About us

Kings College of Engineering (KCE), established in the year 2001 by Raj Educational Trust, Chennai, aims to provide quality education to the underprivileged students in Pudukkottai and nearby districts. Located on the Thanjavur–Pudukkottai Highway across 50 acres, the college offers a serene learning environment. It is a NAAC-accredited, Autonomous institution, approved by AICTE and affiliated to Anna University, Chennai.

Vision

To impart globally competitive technical education, enhance human values and to provide a research atmosphere to the socially challenged aspirants.

Mission

Providing a comprehensive theoretical foundation, inculcating state of the art engineering practices and cutting edge research ambience that leads to societal upliftment with ethical values through effective teaching – learning methodologies & appropriate information communication tools via dedicated faculty to the aspirants.

About the Department

The **Department of Management Studies** offers a dynamic MBA programme designed to develop competent and ethical business leaders. The curriculum blends strong theoretical foundations with practical exposure through case studies, internships and industry interactions. The department emphasizes skill development through training in communication, leadership and problem-solving.

Regular workshops, guest lectures and industrial visits enhance industry readiness. With dedicated placement support, the department ensures students are well-prepared for successful careers in the corporate world. With experienced faculty, modern infrastructure and a vibrant learning environment. The Department of Management Studies strives to create competent professionals and visionary leaders ready to face the challenges of the corporate world.
