya Selvi, Principal, two teams were set up consisting of four members in each group. The members were

Team I			Team II		
S.No.	Name of the students	Class	S.No.	Name of the students	Class
1	R.Akash	I Mech A	1	S.Krishnakanth	I Mech A
2	D.Akash Raja	I Mech A	2	M.Maheswaran	I Mech A
3	S.Fazhil Ahamed	I Mech A	3	S.Samuel	I Mech B
4	B.Jeyaraj	I Mech A	4	S.Sanjay Kumar	I Mech B

They had been given many instructions on how to handle vaccine box and drops in the training programme conducted by K.Boominathan, Health inspector, Puthunagar, on 09.03.2019 at 2.00pm. Our team members were in the noble service of helping the health officials on Three days from 10.03.2019 to 12.03.2019 in the Toll Gate of NH226 generated at Puthunagar. The first team was in the service from 07.00am to 12.00pm whereas the second team from 12.00pm to 05.00pm. The numbers of children vaccinated in that point were 315. Frequent visits were made by NSS Programme officers, Mr.P.Rajeshwaran, Unit-I & Mr.S.Ambalatharasu, Unit-II to encourage the volunteers. The service rendered by the teams got great applause from the health department officials, toll gate officials and public.

"NATIONAL LEPROSY ERADICATION PROGRAMME"

Venue: College Campus

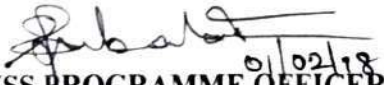

Date & Time: 30.01.2018 & 11.00 a.m.

Report

As per the direction given by the government of India to hold National Leprosy Eradication Programme -Tamilnadu, by conducting anti leprosy day (Martyrdom Day of Mahatma Gandhi), a Leprosy Awareness Campaign and Oath taking is observed on 30th-JAN-2018 in our college. The programme officers Mr. P. Rajeshwaran, Unit I, and Mr. S. Ambalatharasu, Unit II, had made all the arrangements for the programme.

The secretary of our college Dr.R.Rajendhran and our principal, Dr. J. Arputha Vijaya Selvi formally commenced the programme with few words about the Mahatma Gandhi who served not only to the nation freedom but also for the leprosy affected people in family and society in all over the country.

The oath taking was observed with the enthusiastic participation of more than 75 NSS volunteers of our college at 11:00 am. Mr.K.Albert Lawrence, AP/s&h, spoke about the Leprosy which is a chronic infectious disease caused by Mycobacterium leprae. He described, *"It usually affects the skin and peripheral nerves, but has a wide range of clinical manifestations. Leprosy is a leading cause of permanent physical disability. As a result of the hard work and meticulously planned and executed activities, the country achieved the goal of elimination of leprosy as a public health problem, defined as less than 1 case per 10,000 populations."*

"Biological Farming in Education"

Date & Time: 20-02-2018, 02.00 p.m.

Venue: Pallava Hall

Report

National Service Scheme of our college organized a Seminar on "Biological Farming in Education" in Pallava Hall on 20.02.2018 at 02.00 p.m. Mr. Eyarkkai Chinnaiya Natesan, veteran modern agriculture scientist and president, Indian Nature Association, delivered his speech on this occasion. The seminar began with the prayer song followed by welcome address, and guest introduction by Mr. P. Rajeshwaran, NSS programme officer, Unit-I.

The guest, winner of 'Empowering Young People Award' by Young Yoga Foundation and 'Special Award' by All India Tamil Cultural Corporation, delivered that the nature of Biological Farming in Education would lead our younger generation without global warming. He claimed, "Our forefathers lived their life in harmony with the nature which nurtured many lessons in their habitual life to lead the life of prosperity." Then, he praised the Tamil Literature and Culture which remain as the guiding principle to the people of today and especially the student community. He maintained, "students must learn the art of living from the nature which is a very good guide for emotional intelligence." Finally, he displayed important yoga manifestation of life resembling Lord Natarajar.

More than 80 students got the great opportunity of attending this programme and they were spell bound till the closure. The programme came to an end with the vote of thanks by Mr. S. Ambalatharasu, NSS Programme officer Unit-II.

National Service Scheme
Special Camp Report - 2018
Kings College of Engineering, Punalkulam
At
Mudhukulam&MookkappavudayanPallam
12th February 2018 - 18th February 2018

REPORT ON
NSS SPECIAL CAMP - 2018
ON
"HEALTHY YOUTH FOR HEALTHY INDIA" AT
MUDHUKULAM AND MOOKAPPANVUDAYANPALLAM

NSS units (I and II) of our College organized a seven-day special camp, on the theme 'Healthy youth for healthy India,' in the adopted villages, Mudhukulam and Mookkappavudayanpallam from 12th February to 18th February 2018. The Villages, existing about six kilometres from our college, are sparsely populated with 850 people. Every one of the NSS volunteers was fervent with the spirit of extending service to the common people of the adopted villages. Their service became very much synonyms to the Moto 'NOT ME BUT YOU'.

Initially, we laid the centre stage, with the cooperation from the villagers, for all the activities to be executed without deviation on all the seven days.

The volunteers from the units of I and II were incorporated to many activities; literacy & general awareness programmes, saplings plantation, health and hygiene programme, revamping of school and public buildings, temples, maintenance of communal harmony among the people etc.,

DAY -1

12-02-18

NSS SPECIAL CAMP - 2018

INAUGURATION

The day kick started with lot of zealous and a spirit of team work rose in everyone's heart. The Programme was started on at 4.00 PM with prayer song at the Middle school, Mudhukulam. Mr.P.Rajeshwaran, NSS Programme officer, Unit I, welcomed the gathering of dignitaries Dr. R.Rajendhran, the secretary, Dr. J.ArputhaVijayaSelvi, Principal and R.Annamalai, Public Relations Officer, of our college and Mr. T. Anbazhagan, Ex-President, Mrs.C.Chellammal, Headmistress Government Middle School, Mudhukulam, Mr.S.Ponkavan, Headmaster, Government Elementary School, Mookappavudayanpallam.

Dr. R.Rajendhran, the secretary, of our college inaugurated the camp with felicitation address and honored the dignitaries with shawl and memento and explained to the villagers and school children the importance of seven-day special camp while advising the volunteers to be devoted to their service enhancing the living standards of villagers. Finally, Mr. S. Ambalatharasu, NSS Programme officer Unit II, delivered Vote of thanks to all dignitaries attended the programme.

To encourage the committed participation, our NSS student volunteers distributed chocolates to the villagers and school students.

DAY - 1 - 12-02-18

NSS SPECIAL CAMP- 2018 - INAUGURATION

DAY -2

13-02-18- FORE NOON

NSS SPECIAL CAMP - 2018

The second day of the camp was started with a schedule of survey camp. With great pleasure, the volunteers went in and around of the streets of the villages to study the state of affairs of the people and their needs. It clearly stated that they are all farmers and wish their children to be good at studies to lead good life in future. Fulfilling their expectations, our NSS Volunteers explained the importance of education with career guidance, and also insisted that the knowledge would help modernizing agriculture with engineering innovations.

With a noble view of educating the village school students on computer skills to adopt to new world of education, our volunteers selected 59 students from the classes VI, VII, VIII of Mudhukulam Middle school and brought them to our college computer lab where all the students were given individual system to gain knowledge, volunteers guided students to operate systems and taught Microsoft office, painting, etc.

The session was presided by Mrs. S. M. Uma, HoD, Computer Science and Mrs. T. Gnajeya, HoD, Mathamatics. This initiative of our students, made the participants happy in the way the computer basics were given to them by our staff and volunteers. Headmistress, Mrs. C. Chellammal of middle school, Mudhukulam and school students felt this programme was useful and they paid visit to our library and wondered to witness the huge collection of books covering all topics.

DAY - 2 / 13-02-17 - FORE NOON

NSS SPECIAL CAMP - 2018

DAY -2

13-02-18- AFTER NOON

NSS SPECIAL CAMP- 2018

Our volunteers were deployed into an operation of cleaning programme. They moved around the villages to create awareness on the importance of cleanliness among the students and employees.

Our volunteers advised the students to keep classroom neat and use bin to throw uneaten Tiffin, food and wrappers. The students were also insisted not to play with chalk piece and misuse the chairs and tables when the teachers are not available in the class. Besides, our volunteers made note of making good use of books to enrich knowledge.

Headmistress of Government Middle School, Mudhukulam, honored the resource person Mr. K.Sundaramoorthy, AP, EEE, Kings College of Engineering, Punalkulam with shawl and memento. He dwelt on the merits and demerits of electricity and the advantage of Light emitting diode at our home to reduce the power consumption. However, he mentioned to make use of electricity judiciously. He also pointed out the alternate sources for power generation like solar, biogas., etc. Finally, he made basic questions about electricity and appliances. He distributed sweets to the young children at his own cost to appreciate their active participation.

DAY - 2 / 13-02-18 - AFTER NOON

NSS SPECIAL CAMP- 2018

DAY -3

14-02-18- FORE NOON

NSS SPECIAL CAMP - 2018

Our NSS volunteers worked hard to remove Prosopis Pallida tree around the school campus and nearby pond and were disposed properly outside the village. During the time, they created awareness on the effect of this kind of tree and how it depletes the ground water even in the villages.

Dr. T. Pushparaj, HoD, Department of Mechanical Engineering, Kings college of Engineering, Punalkuam, planted sapplings of all kinds of plants to save the undrground water and help avoiding soil erosion. He made awareness on the need of trees for avoiding inadequate rainfall and scarcity of water. So, he emphasized the concept of aforestration with all its importance.

Volunteers drew out water from nearby pond and irrigated the young plants at our adopted village with the slogan "cleanliness is next to Godliness". Definitely, the student volunteers will prove to ba good citizen by going green hand and disseminate this unique knowledge. As a result, this programme was greatly benifitable for the volunteers as well as dwellers of our adopted village.

NSS SPECIAL CAMP - 2018

DAY -3
14-02-18- AFTER NOON
NSS SPECIAL CAMP - 2018

NSS volunteers cleaned the shrub near agricultural land and they created awareness on maintaining cleanliness around agricultural land to improve the ground water level and motivated to improve the fertility of soil with wastage of shrub, plant and animal waste.

Headmistress of Government Middle School, Mudhukulam honored the resource person Dr. V. Suresh kumar, HoD, Science and Humanities, Kings College of Engineering, Punalkulam, with shawl and memento.

He distributed questionnaires regarding today's environment and collected it with answers. It showed that many of the students were not aware of environmental pollution. It had triggered for the need of awareness on protection of their atmosphere.

He detailed the environmental pollution and its control measures with live examples. He also interacted with students on environmental hazards and making them maintain their class rooms and the entire campus clean like their house. Major current environmental issues may include climate change, pollution, environmental degradation, and resource depletion etc. The conservation movement lobbies for protection of endangered species and protection of any ecologically valuable natural areas, genetically modified foods and global warming. In this programme 74 students participated and got benefited.

NSS SPECIAL CAMP - 2018

DAY - 3 ACTIVITIES

DAY -4
15-02-18- FORE NOON
NSS SPECIAL CAMP - 2018

The day started at the adopted village "Mookappanvudayanpallam" with a cleaning programme. The main programme on that day was conducting anti leprosy awareness campaign by our sincere volunteers. The team of experts issued the notice for the village people with their yeomen service.

Anti Leprosy Day (Martyrs Day of Mahatma Gandhi)

The Martyrs Day is observed every year as the Anti Leprosy Day all over the India in order to re-memorize his selfless efforts and care for the people affected by the infectious disease leprosy (also known as the Hansen's disease). It is celebrated to understand the real need to fight against the leprosy. Anti-Leprosy Day campaign is celebrated in the schools premises by showing the presentation as well as movie to the students to aware them towards the much infectious disease Leprosy.

The student volunteers reached out to the homes of the villagers and brought them to the camp carefully and dropped them at their homes after medical check-up. The doctor and his team did a splendid service on the day at camp. More than 100 villagers got benefitted with this camp.

DAY - 4 / 15-02-18 - FORE NOON

NSS SPECIAL CAMP - 2018

DAY -4

15-02-18- AFTER NOON
NSS SPECIAL CAMP - 2018

This noon was wholly spent on cleaning the school and its campus. The volunteers took active role in cleaning the bushes of the Mookappavudayanpallam Elementary School. More than 100 students took part in it. It was a real joy to see the ardent students with enthusiasm cleaning the school and its surroundings. There was a session of imparting the techniques of how to keep class rooms neat and tidy and also the subsequent maintenance of class rooms in future.

The volunteers, started from school, visited the houses of the villagers to spread the message on sanitary systems and health problems caused due to it. Volunteers advised villagers to build toilets in their individual houses and also provided information of the initiatives taken by the government in the name of "Swatch Bharat".

The volunteers then, switched on to the cleaning of the small plants and trees with greater zeal. The method of proper using of the urinal sand lavatories was clearly explained to the students of that school. While cleaning the toilet around areas, there were insects and the volunteers explained how to take care of themselves while doing such cleaning. The day was so remarkable for the students to learn the art of maintaining and taking care of the school in this particular aspect.

DAY - 4 / 15-02-18 - AFTER NOON

NSS SPECIAL CAMP - 2018

DAY 4 ACTIVITIES

DAY -5

16-02-18- FORE NOON

NSS SPECIAL CAMP - 2018

Day five was an eventful day. The volunteers went to the village and cleaned the area by uprooting the unwanted plants. And also, the polythene papers strewn in and around the village were removed and the villages wore a fresh and new look after this massive cleaning. An Eye Camp was organized for the general public of the village, and awareness spread on hazards of tobacco chewing. Moreover, the precautionary methods of avoiding tobacco-use was clearly explained with due demonstration.

The highlight of the day was the conduct on Vasan Eye Camp inaugurated by our PRO Mr.R.Annamalai. Team of doctor and assistants were engaged in free Eye checkup. The Doctor was gracious enough to freely distribute paste and brush to all participants and school children attended the camp. The doctor advised to take care of vision having foods rich in whole grains, vegetables, fruits and dairy products.

The charts and useful educational materials were distributed to all the students by the Headmistress Mrs. C. Chellammal, Government Middle School, Mudhukulam and Mr. S. Ponkavan, Headmaster, Government Elementary School, Mookappavudayanpallam. The students were all smiles while receiving the gifts. About 76 students out of 124 got the benefitted.

DAY - 5 / 16-02-18 - FORE NOON

NSS SPECIAL CAMP - 2018

DAY -5
16-02-18- AFTER NOON
NSS SPECIAL CAMP - 2018

The afternoon session was very much interesting to the students of school and the people of villages as they were engaged to different sporting activities even though the most devoted volunteers experience a lack of inspiration and motivation from time to time. The volunteers also conducted a useful session on "Health, Play and Hygiene".

Cultural is the foundation of communication and it involves the ability of standing back from ourselves and becoming aware of our cultural values, beliefs and perceptions. The students performed the art of singing, dancing and displayed histrionic talents. At the end of the cultural session, the results were announced and they were awarded with prizes during the Valedictory.

This programme gave the ample opportunity for creating awareness among the students and village-mass regarding the care of physical problems. Roughly about 150 students enjoyed with Co-curricular and Extracurricular activities.

DAY - 5 / 16-02-18 - AFTER NOON

NSS SPECIAL CAMP - 2018

DAY -6

17-02-18 - FORE NOON

NSS SPECIAL CAMP - 2018

This day was noticeable by general cleaning in and around the Panchayat building of the village by incorporating the villagers. The volunteers were so active in plastering the school floors and painted the wall and notice board of the school. Blackboard are nothing but big slates in which the student community write a number of times to get the lesson registered in their minds for ever and ever for the utilization throughout their life.

Dr. V. Kumaran, Assistant professor of English, Kings college of Engineering, Punalkulam held a session for the villagers and students on the importance of ballot vote - on how to make use of their franchise - the democratic duty of every citizen of India. He asked the students various questions on electoral themes and appreciated them for giving correct answers. He dwelt honour democracy. It is not simply enough to inform voters about election dates. In order to help the electorates, take an informed decision, it is quintessential to sensitize them about the importance of participating in the electoral process. Moreover, he educated the voter about the process and made aware of the political parties, their manifestos, backgrounds of the contesting candidates and armed with several other information to help them cast an 'enlightened' ballot. All the students of the school and villagers attended the session were greatly benefitted.

DAY -6 / 17-02-18 - FORE NOON

NSS SPECIAL CAMP - 2018

DAY -6

17-02-18- AFTER NOON

NSS SPECIAL CAMP - 2018

The students gave the knowledge of general awareness and the hygienic way of living. The volunteers took active participation in painting the school walls. The pits outside the school were dug freshly and the waste was duly dumped into it. The volunteers laid the stress on the follow-up work in the days to come. Moreover, the villagers were illustrated on how to keep front and backyards, the garden and trees clean in future.

This Veterinary camp was graciously initiated by Mr. A. Albert Martin Ruban, HoD/EEE, Kings College of Engineering, Punalkulam. The volunteers took active role in approaching every door and informing the villagers to bring their cattle and goats to the doctors for check-up and diagnosis.

It was an important one for the volunteers as well as villagers of the adopted village. A grand Veterinary camp was conducted under the sagacious leadership of Dr. P. Viswanathan during the time all the cattle such as cows, bulls, goats and hens were brought, checked up by the team of veterinary doctor and the doctors diagnosed their diseases and medicines and medical guidance were given to the owners of the cattle. The veterinary team gave cautions and guidelines of how to protect the cattle from the seasonal diseases.

DAY - 6 / 17-02-18- AFTER NOON

NSS SPECIAL CAMP - 2018

DAY -7 - 18-02-18

NSS SPECIAL CAMP - 2018 VALEDICTORY FUNCTION

The meeting began with Tamil Thai Vazhthu. The Vice Principal Dr.S.Sivakumar, Kings college of Engineering, Punalkulam was kind enough to honour Headmistress Mrs. C. Chellammal, Government Middle School, Mudhukulam and Mr. S. Ponkavan, Headmaster, Government Elementary School, Mookappavudayanpallam with shawl and memento.

The Headmistress Mrs. C. Chellammal honored The Vice Principal Dr.S.Sivakumar, Mr. P. Rajeshwaran, NSS programme officer unit-I and Mr. S. Ambalatharasu, NSS programme officer unit-II with the shawl and memento for the magnificent works in all days. he thanked all of them for having educated the villagers, giving awareness programmes and medical camps.

The Vice Principal Dr.S.Sivakumar, delivered a speech on youth awareness on many aspects and women's active participation in societal modern programmes. he was encouraging the young students to get shaped to make modern India. The prizes were distributed by our Vice Principal Dr.S.Sivakumar, to the school children. To motivate the volunteers about their outstanding service to the villagers Mrs. C. Chellammal distributed gifts to all the NSS volunteers.

The villagers thanked the NSS team and organizers for providing awareness about cleanliness, and also urged to hold camp every year in the village. At the end, volunteers on the stage shared their practical camp rewarding experience. The camp indeed ended on a cheerful note with the anthem of our nation, the days ended with reminiscences.

Report

As per the direction given by the MHRD (MINISTRY OF HUMAN RESOURCE DEVELOPMENT) of Swachh Bharat Summer Internship', a Programme was organized by the National Service Scheme of our college on 13th July 2018, at our college premises. The programme officers Mr. P. Rajeshwaran, Unit I and Mr. S. Ambalatharasu, Unit II, made all arrangements for this programme.

The programme was jointly inaugurated by Dr. R. Rajendran, Secretary and the Principal Dr. J. Arputha Vijaya Selvi. Dr. V.Kumaran offered his timely help for the the success of the programme. In this Programme, 75 NSS volunteers of our college eagerly participated and provided enthusiastic contributions to the various layers of the programme.

The MHRD associating with the Ministry of Water and Sanitation named 'Swachh Bharath Summer Internship-100 Hours of Swatchha' with an objective to engage youth across the country, develop their skill, orientate for sanitation related work, and make swachh bharath mission a jan andolan.

Finally, our programme officer made a note to all NSS volunteers to register their names into the website <http://sbsi.mygov.in>. without fail and concluded the programme.

**"DENGUE AWARENESS PROGRAMME"****Date & Time: 10.10.2018, 09.30 a.m.****Venue: KCE Campus****Report**

A one day Dengue awareness Programme was organized by the National Service Scheme of our college on 10.10.2018 in association with the Primary Health Center, Pudunagar, Pudukkottai. The programme officers Mr. P. Rajeshwaran, Unit I, and Mr. S. Ambalatharasu, Unit II, had made all the arrangements for the camp.

The camp was formally inaugurated by our Secretary, Dr. R. Rajendran, and our Principal Dr. J. Arputha Vijaya Selvi remained the key person for the successful completion of camp. Dr. Suresh, Primary Health Care Officer, Pudunagar and Health Inspector Mr. Ramesh, Pudunagar, had made guest participation in this camp and gave awareness on dengue, more particularly about various stages of Aedes mosquito and its transformation of growth like pupa, larvae, worm, insect, etc.,

He explained the symptoms of Dengue Fever, like continuous vomiting, knee pain, stomach pain, head ache, and body pain, and also alerted how it breeds in Flower pots, Water coolers, Refrigerators, and Wastages etc. The dengue mosquito prefers to bite its prey on the ankles, legs and knees. The Camp witnessed the enthusiastic participation of 100 NSS volunteers with the help of 28 members from Health Care Center, Pudunagar. In and around of our college campus, some of the water with larva in it were found and destroyed by "ABATE", which is a powerful larvicide that effectively controls mosquito larvae as the first line of defense against Dengue Mosquito.

The awareness camp was really conducive to keep the environment free from Dengue virus. The camp also disseminated a note of awareness to the volunteers who have undiminished concern for the society.

National Service Scheme "Blood Donation Camp"

Date & Time: 10.11.2018, 10.00 AM

Venue: Physics Lab

Report

Blood Donation Camp was organized by NSS in association with Thanjavur Medical College at our college premises on 10.11.2018 at 10.00 AM. In this Camp, Dr. T. Aravind and his team collected the blood from the donors. The programme was inaugurated by our Secretary Dr. R. Rajendran. The Principal Dr. J. Arputha Vijaya Selvi encouraged the organizers and the student volunteers, and appreciated the donors. The Camp was arranged by NSS programme officers Mr. P. Rajeshwaran, Unit I, Mr. S. Ambalatharasu, Unit II, with the cooperation of Dr. T. Aravindh MS. Ortho., Medical Officer, Blood Bank, Thanjavur Medical College Hospital, Thanjavur (TMCH).

The team, consisting of eight members including Mr. K. Kannan, PRO and Counselor, Blood Bank, Thanjavur Medical College Hospital, Thanjavur (TMCH), conducted the camp. Under the supervision of Mr. K. Kannan, weight, hemoglobin, blood group and blood pressure of the donors were checked before allowing the donors to carry out their noble task.

Finally, the camp was closed at 1.00 PM. During this camp, 48 Students of our College, voluntarily donated their blood to save up to 84 lives. Our volunteers stood an example to the line of "There is no great joy than saving a soul." "We have nothing to offer but blood, toil, tears and sweat". "A life may depend on a gesture from you, a bottle of Blood."

BLOOD DONATION CAMP

Organized by

National Cadet Corps(N.C.C)A2 FLIGHT

DATE: 08.02.2019

TIME: 10.30 AM

VENUE: Physics Lab 1st Year Block

REPORT

A2 FLIGHT National Cadet Corps (N.C.C), KCE organized a BLOOD DONATION CAMP in association with Meenakshi hospital, Thanjavur on 08.02.19, at 10.30am, in Physics lab (1st year block). A team of 50 N.C.C cadets and staff members from various department participated in the function. The function arrangements were made by Flying Officer B.Baran Kumar, Associate N.C.C Officer and the N.C.C Cadets and Mr.B.Suresh Babu and Mr.K.Sudhkar from Training and placement department.

The function was started by **Dr.R.Rajendran**, the Secretary, in the presence of **Dr.J.Arputha Vijaya Selvi**, the Principal, **Dr.S.Siva kumar**, Vice Principal, staff members from various departments. **Dr.J.Arputha Vijaya Selvi**, the Principal, KCE expressed her gratitude to the NCC unit of the college for its continuous endeavor in this regard. It could save someone's precious life, Could light a family's lamp, and could give happiness to a family. It is a matter of pride for the NCC cadets of KCE of this great work and their cooperation. He also stressed on the growing need of blood in the state and commended the young NCC cadets and other student volunteers for their noble act. Refreshment was given to each donor as a token of gratitude.

The applause goes to all NCC cadets for their excellent performance exhibited during the blood donation camp. There was an overwhelming response from NCC cadets and other student donors a total of 37 units were collected in the camp. Some of the donors who could not donate this time were assured for donation in the next camp. Meenakshi hospital medical team was provided with lunch and the camp concluded at around 3.30 p.m.

 (Flying Officer B.Baran Kumar)

CATC CAMP- I CUM VSG TRG III 2018

REPORT ON N.C.C CAMP

CATC -I CUM VSG TRG III HELD AT PMIST-VALLAM FROM (11/07/2018 TO 20/07/2018)

With your blessings and Valuable Guidance I, Flying officer B.Baran kumar, Additional Deputy camp commandant, have the great pleasure, in presenting the report of the Camp activities.

The primary aim of this camp is, to prepare for the next year competitions, like, Inter Unit competitions, Vayu Sainik Competitions, Republic Day Camps and for various certificate examinations. The duration of this Camp is from 11th July 2018 to 20th July 2018.

INAUGURATION

This camp was commenced on 11TH July 2018, the Combined Annual Training Camp-I Cum VSC TRG III 2018 Kicked off with Camp and Commandant Wg Cdr C.Gunasekaran Sir heartily welcoming with a presentation elucidating the behaviour expected from the cadets in the campus of PMIST-Vallam. Kicking off on high note, the camp had a lot to offer for the development of the cadets.

CAMP STRENGTH

A total of 531(499 cadets and 32 staffs) members participated in this camp. These members include 10 Associate NCC Officers, 124 Senior Division Cadets, 42 Senior wing Cadets, 297 Junior Division Cadets, 36 Junior wing Cadets, 13 PI Staffs, 09 State govt staffs.

CAMP ACTIVITIES

Health runs beginning right from the break of dawn saw to it that the cadets stayed fit as fiddles. Running in step with each other, shouting left-right-left, the cadets understood the importance of synergy through their synchrony in running. This was followed by a healthy and sumptuous breakfast from 0645 hrs to 0800 hrs that left the cadets asking for more. Giving the cadets a chance to personify the motto of NCC, Unity and Discipline, breakfast was followed by a drill session lasting for 2 hours. Theory classes on the working of the IAF were also organized on a daily basis which inspired the cadets to pursue a career in the Armed Forces. This was followed by a nourishing south Indian lunch culminating into the much needed rest for the day. Activities then commenced at 1530 hrs in the form of a Community Development Activity which included cleaning up the campus of the PMIST making the cadets realize the importance of keeping the surroundings clean. This was followed by exemplary guest lectures and lectures by the staff of the unit. Cultural events for the night commenced at 2000 hours continuing till 2200 hours.

Apart from the events in these common schedules, A plethora of cultural activities were conducted to bring out the hidden artistes in the cadets. Giving them an opportunity to have fun bonding with their college cadets, these events were nothing short of beautiful to behold. Kicking off with the solo dance competition, the cluster consisted of group dance, synchronised dance, NIAP and group song

competitions. The tremendous leadership capability seen in ANO'S AND PI Staffs was instrumental in making the hard decision of judging the extraordinarily talented cadets of 3 TN Air SQN (Tech) NCC.

COMMUNITY DEVELOPMENT

Cadets were detailed to do community development activity daily. 100 cadets along with 02 ANO and PI staff visited and conduct a cleaning activity in a PMIST at our CATC camp premises.

RANGE FIRING

All cadets in this camp got the opportunity to fire Pump Action Guns and .22 Bolt Action Rifles as part of skeet shooting and rifle firing respectively.

VSC TRAINING

52 cadets hailed from different institution got special training to participate in the upcoming VSC-IGC camp. The training involves Best cadet training, drill, Skeet firing, Aeromodelling, Tent pitching, Line area, etc.

AEROMODELLING FLYING AND EXPOSURE

An aeromodelling feat was displayed to the cadets every morning from 11th of July 2018 onwards. Showcasing complicated manoeuvres, the display was one which had all the cadets' attention centered on it. The cadets were also encouraged to ask doubts and get them cleared from the instructor.

GROUP COMMANDER VISIT

Colonel R. Shivanathan, Group commander, Trichy Group visited the camp on 13th July 2018 and 14th July 2018. He had a lot to share about his experiences in his field which awakened the latent wanderlust in the youngsters. He stayed in this camp for two days and he encourages our cadets and conducted various sports activities among the ANO's, PI staffs and Cadets of different categories. He momentarily inspected all routine camp activities which held in that two days.

TRAINING OFFICER VISIT

Major A. Pateric, Training Officer, Trichy Group visited the camp on 17th July 2018. He had a lot to share about his experiences in his field which awakened the latent wanderlust in the youngsters. He motivated and inspected RD camp and VSC-IGC participant.

MOTIVATIONAL SPEECH

The jewel on the crown that CATC-I Cum VSC TRG III was, were the guest lectures. Covering a wide range of topics, these were highly informative and entertaining at the same time. Mr. Saravanan, Sub Inspector, Forest department, gave a wonderful speech regarding how to save nature and protect environment and how to plant tree saplings in a simple steps to cadets. Our Commanding officer C. Gunsekaran sir, delivered a speech on defence entry in various forces and motivated cadet to participate in upcoming recruitment rally in IAF-Thanjavur in the morning of 15th July 2018.

<u>S.NO</u>	<u>EVENT</u>	<u>PRIZE</u>
<u>1.</u>	<u>Best Associate N.C.C Officer(A.N.O)</u>	Flying Officer B.Barana kumar
<u>2</u>	<u>Volley ball</u>	1st prize
<u>3.</u>	<u>Line layout</u>	1st prize
<u>4.</u>	<u>Essay writing</u>	2nd prize
<u>5.</u>	<u>Rangoli</u>	2 prize

CONCLUSION :In a nutshell, the camp was an enriching one with more potential for intellectual development than seen in any camp before. With the excellent infra-structural facilities, made available to us by the authorities of CPS-Karaikudi. We were able to carry out all our tasks as per our predetermined schedule. Co-operation among the ANOs from different colleges and schools, PI Staff and State Govt. staff of 3 (TN) Air Sqn (Tech) NCC the camp is being organized successfully and attained its goals.

Passport Camp

Organized by

Citizen Consumer Club (CCC) with Travelshop, Thanjavur

Date: 19.03.18

Venue: Lecture Hall (410)

REPORT

Under the guidance and guidelines given by **Dr.R.Rajendran**, secretary, and **Dr.J.Arputha Vijaya Selvi**, Principal, Citizen Consumer Club (CCC) organized a passport camp for the staff members and students of our college in association with Travelshop, Thanjavur. The prime objective of the camp was to make the process of getting passport easier for the professional community. A circular was circulated on 27.02.18 detailing the documents and amount required to get passport.

Mr.Rtn.Er.S.Jaffer Sadiq, Director, Travelshop, along with his four team members from Thanjavur branch made a visit on **19.03.18** to conduct the camp. The camp was inaugurated by **Mr.R.Annamalai**, Public Relations Officer. In this camp the initial process of getting the photocopies of the required documents and fees were collected from the applicants. The team also put in plain words about the process undergoing in the concern regional passport office on the day of verification. Many students and staff members who had problems in the documents got clarified with the team members. The numbers of applicants who utilized this opportunity were **112** out of which 80 applicants completed the process and the remaining applicants are given a week time to complete the process. The team has consented to make their appearance on 26.03.18 at our again to complete the initial process for the remaining applicants.

The online registration and the appointment for verification in the concern passport office for the each applicant will be made by the team members. After the verification the applicants will receive their passport through registered post after the police enquiry.

YOUTH RED CROSS

BLOOD DONATION CAMP

DATE: 10.11.2018

TIME: 10.00AM

VENUE: PHYSICS LAB

REPORT

With a noble view to meet out the existing scarcity of platelets in saving the life of dengue affected people in government hospitals, a Blood Donation Camp was organized by Youth Red Cross (YRC) of our college on 10.11.18 at 10am in Physics Lab in association with Thanjavur Medical College Hospital, Thanjavur. The camp was inaugurated by Dr.R.Rajendran, the secretary, in the presence of Dr.J.Arputha Vijaya Selvi, the principal, Dr.T.Aravinth MS. Ortho., Medical Officer, Blood Bank, Thanjavur Medical College Hospital, Thanjavur (TMCH), the faculty members of our college and the organizers.

The team, consisting of eight members including Mr.K.Kannan, PRO and Counselor, Blood Bank, Thanjavur Medical College Hospital, Thanjavur (TMCH), came over here to conduct the camp. Under the supervision of Mr.K.Kannan, weight, hemoglobin, blood group and blood pressure of the donors were checked up before allowing the donors to carry out their noble task.

There was an overwhelming response from students as well as staff members, a total of 48 units were collected in the camp. Some of the donors who could not donate this time were assured for donation in the next camp. A Certificate of appreciation and refreshment were given to each donor as a token of gratitude.

DENGUE AWARENESS PROGRAMME

DATE: 10.10.2018

TIME: 10.00AM

VENUE: KINGS CAMPUS

REPORT

Youth Red Cross of our college conducted a Dengue awareness Programme on 10.10.2018 in association with the Primary Health Center, Pudhunagar, Pudukkottai. The Programme was inaugurated by Dr. R.Rajendran, the secretary, in the presence of Dr.J.Arputha Vijaya Selvi, the principal and the delegates from Primary Health Center, Pudhunagar.

The programme started with cleaning of the campus by YRC volunteers along with 28 members of Health Care Center, Pudhunagar. Larva were found in some of the stagnant clean water and destroyed by "ABATE", which is a powerful larvicide which effectively controls mosquito larvae as the first line of defense against Dengue Mosquito.

Dr.R.Suresh, Primary Health Care Officer, Pudunagar and Health Inspector Mr.M.Ramesh, Pudunagar, made their presence while cleaning the campus and explained how to keep the campus clean in order to avert the breeding of Aedes mosquito. They also explained about the various stages of Aedes mosquito's growth like pupa, larvae, worm, insect, etc., in Flower pots, Water coolers, Refrigerators, and Wastages etc. They further explained the symptoms of Dengue Fever, like continuous vomiting, knee pain, stomach pain, head ache, and body pain. The student volunteers were euphoric in knowing the cause and prevention of the fatal decease. Everybody took oath at closure of the programme.

INTERACTIVE SESSION on HIV-AIDS

DATE: 28.07.2018

TIME: 10.00AM to 12.30PM

VENUE: AV HALL

REPORT

Pertaining to the guidelines given by Tamil Nadu State AIDS Control Society to Red Ribbon Club, an Interactive Session on HIV-AIDS has been arranged for the second and third year RRC volunteers on 28.07.2018 between 10.00am and 12.30pm at AV Hall. The objective of the session was to provide a live session with HIV positive person to get wakefulness on HIV AIDS to keep off and to minimize the disease. Mr.K.M.Ramasamy, a Positive Speaker (AIDS Affected Person), who is also the President, HIV Positive Network, Pudukkottai, consented to interact with the RRC volunteers.

The programme began with the prayer song, followed by the welcome address by K. Albert Lawrence, RRC, Programme Officer. Then the guests were honoured with shawl and memento by Mr.R.Annamalai, Public Relations Officer. Then the session was handed over to the positive speaker. The programme got its momentum from the narration of his real life experience before and after HIV positive. The varied live experience was a great source of information for our student volunteers to get awareness. He passed optimistic vibrations among the students to be aware and to keep off the HIV Virus.

The hundred and three volunteers asked many questions to the positive speaker who made unambiguous explanation to all the questions raised. They expressed their sense of gratitude for having an opportunity to interact with the HIV affected person. Antony Joe.N, the RRC student volunteer, delivered vote of thanks. The programme came to an end with the National Anthem.

ACADEMIC YEAR 2018 - 2019 / EVEN SEMESTER

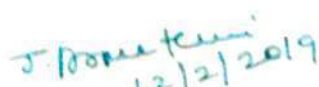

REPORT

1. Name of the event : Awareness Talk on "Solid waste management"
2. Date & Session : 9.2.19 (FN 11.00am - 12.00pm)
3. Venue : CSE LAB-II, Kings College of Engineering
4. Resource person : Mrs.G.Chandra Praba, AP/ CSE
5. Organized for : ECO club members of Kings College of Engineering
6. No.of Participants : Around 40 students
7. Purpose : To create awareness among the students about reducing the solid wastes and the steps to be taken to reduce or reuse them.
8. Event Photos : Refer Annexure - I

Department of Computer Science and Engineering and ECO club jointly organized an awareness talk on the topic of "Solid waste management" on February 9th of 2019 at CSE LAB-II of our college. Around 40 students participated in the event and get exposed to the need of solid waste management. The resource person explained the various methodologies that can be put into action by every individual in segregating the solid wastes as decomposable and non decomposable and then making the decomposable wastes as compost or manure for gardening in small scale and to the farm lands in large scale. He also explained about the solid waste management techniques adopted by different government and non-governmental agencies.

"SRI VASISTESHWARAR TEMPLE, THITTAI, CLEANING CAMP"

Date & Time: 08.08.2017, 10.00 a.m

Venue: Thittai

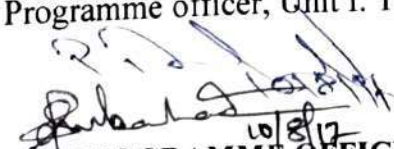

Report

As per the direction of Ministry of Youths Affairs and Sports in the scheme of Swachh Pakhwada under Swachh Bharat Mission from 1st August to 15th August, a one day cleaning camp in Sri Vasisteshwarar temple, Thittai was organized by the National Service Scheme of our college on 08.08.2017 at 10.00 a.m. The programme officers Mr. P. Rajeshwaran, Unit I and Mr. S. Ambalatharasu, Unit II, had made all arrangements for this programme.

The programme was jointly inaugurated by Dr. R. Rajendran, Secretary and the Principal, Dr. J. Arputha Vijayaselvi. Our Public Relations Officer Mr. R. Annamalai extended a tremendous help for the grand success of this programme. In this Camp, 45 NSS volunteers of our college eagerly participated and cleaned the entire places of the temple, and the bushes, plastics, other wastages were removed from the temple pond, and then properly disposed.

The cleaning camp was helped to maintain devotional ambience of the temple and near 500 dwellers and 10,000 devotees of the temple was expected to be benefitted. The day created awareness to the future citizen of volunteers who had a social concern with the society.

The Programme Officer of Unit II honoured the temple clerk Mr. C. Venkatesh with shawl for his fullest cooperation to clean the temple. Finally, vote of thanks was given by Programme officer, Unit I. The camp was ended at 4.00 p.m with divine satisfaction.

Report

A one day Dengue awareness camp was organized by the National Service Scheme of our college on 24.08.2017 in association with Primary Health Center, Pudunagar, Pudukkottai. The programme officers Mr. P. Rajeshwaran, Unit I, and Mr. S. Ambalatharasu, Unit II, had made all the arrangements for the camp.

The camp was formally inaugurated by our principal, Dr. J. Arputha Vijaya Selvi. Our Public Relations Officer, Mr. R. Annamalai had extended tremendous help for the successful completion of the camp. Dr. Suresh, Primary health care, Pudunagar and Health Inspector Mr. Ramesh, Pudunagar, participated in this camp and give awareness about the dengue, its various stages of Aedes mosquito and its growth like pupa, larvae, worm, insect,. Etc.

He also explains the symptoms of Dengue virus as severe fever, continuous vomiting, knee pain, stomach pain. He said, "The dengue mosquito prefers to bite its prey on the ankles, legs and knees." The Camp witnessed the enthusiastic participation of 45 NSS volunteers of our college as well as 30 team members with health inspector Pudunagar. In and around college campus "ABATE", which is a powerful larvicide, is sprinkled to effectively control mosquito larvae as the first line of defence against Dengue Mosquito.

The awareness camp was really conducive to keep the environment free from Dengue virus. The camp also disseminated a note of awareness to the volunteers who has undiminished concern for the society.

CATC CAMP II 2017

REPORT ON N.C.C CAMP

CATC -I HELD AT CPS -KARAIKUDI FROM (22/12/2017 TO 31/12/2017)

With your blessings and Valuable Guidance I, Flying officer B. Baran kumar, Deputy camp commandant, have the great pleasure, in presenting the report of the Camp activities.

The primary aim of this camp is, to prepare for the next year competitions, like, Inter Unit competitions, Vayu Sainik Competitions, Republic Day Camps and for various certificate examinations. The duration of this Camp is from 22nd Dec 2017 to 31th Dec 2017.

INAUGURATION

This camp was commenced on 22nd Dec 2017, the Combined Annual Training Camp-II 2017 Kicked off with Camp and Commandant Wg Cdr C. Gunasekaran Sir heartily welcoming with a presentation elucidating the behaviour expected from the cadets in the campus of CPS School, Managiri. Kicking off on high note, the camp had a lot to offer for the development of the cadets.

CAMP STRENGTH

A total of 619 members participated in this camp. These members include 07 Associate NCC Officers, 202 Senior Division Cadets, 71 Senior wing Cadets, 264 Junior Division Cadets, 50 Junior wing Cadets, 16 PI Staffs, 09 State govt staffs.

CAMP ACTIVITIES

Health runs beginning right from the break of dawn saw to it that the cadets stayed fit as fiddles. Running in step with each other, shouting left-right-left, the cadets understood the importance of synergy through their synchrony in running. This was followed by a healthy and sumptuous breakfast from 0645 hrs to 0800 hrs that left the cadets asking for more. Giving the cadets a chance to personify the motto of NCC, Unity and Discipline, breakfast was followed by a drill session lasting for 2 hours. Theory classes on the working of the IAF were also organized on a daily basis which inspired the cadets to pursue a career in the Armed Forces. This was followed by a nourishing south Indian lunch culminating into the much needed rest for the day. Activities then commenced at 1530 hrs in the form of a Community Development Activity which included cleaning up the campus of the CPS making the cadets realize the importance of keeping the surroundings clean. This was followed by exemplary guest lectures and lectures by the staff of the unit. Cultural events for the night commenced at 2000 hours continuing till 2200 hours.

Apart from the events in these common schedules, A plethora of cultural activities were conducted to bring out the hidden artistes in the cadets. Giving them an opportunity to have fun bonding with their college cadets, these events were nothing short of beautiful to behold. Kicking off with the solo dance competition, the cluster consisted of group dance, synchronised dance, NIAP and group song

competitions. The tremendous leadership capability seen in Guruji was instrumental in making the hard decision of judging the extraordinarily talented cadets of 3 TN Air SQN (Tech) NCC.

CYCLE EXPEDITION

The camp had beautiful highlights each day. The first of them was the arrival of the cycle rally that had gone to Rameswaram paying a tribute to late Dr. A. P. J. Abdul Kalam by emphasising the importance of education. The rally consisting of 20 cadets from National College, Trichy, reached the campus of CPS on the 25th of December 2017 at around 7 p.m. A video was shown to the assembly covering the advent of the rally which travelled a whopping 500 odd kilometres.

COMMUNITY DEVELOPMENT

Visits to a special school and the museum of Alagappa Chettiar University was organised on the 27th of December 2017. Giving the cadets memories worth treasuring and reminding them of their fortune in life, the experience was extremely enriching. Also, the visit to the special school made way for the cadets to learn about autism and other mental disorders and the available treatment options. The cadets distributed food to the residents and were also privy to a melody rendered beautifully by one of the residents. The museum portraying the ancient majestic culture of Tamil nadu and the life story of Alagappa Chettiar was a serene place where the cadets learnt a lot about the Tamil culture. On the same day, simultaneously, a visit was organised to Central ElectroChemical Research Institute, Karaikudi. The cadets who visited the Research Institute learnt about its contribution to the area of corrosion resistant technology. Having a wide range of applications, thus technology comes in handy for aircrafts as well. Cadets were detailed to do community development activity daily. 100 cadets along with 02 ANO and PI staff visited and conduct a cleaning activity in a small town called pillayarpettai which is near to our CATC camp premises.

RANGE FIRNG AND OBSTACLE TRAINING

The cadets also got the opportunity to fire Pump Action Guns and .22 Bolt Action Rifles as part of skeet shooting and rifle firing respectively. The newly constructed shooting range echoed with the boom of targets being hit. Another benchmark set by this camp was the exposure of cadets to an artfully built obstacle course that tested the training and stamina of cadets.

AEROMODELLING FLYING AND EXPOSURE

An aeromodelling feat was displayed to the cadets on the 26th of December 2017. Showcasing complicated manoeuvres, the display was one which had all the cadets' attention centered on it. The cadets were also encouraged to ask doubts and get them cleared from the instructor.

FOREIGNER VISIT

Two world tour enthusiasts, Canadian by nationality namely Mr. Tim and Steve, who take pride in having visited fourteen countries so far by cycle, also visited the camp. They had a lot to share about their experiences in various countries which awakened the latent wanderlust in the youngsters.

MOTIVATIONAL SPEECH

The jewel on the crown that CATC 2 was, were the guest lectures. Covering a wide range of topics, these were highly informative and entertaining at the same time. Dr. Sudhir Rajasekhara and Dr. Vijayasankaran spoke about blood transfusion and dengue, and organ donation respectively. Dr. Sheba Gunasekaran delivered a presentation on child abuse, the afternoon of 27th December 2017. Hearings from Mr. Tim and Mr. Steve about their experiences while traveling the world were an experience the cadets couldn't have gotten from elsewhere.

CONCLUSION

In a nutshell, the camp was an enriching one with more potential for intellectual development than seen in any camp before. With the excellent infra-structural facilities, made available to us by the authorities of CPS-Karaikudi. We were able to carry out all our tasks as per our predetermined schedule. Co-operation among the ANOs from different colleges and schools, PI Staff and State Govt. staff of 3 (TN) Air Sqn (Tech) NCC the camp is being organized successfully and attained its goals.

World Consumer Day Celebration-2017

Venue: H.H. The Raja's College, Pudukkottai

Date: 26.04.2017

Time: 11.00am

Report

World Consumer Day Celebration-2017 was held on 26.04.17 at 11.00 am in H.H. Raja's College, Pudukkottai. With a view to celebrate this function, competitions like Poem Writing, Essay Writing and Drawing were organized by Citizen Consumer Club of our college based on the instruction given by District Supply Office, Pudukkottai District. The topics of the competition were 'How to protect ourselves from false advertisements' and 'Avoid Wasting Food'. The prime motive of this competition was to create awareness about consumer rights among the student community. Many students took active participation in the competition held on 26.04.17. And the laurels go to the following winners.

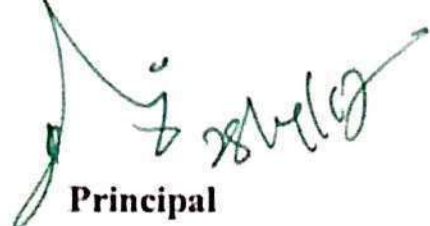

Poem Writing	1	S. Divyalakshmi	III ECE
	2	K. Saravanan	III Civil B
	3	C. Hariharan	III Mech B
Essay Writing	1	M.P. Salaimanimagudam	III Civil B
	2	K. Abirami	III ECE
	3	S. Thusara	I ECE
Drawing	1	B. Rajan	III Mech B
	2	S. Ashiga	II ECE
	3	E. Vishvaraj	II Civil B

The winners were honoured with certificates and prizes by Honourable District Collector of Pudukkottai, Mr. S. Ganesh IAS, who presided over the function and made thought provoking ambience through his thoughtful presidential address.

Though the students know the basic knowledge on consumer rights, they got new information on TN-LMCTS, an android application for making consumer related complaint using this application for immediate solution.

A Guest Lecture

On

'Environmental Hygiene and Pollution Awareness'

Date: 27.10.17

Venue: Lecture Hall (410)

REPORT

With a view to create awareness about the individual hygiene and pollution to the newly joined first year Citizen Consumer Club volunteers, a **Guest Lecture** on **'Environmental Hygiene and Pollution Awareness'** has been arranged and conducted on 27.10.17 between 3.30pm and 4.30pm in the Lecture Hall (410).

Mr. K. Albert Lawrence, CCC Co-ordinator welcomed the gathering and handed over the session to the Guest Speaker Dr.V.Sureshkumar, Head, Department of Science and Humanities, who consented and delivered the Guest Lecture. He elucidated about the importance of individual hygiene and the causes for pollution in the environment. He elaborated the primary steps to be taken by the individual to visualize a change in the society in to preserve the globe for the future generation.

The objective of the guest lecture was attained as **Forty Three** first year Citizen Consumer Club volunteers lent their ears for the enlightening Lecture. They were in receptive and pensive mood till the end of the sessions. The students were satisfied with the lecture which was reflected in the feedback session. Citizen Consumer Club Co-ordinator gave away the Certificate of Appreciation to the Guest Speaker on behalf of the Principal, Dr.J.Arputha Vijayal Selvi. The programme came to an end with the vote of thanks by R. Mohamed Yasin Sharif, the student Chairman of Citizen Consumer Club.

PLEDGE on INTERNATIONAL YOUTH DAY
DATE: 11.08.2017 TIME: 10.00 AM VENUE: COLLEGE ENTRANCE

REPORT

International Youth Day is being commemorated every year on 12th August with the prime aim of encouraging youth around the world to raise awareness among them with unique themes. The International Youth Day 2017 was commemorated all over the world on Friday, 11 August 2017 under the theme 'Youth Building Peace' declared by UNO.

As per the direction given by the Collectorate Office, Pudukkottai, and with the consent of Dr.R.Rajendran, the secretary and Dr.J.Arputha Vijaya Selvi, the Principal, oath was taken on Friday, 11 August 2017 at 10.00am by the RRC Volunteers, at the entrance of the college with a view to commemorate International Youth Day 2017. The pledge resolves the youth to extend goodness to him / her and to the society, also to act upon the things that would fetch happiness and healthiness with respect to his psychological, physiological and social approach.

The Principal graced the occasion and motivated the students to act consciously with the guidance of his/her conscience, also asked the RRC Volunteers to spread this awareness among their fellow mates in the college. P.Kannagi, Counselor, ICTC, Government Hospital, Gandarvakkottai, and Lisa.S, Counselor, ICTC, Primary Health Centre, Pudhunagar attended as representative of the collectorate Office, Pudukkottai. Mr.K.Albert Lawrence, RRC Coordinator, expressed sense of gratitude to delegates and the gathering for having taken oath to tread in the right path.

FREE EYE SCREENING CAMP

Organized by
Youth Red Cross jointly with Vasan Eye Care,
Thanjavur

DATE: 31.10.2017 TIME: 10.00AM VENUE: Lecture Hall

REPORT

Youth Red Cross in association with Vasan Eye Care, Thanjavur, organized a Free Eye Screening Camp that offered a free eye-checkup to our first year students as well as staff members on 31.10.17, at 10.00am, in Lecture Hall (410). The camp was launched by Dr.J.Arputha Vijaya Selvi, Principal, in the presence of Dr.S.Sivakumar, Vice-Principal, Mr.R.Annamalai, Public Relations Officer, Dr.V.Sureshkumar, Head, Department of Science and Humanities.

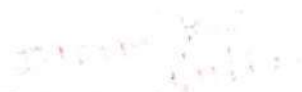

The Camp Coordinator Mr.S.I.Rajkumar as well as his four team members, with the noble objective of diagnosing and preventing eye problem held a primary eye test to identify the students and staff members having defective eyes. Hundred and Seventy Six students as well as Sixteen staff members underwent the screening.

Towards the end, Thirty Two persons inclusive of staff and students were identified as having problem in their eyes and they were referred to Vasan Eye Care, Thanjavur for further free treatment.

The Office bearers and volunteers of YRC extended their helping hand in organizing the camp smoothly. The camp came to an end at 12.30pm. .

BLOOD DONATION CAMP

Organized by

Youth Red Cross jointly with Thanjavur Medical College Hospital, Thanjavur

DATE: 28.09.2017

TIME: 09.30 AM

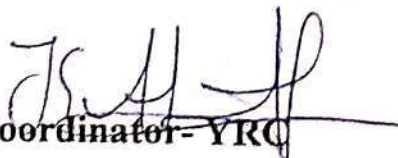

VENUE: Physics Laboratory

REPORT

Youth Red Cross in association with Thanjavur Medical College Hospital, Thanjavur, organized a **Blood Donation Camp** on 28.09.17, at 09.30am, in Physics Laboratory. A team consisting of eight members headed by The Medical Officer, Blood Bank, Thanjavur Medical College Hospital, Thanjavur came over here to the college to collect the blood from the donors. The necessary arrangements were made by K. Albert Lawrence, the YRC Coordinator and the student representatives of YRC.

The camp was launched by **Dr.R.Rajendran**, the Secretary, in the presence of **Dr.J.Arputha Vijaya Selvi**, the Principal, **Mr.R.Annamalai**, the Public Relations Officer, HoDs of various departments and staff members. The delegates appreciated the blood donors for their righteous task of serving and saving the downtrodden patients who throng the government hospital with the hope to get well after being infected with the epidemic diseases like dengue, viral fevers etc.

The applause goes to all the **46 donors** across the course of studies from I to IV year for having stepped out to render selfless service. The medical team was satiated with the arrangements and the help offered by the YRC Volunteers. At last they gave away the certificates and donor card to all the donors. The camp was closed at 12 o'clock in the noon.

RED RIBBON CLUB
Blood Donor E-registration Programme

REPORT

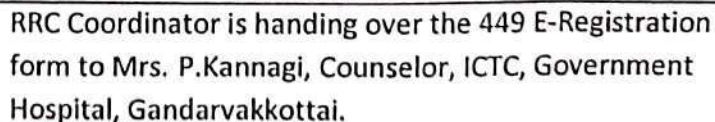

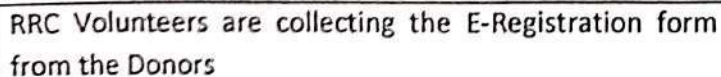

In order to meet out the demand of ever increasing blood in the modern medical care, Tamilnadu State Blood Transfusion Council has taken a noble step to register the particulars of donor in their official website. This Donor E-registration Programme is being conducted at all the colleges in Tamilnadu through Red Ribbon Club of the respective colleges. This Blood Donor E-Registration Programme was also conducted in our college through Red Ribbon Club on 21.02.17 at our college by the RRC Volunteers. A circular was circulated to the students in advance detailing the purpose of E-Registration and to register their names with details by 21.02.17. Our RRC Volunteers approached the voluntary blood donors with E-Registration form to get filled in. Finally 449 voluntary blood donors have handed over the filled in E-Registration form to Mr.K.Albert Lawrence, the RRC Coordinator through RRC Student volunteers. All the collected forms were handed over to P.Kannagi, Counselor, ICTC, Government Hospital, Gandarvakkottai in the RRC Office 22.02.17. And she had sent the forms to Tamilnadu State Blood Transfusion Council, Collector Office, Pudukkottai District.

AIDS AWARENESS PROGRAMME

DATE: 27.01.2017

TIME: 3.30PM TO 4.30PM

VENUE: AV HALL

REPORT

The Programme on "AIDS Awareness" which has been arranged for the first year RRC volunteers on 27.01.2017 between 3.30pm and 4.30pm was successfully conducted with great enthusiasm. Mr.K.M.Ramasamy, a Positive Speaker (AIDS Affected Person), who is also the President, HIV Positive Network, Pudukkottai, delivered speech. The programme began with the prayer song, followed by the welcome note by K. Albert Lawrence, RRC, Coordinator. Then the guests were honoured with shawl and memento. P.Kannagi, Counselor, ICTC, Government Hospital, Gandarvakkottai, and Lisa.S, Counselor, ICTC, Primary Health Centre, Pudhunagar, gave introductory talk on HIV- AIDS, its effect and the preventive measures to be taken to keep off the viral disease. They also furthered with explicit explanations on the noble tasks carried by the government through many schemes. The programme got its momentum with the life experience of Mr.K.M.Ramasamy, who gave the accounts of his life before and after HIV positive. The varied live experience was a great source of information for our student volunteers to get awareness. He passed optimistic vibrations among the students to be aware and to keep off the HIV Virus. Then the 44 students, who participated, expressed gratefulness to this programme as they got applicable information from the positive speaker in the feedback session. Lydia.I, the student secretary, RRC, delivered vote of thanks. At last the programme came to an end with the National Anthem.

5. Organized for : ECO club members of Kings College of Engineering
6. No.of Participants : Around 40 students
7. Purpose : To create awareness among the students about the environmentally responsible and eco-friendly use of computers and their resources
8. Event Photos : Refer Annexure - I

Department of Computer Science and Engineering and ECO club jointly organized an awareness talk on the topic of "Green Computing" on January 29th of 2018 at Chera Hall of our college. Around 40 students participated in the event and got idea about how they can effectively use their electronic gadgets without affecting the environment. The resource person highlighted many hazards that occur due to the electronic components and their improper disposal. She insisted the students to be careful while using the electronic components by reducing the energies needed for its functioning and also during disposal.

"REPORT ON ROAD SAFETY AWARENESS PROGRAMME-JAN'31"

DATE & TIME: 31-01-2017, 11:30 AM

VENUE: KCE BUS STOP

REPORT

A "ROAD SAFETY AWARENESS PROGRAMME" was organized by National Service Scheme at our college Bus Stop on 31-01-2017 (11:30 am). In this programme, 25 NSS volunteers enthusiastically participated and the programme was successfully initiated by the NSS programme officer.

During the ceremony, NSS Programme officer, **Mr.P.Rajeshwaran**, Unit-I, greeted the chief guest **Mr.A.Madhavn.B.Sc.**, (Traffic Police Regulation 1594, Thanjavur). The Chief Controller of Examinations of our college **Mr.A.Albert Martin Ruban** honoured the guest with a shawl and memento.

The chief guest **Mr.A.Madhavn** delivered some informative messages on being vigilant to safeguard ourselves in a better way from any untoward road accidents. He also insisted to be aware of the road signals ahead and follow the instructions in accordance with it in order to avert the dire situation of stranding one's family helpless. Besides, he wanted all of us to stick to the slogan "**Safe drive is safe life**".

The volunteers issued the pamphlets contained messages to that effect to the cars, buses, Lorries, and the bike riders on the way. Earlier, the volunteers of NSS, the guest, and the staff of our college performed oath taking. The progression on road safety ended with the dissemination of good messages to all the transport users.

Date & Time: 13.08.2016, 11.00 AM

Venue: College Premises

Report

Sapling was organized by National Service Scheme on 13.08.2016 from 11.00 AM to 03.00 PM at our college premises. The programme was started with pledge denoting some of the importance of trees and its plantation by quoting "Trees create an ecosystem to provide habitat and food for birds and other animals, absorb carbon dioxide and potentially harmful gasses, such as Sulphur dioxide, carbon monoxide, from the air and releases oxygen. One large tree can supply a day's supply of oxygen for four people". Dr. V. Suresh Kumar, HoD S&H, started sapling plantation, followed by the programme officer's Mr. K. Sudhakar, Unit -I, Mr. S. Ambalatharasu, Unit - II and student volunteers. Totally 35 volunteers were planted in our college premises and in road side opposite to our college. Also student volunteers were given individual responsibility to take care of saplings planted by them.

Kings Clean Campaign "Clean Kings! Green Kings!"

Date: 08.07.2016

Report

The Kings Clean Campaign under the theme of "Clean Kings! Green Kings!" was organized successfully on 08.07.2016 in our college campus by Youth Red Cross, Citizen Consumer Club, National Service Scheme, National Cadet Corp and Eco Club. Nearly 260 volunteers were involved in the campaign. The YRC, CCC, NSS and NCC volunteers have given fullest cooperation and utmost involvement towards the entire campaign.

In this campaign, the student volunteers were carried out following activities:

- Initially, the student volunteers took Oath along with our principal and coordinators.
- Polyethylene bags, plastics and other waste materials in our college campus were collected and disposed.
- Used water bottles from all the department and college campus were collected and disposed.
- Pledge prepared for keep the campus clean and "Oath taking" was done in the all the classes by the student volunteers.
- Awareness created through pasting of "slogans" to all the class room switch boards, dustbins, water tank, walls, etc.
- Displayed "slogan stickers" in important places of our college campus.
- College play ground was also cleaned by student volunteers.

Finally, the campaign ended with vote of thanks by coordinators.

"Report on NSS Day Celebration"

Date & Time: 24.09.2016, 5.00 PM

Venue: T.E.L.C. Nazarath Home

Report

Marking Gandhiji's Centenary Year, 1969 24th September, "NSS Day" was celebrated on 24.09.2016 (05.00 PM) at Tamil Evangelical Lutheran Church - Nazarath Home for Children (Orphans), mentally challenged and abandoned women, Cum Day Care Center Thanjavur. NSS volunteers actively participated and sponsors were extended by social service personnels. This celebration was successfully accomplished by NSS Programme Officer's **Mr. K. Sudhakar**, Unit-I and **Mr. S. Ambalatharasu**, unit-II with

The celebration was started with "**Glad to meet you**" song sung by home children and Deaconess and the student volunteers distributed Jelly, Biscuits and other eatable items. The programme received sponsors from German country that helped our students to prolong with activities and the visitors also discussed the basic needs of children and mentally challenged.

Nearly about 25 Home children were benefited by this celebration. They felt very happy and played with our NSS student volunteers. The day created a good deed to the future citizen of volunteers to be imbued with social concern.

"Report on Polio Awareness Programme"

Date & Time: 11.01.2017, 2.00 PM

Venue: Panchayat Building, Mudhukulam

Report

A "Polio Awareness Programme" was organized by National Service Scheme at Mudhukulam, adopted Village on 11.01.2017 (02.00 PM). In this programme, the NSS volunteers actively participated. With the help of Panchayat President and Clerk of Mudhukulam village, the programme was successfully completed by NSS Programme Officers **Mr. P. Rajeshwaran**, Unit-I and **Mr. S. Ambalatharasu**, unit - II.

In this Awareness programme, Chief Guest **Dr. P. Ezhilan.**, M.B.B.S., D.C.H., New Born Medical Officer / Assistant Surgeon, Raja Mirasdar Govt. Hospital, Thanjavur, graced the occasion. The guest was honored by NSS Programme Officer **Mr. P. Rajeshwaran**, Unit-I with shawl and memento. The Programme on eradication of poliomyelitis and importance of polio oral vaccine was initiated by Dr. P. Ezhilan among the presence of Villagers, President, and Student Volunteers, with an awareness Slogan

"Now More than Ever Stop Polio Forever" & "Get A Drop Stop the Strop"

It was aspired to reach even children in remote communities through an improved social mobilization plan with student volunteers who also identified some missing children from immunization process.

Near about 45 villagers gained knowledge on the importance of Polio vaccine for children below 5 years. This programme created a good deed to the future citizen of volunteers who have a social concern.

"Report on National Voters Day - January 25"

Date & Time: 25.01.2017, 3.30 PM

Venue: AV Hall

Report

A "National Voters Day" was organized by National Service Scheme at AV Hall of our college on 25.01.2017 (03.30 PM). The NSS volunteers actively participated in the event organized by NSS Programme Officers successfully.

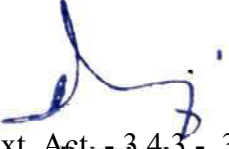

The NSS Programme Officer **Mr. P. Rajheshwaran**, Unit-I, welcomed the volunteers and spoke on the importance of casting vote and also briefed on the voters day which was launched by Government of India from January 25, 2011, to mark Commission's foundation day.

Finally, NSS Programme Officer **Mr. S. Ambalatharasu**, Unit II, triggered the youth by spreading awareness slogan on voting "*Shape Tomorrow by Voting Today & If You Don't Vote You Lose the Right to Complain*".

The student volunteers pledged as "We, the citizens of India, having abiding faith in democracy, hereby pledge to uphold the democratic traditions of our country and the dignity of free, fair and peaceful elections and to vote in every election fearlessly and without being influenced by considerations of religion, race, caste, community, language or any inducement". The ceremony ended with National Anthem.

Near about 50 volunteers took part in the National Voters Day event which emphasized on inclusiveness.

In this programme, **Mrs.S.Sarmila, Chief Dietitian, Meenakshi Hospital, Thanjavur** has come as a resource person. The programme was started with prayer song. The welcome address was given by **Dr. S.Udayakumar, YRC coordinator** and felicitation address was given by **Mr.R.Annamalai PRO** of our college. Resource person Mrs S.Sarmila has explained briefly the types of nutrients and their benefits, nutrients deficient diseases and causes, nutrients and vitamins rich foods, components of balanced diet, recommended dietary allowances for adolescents and good health habits for better health. The 50 first year YRC volunteers were attended in this programme and benefited. After the programme, many of the YRC volunteers have cleared their doubts and given good feedback about the programme. Finally, the first year YRC student chairman P.Nitheeshkumar has delivered the vote of thanks and programme ended with national anthem.

Kings Clean Campaign "Clean Kings! Green Kings!"

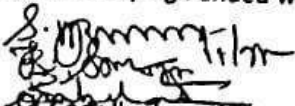

Date: 08.07.2016

Report

The Kings Clean Campaign under the theme of "Clean Kings! Green Kings!" was organized successfully on 08.07.2016 in our college campus by Youth Red Cross, Citizen Consumer Club, National Service Scheme, National Cadet Corp, and ~~Red Cross Club~~. Nearly 140 volunteers were involved in the campaign. The YRC, CCC, NSS and NCC volunteers have given fullest cooperation and utmost involvement towards the entire campaign.

In this campaign, the student volunteers were carried out following activities:

- Initially, the student volunteers took Oath along with our principal and coordinators.
 - Polyethylene bags, plastics and other waste materials in our college campus were collected and disposed.
 - Used water bottles from all the department and college campus were collected and disposed.
 - Pledge prepared for keep the campus clean and "Oath taking" was done in the all the classes by the student volunteers.
 - Awareness created through pasting of "slogans" to all the class room switch boards, dustbins, water tank, walls, etc.
 - Displayed "slogan stickers" in Important places of our college campus.
 - College play ground was also cleaned by student volunteers.
- Finally, the campaign ended with vote of thanks by coordinators.

FREE EYE CAMP

Organized by

Youth Red Cross jointly with Vasan Eye Care, Thanjavur

DATE: 06.03.2017

TIME: 10.00AM

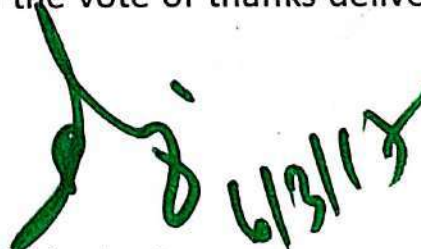

VENUE: Lecture Hall (410)

REPORT

Youth Red Cross in association with Vasan Eye Care, Thanjavur, organized a Free Eye Camp that offered a free eye-checkup to our first year students as well as staff members on 06.03.17, at 10.00am, in Lecture Hall (410). Mr. K. Albert Lawrence, YRC Coordinator welcomed the delegates, YRC Volunteers and the students. Mrs.T.Shanthi, the Project Coordinator honoured Mr.S.I.Rajkumar, the Camp coordinator, Vasan Eye Care, Thanjavur. Then the camp was launched by Mr.R.Annamalai, Public Relations Officer in the presence of Dr.R.Rajendran, the Secretary, Raj Educational Trust. The Camp Coordinator as well as his four team members, with the noble objective of preventing eye problem held a complete eye test to identify the students and staff members having weak eyes. At the completion 218 students and 58 staff members totaling 276 were checked up. Out of 218 students, 23 students were referred for the further free treatment in the Vasan Eye Care, Thanjavur as they were identified having problem in their eyes. Similarly 48 staff members were also referred for the further treatment. The Office bearers and volunteers of YRC extended their helping hand in organizing the camp smoothly. The camp came to an end at 01.00pm with the vote of thanks delivered by S.Afshal Hussain, student secretary of YRC.

WOMEN'S DAY REPORT

W Wonderful,

O Outstanding,

M Marvellous,

A Adorable,

N Nice,

ACADEMIC YEAR 2016-2017 (EVEN SEMESTER)

REPORT ON EMPOWERED WOMEN

"A woman with a voice is, by definition, a strong woman." —Melinda Gates

In K.C.E., has organized a Women's day program for women (students and staff) on 8th March at 3.30 to 5.30 pm. our main objective is to create empowered women. This lively program at KCE, featured a variety of events, including video clips, competitions, honouring women, etc.

All the female students of KCE have participated . This programme started with an unique and enthusiastic WOMEN ANTHEM by 3.30 pm. An AV(audio and video)for happy women's day was shown. Mrs. Thirumagal, AP /ECE gave welcome address and invited the respected chief guest Dr. A. Jeevanandham,M.A.,M. Com., M.Ed.,M.Phil.,PGDCA.,MBA.,Ph.D., she shared valuable information on women under the title of "Empowered Women "and her experience .It was very useful to the students.

Number of students participated: 240

chief guest Dr. A. Jeevanandham delivering speech on "Empowered Women " (08.03.2017).

She says, Education is the key to women empowerment. If a girl is educated, she will have confidence. She will have employable skills. Employment will lead her to financial independence. Entrepreneurship will make her stronger and daring to take up new challenges.

As Malala Yousafzai, the Nobel Peace Prize winner says, "One child, one teacher, one book, and one pen can change the world." And nowhere is it truer as in the case of women. The educated women - will become leaders with the right mindset, making the right decisions at the right time. When women are put at the helm of affairs, conflict has an unnatural way of decreasing. As mothers, they care. They care about the future generations. They care about this earth.

Then our student L. Mowli 2nd year ECE was identified and honoured for her deeds. Our student K. Jaishree 2nd year ECE, shared "self-defense tips for women in these modern days". It was very creative and wonderful. Everyone appreciates her act of bravery.

Competitions also conducted on 1.30 - 3.30pm,

- Mehendi.

- Nail Art.

- Cooking without flame.

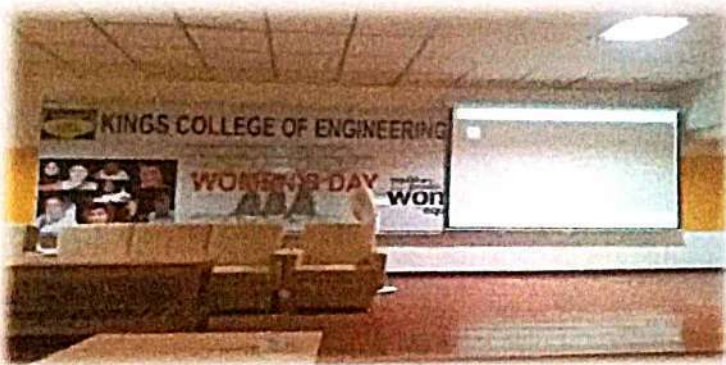

- Rangoli.

The winners of these respective competitions were honored by our respected Chief guest.

Finally, the students were shown an AV on "sound of silence and girl effect "(08.03.2017).

Vote of thanks was given by the women's cell convener Mrs.P.Thirumagal AP/ECE. Thus the Women's day program ended successfully(08.03.2017).

"A strong woman understands that the gifts such as logic, decisiveness, and strength are just as feminine as intuition and emotional connection. She values and uses all of her gifts."

Report on COVID-19 Relief Material distribution - May '2020

22.05.2020

Kings College of Engineering provided Corona Relief Kits containing 10 grocery items, worth of Rs.260 (per kit) to about **60** of our students who are from the poor economic background to help them cope with the lockdown period.

Food kits containing essential grocery items that were intended to be distributed among families likely to face hunger due to the coronavirus pandemic.

The grocery items in each kit:

S.No	Details	Quantity
1	Rice	5kg
2	Turmeric powder	100g
3	Dhall	500g
4	Chilli powder	100g
5	Greengram	250g
6	Sunland oil	500ml
7	mustard	50g
8	cumin	50g
9	Iodised salt	1kg
10	Tamarind	100g

Along with staple foods, we also distributed health and hygiene supplies such as soap and hand sanitizer. While distributing these essential goods, we also made sure that we explained to the people what COVID-19 is, how to maintain health standards and the importance of doing so.

No. of beneficiaries: 60 families
Total amount spent : Rs. 25,080/-

Report on Gaja Cyclone Relief - Nov'2018

The impact of natural calamities leaves an indelible and painful mark on the hearts and the lives of people of any locality. The aftermath effects depict the sufferings of people excruciatingly. The raw of the situation of any shattered area will definitely move any visitor into a philanthropist who will be bound sincerely with heart to extend a social hand. And this is one such heartfelt move of Kings to retrieve the people dwelling in Thanjavur, Pudukkottai Tiruvarur, Cuddalore, Nagapattinam and Ramanathapuram, Tamil Nadu, from unprecedented damage caused by the ghastly cyclone and devastating rain with a whopping contribution of Rs. 1 Lakh. The contribution was aimed at aiding the relief, rehabilitation and reconstruction of the lives of needy with the basic amenities. We hoped that the small hand of deliverance would certainly be a valuable mite to reach the mighty effort of the state and the nation.

On 24.11.2018:

We supplied the first phase of relief works in 5 villages for 500 cyclone survivors in Pudukkottai and Thanjavur district and provided nutrients as Food package to the tune of Rs.15,000. This relief works could be vital to save the survivors from hunger and death. Children were being protected from disease and lack of nutritious.

On 27.11.2018:

During the second phase of relief work, we provided water supply (worth of Rs.39,000) for 5 disaster hit villages to get back to sustainable life.

On 1.12.2018:

The third phase of contribution sought the provision of Food packages to the worth of Rs.56,000 in and around Mannargudi, Thiruvarur Districts.

No. of Beneficiaries: 1000 (10 villages)

Total amount spent:Rs.1,10,000

Mrs.T.Gnanajeya Assistant Professor / Department of Mathematics, Kings College of Engineering had delivered a seminar on Applications of Differential Calculus on 4.2.2021 FN for XII B – Maths, Computer Science (EM), XII D – Maths, Biology (EM) and XII A – Maths, Computer Science (TM), XII C – Maths, Biology (TM) students of Girls Christian Higher Secondary School, Thanjavur.

Resource Person's Talk

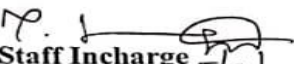

Students listening the seminar

About the Seminar

In this seminar, Introduction on Differentiation, Basic formulae for better understanding of Differentiation were elaborated. Monotonicity of functions, Absolute maxima and minima, Extreme value theorem, Relative extrema on an interval, Fermet Theorem and First derivative test were taught. The importance of maxima and minima were highlighted. Applications of first derivative were detailed with examples.

Number of student beneficiaries for this one day seminar is 81. Students gave positive feedback and assured to score good marks in the forthcoming mathematics public exam.

Mrs. J.Juliat, Maths teacher of GCHSS coordinated the programme.

School Visit / Programme Report 22.02.2020

As per the direction of our admission officer Dr. A. Albert Martin Ruban, I have visited a school namely St.Marcina's matric. Higher secondary school, Pallavarayanpettai for the improvement of admission for the forthcoming academic year 2020-2021 and to make awareness among students about their higher studies particularly scope and future of Engineering.

In this visit I have met near about 50 students. During my visit I have conducted motivational session for XIIth Mathematics with computer science and Mathematics with Biology students. This session mainly focused on

- Self confidence
- Career guidance-what to do after +2?
- How to choose a career?

Also I have highlighted our college infrastructure and facilities. Finally I have received feedback about the programme. They have given the positive feedback about this programme. They really enjoyed the session. They assure that they will get good marks in their public exam. Also few students convey their thanks for this opportunity.

A REPORT ON PRESENTATION SRI SRINIVASA MATRIC HIGHER SCHOOL, ORATHANADU

31.01.2018

In the wake of directions drafted by Dr.J.Arputha Vijaya Selvi, our Principal, and Dr. R.Rajendran, our Secretary, to build rapport with schools with a noble intention to enhance the skills on subjects with our faculty specialized on every fields and motivate the school students to face the public exams without any fear, we, K.Albert Lawrence and J.Radhakrishnan, Assistant Professors, paid a visit to Sri Srinivasa Matric Higher Secondary School, Orathanadu, on 31.01.2018.

Getting permission from the Principal and the Management of the school, a short presentation on "Significance of Language Skill" was delivered to the 12th students of different groups. The presentation covered the impact of language skill that enhances one to be better employed and also exhibited the feature of our colleges; Engineering and Arts and Science.

Finally, we greeted the students for their exams and future endeavours. Earlier, the programme was formally introduced by Mr. R.Shanmugam, Principal of the school. The gathering was thanked by Mr. A.Saravanan, Maths teacher of the school.

Motivational Programme on "Success 2017"

A Motivational Programme "Success 2017" in association with Thinamalar daily was organized on 02nd December, 2017 by 09.30 a.m. in Chola Hall. The programme started with Tamil Thai Vaazthu. Dr.S. Sivakumar, Vice Principal, delivered welcome address. Dr.J.Arputha Vijaya Selvi, Principal, Presided over the function, Dr.R. Rajendran, Secretary, KCE, felicitated the gathering. Rtn. V. Raman, Dist. Comm. Chairman - Literacy RID 2981, Motivational Speaker honoured with a shawl by our Secretary. In his address, he motivated the Higher Secondary Students to face the public examination and to obtain meritorious marks. His address created an impact among the students which would brought change in their life. His vision towards the welfare of the students' community and society through his indomitable speech will surely bring success in all the endeavours that the students step ahead. He pointed out, that students' must obey and follow the teachings of their parents and teachers. Also they must think of the well being of their parents in future.

During the programme, Mr. M. Pradeep Kumar IAS, Sub-Collector, Mrs. M.K.S Subhasini M.Sc., M.Ed., Chief Education Officer, Thanjavur, Dr. S. Senthilvelmurugan, M.Sc., M.Ed., Chief Education Officer, Pudukottai and Mr. M. Raman., M.Sc., M.Ed., District Education Officer, Thanjavur delivered speech and gave their blessings to the +2,+1 and 10th students who were participated in the programme. Mr. Albert Martin Ruban, HoD., Department of Electrical and Electronics Engineering thanked the chief guests, programme conveners, other team members and the student participants. In this program, more than 980 students participated and got benefited from in and around Thanajavur and Pudukottai district.
