## About Kings

Kings College of Engineering (Autonomous) is an institution which was formed with the single aim of providing quality education to the poor and underprivileged students. KCE is a NAAC accredited institution approved by All India Council for Technical Education (AICTE), New Delhi and is affiliated to Anna University, Chennai. The institution was established in the year 2001 on a sprawling campus of around 48 acres on the Thanjavur-Pudukkottai Highway and run by Raj Educational Trust (RET), Chennai, with a clear and concrete motive of spreading the wealth of knowledge. The institution offers 7 U.G and 4 P.G programmes. Department of Electronics and Communication Engineering & Department of Mechanical Engineering have Research Centres recognized by Anna University, Chennai.

## About the Department

The Department of Computer Science and Engineering (CSE), established in 2001, offers Undergraduate and Postgraduate programs and is approved by AICTE, New Delhi, and affiliated with Anna University, Chennai. The department focuses on providing quality education, modern IT infrastructure and a strong research environment while promoting industry collaboration and ethical values. It is supported by highly qualified faculty and well-equipped laboratories with high-speed internet, enabling hands-on learning across various domains. The department emphasizes practical training, project-based learning and emerging technologies.
